

COUNTY SCHOOLS TO BEGIN WORK AUG. 29

Student Bus Drivers Seen Un- less Local Funds Are Supplemented

All schools of the county will open on Thursday, August 29, according to tentative plans agreed upon by the board of education and Professor J. B. Jones, county superintendent.

By starting the term on Thursday, it is pointed out, two days may be allowed for the Thanksgiving holiday and the term will end on Dec. 20 for Christmas.

It is expected that there will be a slight reduction in the number of teachers for this county, other counties having been cut approximately three per cent in the teacher load. However, local school officials are seeking to have the same number of teachers employed here that were in service last year.

Bus drivers, under the state ruling, will receive the magnificent sum of \$8.50 per month from the state department, and it is understood that there can be no added appropriation from the state to supplement this monthly salary. At this low figure it goes without saying that student drivers will be employed on all buses in Transylvania county, unless there is a supplement for bus drivers set up by the county. It would require \$66.00 supplement to insure adult drivers for the county at a salary of \$17.50 per month, the amount paid last year.

Several counties have already levied for the supplement to bus drivers salaries, after finding that there is no way the salaries may be raised by or through the state department.

Miss Virginia Wilcox of Kings-tree, S. C., former Brevard teacher has been elected to the place of home economics in Brevard high school. She taught here two years, and was very successful in her work.

B. D. Franklin, who taught at Brevard College the past term, has been selected to fill a vacancy on the Brevard high school faculty, made by the resignation of Hinton McLeod Sr. Mr. McLeod expects to be engaged in other work for the coming year. Mr. Franklin has had wide experience in high school work, both as teacher and principal.

Swimming Pool Will Observe Ladies Night

Thursday and Friday nights of this week will be "ladies night" at the Brevard swimming pool, no charges to be made for ladies swimming. This does not apply to children under 15 or to the men folks, Coach Tilson states. Free period for ladies each of the two nights will be after seven o'clock.

Sunday afternoon was record day at the municipal swimming pool, Coach Tilson reporting over a hundred people taking a swim during the afternoon.

Every possible care is being taken by Coach Tilson and the park committee to keep the pool in first class condition in every way, and summer people and home folk alike are joining in making the pool very popular.

DR. BAILEY TO SPEAK HERE SUNDAY MORNING

Dr. Thomas P. Bailey, professor of psychology at Rollins college, formerly a member of the faculty of Sewanee university, will preach at St. Phillips Episcopal church Sunday morning at 11 o'clock, it is announced by the rector, the Rev. Harry Perry.

U. D. C. LIBRARY OPEN EACH MORNING AT 10

Library hours for the U. D. C. library will be from 10 to 12 o'clock each morning and from 3 to 5 o'clock each afternoon through the remainder of the summer, it is announced.

Miss Winifred Nicholson, who has had training and experience in library work, is the librarian through the summer months.

Judge Harding Will Preside at July Term

Judge W. S. Harding of Charlotte is scheduled to preside at the July-August term Superior court, which convenes here on Monday, July 22. Scleritor Clarence O. Ridings of Forest City will appear for the state in such criminal actions as are taken up the first week.

It is not known now just what the status of the criminal sessions will be, as it has been usual custom here for years to hold civil term only at the midsummer term of court, the 1935 legislature changing the law so that criminal term is mandatory.

Trial of civil cases will start on Thursday, July 25, according to the calendar as prepared by the bar association in meeting here Monday.

Law Offices To Close

All attorneys in Brevard will close their offices each Saturday at 12 o'clock noon during the months of July and August according to action taken by the bar association in meeting Monday.

NEW SERVICE STATION SOON READY TO OPEN

Work is practically completed on the fine new service station for the K&M Auto Repair on North Broad street just below the square.

It is expected that the K&M will occupy the new location within the next few days, possibly the first of next week.

Equalization Board To Meet On Tuesday

The county commissioners will sit as a board of equalization in the commissioners room at the court house next Tuesday, according to announcement being carried in this week's Times.

Taxpayers who have any matters they wish to bring before the board in regard to valuation at the last assessment are invited to appear before the board on Tuesday.

Six Cars Phosphate Received In County

Six car loads of super phosphate have been received in the county on order of the county agents' office from the Tennessee Valley Authority, and is being issued to farmers of the county as fast as plans and agreements between farmers and the TVA are approved.

The fertilizer, which sells ordinarily from \$55 to \$60 per ton, is given without cost other than the freight to farmers who agree to use it on crops that hold and build land, such as legumes and grasses.

County Agents Glazener and Maness have been meeting with farmers in various sections of the county for the past several days explaining the setup and assisting in drawing plans for farmers. Already over a hundred applications for fertilizer have been received at the county agents' office, and it is expected that many more will be received within the next two weeks.

It is necessary that farmers who wish to take advantage of this remarkable offer take steps at once, as the supply of phosphate at Muscle Shoals will very probably soon be depleted, inasmuch as farmers in all sections of the Tennessee Valley watershed that have county agents are rapidly making requisition for the phosphate.

Application blanks may be secured from the county agents' office or from the vocational agriculture instructors of Rosman and Brevard high schools.

A car load has been sent to each of the following stations: Penrose, Brevard, Rosman, Cherryfield, Quebec and Lake Toxaway.

No Action Taken On Question of Vaccine

No action has been taken by local authorities in regard to the vaccination of dogs in the county against rabies.

The law requires that all dogs over six months of age be vaccinated annually and that vaccination be administered by a licensed veterinarian or the duly appointed rabies inspector.

The state department of agriculture supplies the inspectors with the vaccine and the cost to the dog owner for the vaccination by the inspector will be 50 cents, of which 25 cents goes to pay for the serum and the other 25 cents goes to the inspector as his fee. The 50 cents can be deducted from taxes on dogs paid the county.

The law also provides that all dogs running at large which have not been vaccinated and all dogs found to have rabies shall be killed and all dogs suspected of the disease shall be confined. It stipulates that the sheriff's department and the police forces shall assist in the enforcement of this law and a fine of \$10 to \$50 or 30 days imprisonment may be imposed upon dog owners interfering with the provisions of the law.

The law makes it mandatory upon the inspectors to carry out its provisions. It stipulates that the rabies inspectors be appointed by the county health department in counties having special health departments and by the county board of commissioners in counties without health officers.

Glazener at Kiwanis

Julian A. Glazener, county farm agent, will have charge of the program at Kiwanis club Thursday at noon, and Mr. Glazener will very probably have something interesting to talk about concerning the farm program that his office is pushing in Transylvania county.

Prominent Men Visit Brevard During Week

Two distinguished visitors were in Brevard the past week, stopping here for brief visits.

George Horace Lorimer, editor of the Saturday Evening Post, honored Brevard with his presence for a short time. Another visitor of high rank was Commander Thomas D. Parker, retired commander of the U. S. Navy. He is active in organizing branch associations of the League of Nations in the United States and is a brother of Lewis W. Parker, the great textile developer.

TOWN TAX RATE IS ESTIMATED AT \$1.74

Four Cent Increase in Rate Over Last Year Called For By Estimate

Town of Brevard estimated tax rate for the year 1935-36 as carried in the budget estimate on another page in this issue of The Times sets the rate at \$1.74 on the hundred dollar valuation, an increase of four cents over the rate in effect last year.

A complete summary of the budget estimate may be seen either at The Times office or in the city clerk's office.

Very little changes were made in the setup for the coming year, it being necessary to raise the general fund estimate to take care of deficits carried over from last year in some departments. Final adoption will be made of the budget and rate set for the year at the next regular meeting of the board.

Town Board Desires To Aid Health Unit

At a meeting of the board of aldermen held Monday night, decision was made to cooperate with the county in the matter of a health unit of which Transylvania county would become a part, provided details can be worked out by the commissioners and Henderson county officials.

Jim Morrow was appointed milk inspector for the town and will also do laboratory work for the water department.

Tentative budget for the year was approved by the board, a copy of which may be seen at the city clerk's office.

STATON IN CHARGE OF WORK FOR CCC

175 Boys Arrive Tuesday To Assume Forestry Duties In Two Counties

R. E. Staton of Hendersonville has been appointed works superintendent at the Brevard CCC camp, and will have charge of work activities. Lieut. Nesbit will continue to have active charge of the operation of the camp for the army.

Mr. Staton has had considerable experience in this line of work, having been in charge of similar camps at Lake Lure, Morganton and North Wilkesboro.

Mr. Staton will have four foremen under him. They are Lee Sitton of Almond, John Plott of Hazelwood, M. Hensley of Burnsville and J. Caldwell of Waynesville.

Work of the men will be under the direction of the State Department of Conservation and Development and will consist in the main in forest fire protection projects on private property in this and Henderson counties.

Forest Supervisors Beichler and Blake were in Brevard Monday conferring with camp and local authorities in regard to opening the camp and work to be done.

A group of 175 boys arrived here early Tuesday morning by train from North Wilkesboro. They will be engaged in work for the state under Mr. Staton.

Unofficial reports here are to the effect that a portion of highway 284 will be let during the month by the state highway and public works department.

Previous lettings of the five mile stretch that is ready for construction have been turned down.

Dahlia Show Plans Be Made Tuesday

Transylvania Dahlia club will meet Tuesday night in the offices of Brevard Insurance company for the purpose of drafting plans for the dahlia show which is to be held here the latter part of August.

The dahlia show is one of the entertainment features of the summer season and annually attracts hundreds of people.

Brevard Golf Course In First Class Shape

Brevard Country Club golf course is now in the best shape it has been in several years, with work being continued on fairways and greens.

A smooth mat of grass covers all fairways, with new sand having been added on the greens after being oil treated, which makes for even speed on all greens.

Considerable work has been done on roughs, with hazards cleared and obstructions removed.

Citizens of the community have contributed the necessary funds for getting the course in shape, and it is expected that others will join in the matter of "paying off" in adding the final touches. Greens fees of 50 cents are expected to take care of maintenance.

Books of thirty tickets for \$10 are now on sale at the club house which is operated by Mr. and Mrs. Orr, and at the city hall.

Residents of the community are requested to mention the fact when writing outside people that the Brevard course is open and in good condition.

Honest Man Pays Bill For Nickel Via Mail

South Carolina may have had horse thieves in the days of old, and may still have a few people who are not on the up-and-up, but Charlie Gibbs, manager of the Broad Street Esso station will swear that there is one honest man in the Palmetto State and as proof of his belief he handed a Times reporter the following letter:

Standard Oil Station, Brevard, N. C. Gentlemen:

I am enclosing a nickel I did not pay you for a Coca-Cola yesterday when I had my car greased at your station—sorry I ran out on you.

Yours very truly,
GEORGE HYATT, Jr.
Columbia, S. C.

Rains Help Beans

Rains of the past several days have meant much to the farmers and truckers of Transylvania county.

Potatoes in some sections have been damaged, in the opinion of the county agents, while beans have for the most part fared better.

Mrs. Stepp Engaged As Enon Principal

Mrs. Olga Goforth Stepp of Hendersonville has been elected as principal of Enon school, filling the place held by N. L. Ponder for the past several years. Mr. Ponder will be principal of the Little River school.

Mrs. Stepp is well known to the people of the Enon section, she having been principal there several years ago, before her marriage. A number of patrons of the Enon school signed a petition which was presented to the local committee requesting that Mrs. Stepp be given the place.

AVERY MOORE SHOT BROTHER AND WIFE

Family Affair Puts Three In Hospital and One in County Jail

Mr. and Mrs. Ollis Moore of Gastonia are in Lyday Memorial hospital here, suffering from gunshot wounds, while Avery Moore of the Cherryfield section, and a brother of Ollis Moore, is being held in the county jail pending outcome of injuries of the wounded people.

The shooting is said to have grown out of a drinking party that was held at the home of Manning Moore near Cherryfield on the fourth of July. Moore and his wife were brought to the hospital late Thursday night and for some time their condition was considered serious. Guyma Stover, four year old daughter of Mr. and Mrs. Clifford Stover, also received slight injuries at the time but was discharged from the hospital after receiving treatment.

Avery Moore, his father, Manning Moore, and Clifford Stover, brother-in-law of Avery, were all locked in the county jail Thursday night by Sheriff Tom Wood. The elder Moore was released the next day, while Stover was released on \$500 bond.

First story told to Sheriff Wood by participants in the affair was to the effect that the shooting was accidental. Avery Moore, so the story told the sheriff went, took a gun from the Manning Moore home and went into the yard about seven or eight o'clock, and that the gun went off, accidentally wounding Mr. and Mrs. Ollis Moore and the small Stover child.

However this story was related the next day by Stover and his wife and Mrs. Ollis Moore, they later telling the sheriff that the shooting was not accidental, and blaming Avery Moore with maliciously firing the shot of BB. buckshot that tore a deep hole in Ollis Moore's right leg, and put 20 shot in the body of his wife.

According to information obtained by the sheriff, Avery and Ollis Moore were having an altercation, and Avery secured a shotgun and went into the back yard, breaking away from Ollis who was trying to take the gun away from his brother. Stover is said to have intervened, and as he attempted to take the gun from his brother-in-law, the latter shot at Ollis, the load taking effect not only in Ollis, but striking his wife and the Stover child also.

There was evidence, also, Sheriff Wood stated, that Avery Moore and Stover had been fighting, bruises being very noticeable on both their faces. The wounded parties were given first aid at the Moore home by Dr. C. L. Newland and later removed to the hospital here for treatment.

Hearing in the matter has not been set.

Cherryfield Farmer Buried On Saturday

Luther A. Dale, well known farmer of the Cherryfield section, died last Friday night after a brief illness. He was 63 years of age.

Funeral services were held Saturday afternoon from Mt. Moriah Calvert Baptist church, with the Rev. J. E. Burt, the Rev. Fulton Childress and the Rev. Paul Hartsell in charge. Interment was made in the cemetery nearby.

Pallbearers were all neighbors and friends of the deceased—E. Carl Allison, R. L. Hogsed, Frank McCall, Homer Israel, J. V. Gillespie, F. Paxton, R. F. Whitmore, Leo Winchester, Clemons Garren. Flowers were carried by Misses Mamie Hayes, Ruth Jordan, Martaree Galloway, Helen Galloway, Geneva and Annie Mae Paxton, Mrs. James L. Hunter and Mrs. W. W. McNeely. Moore's funeral home had charge of arrangements.

Surviving are the widow, who was before her marriage Miss Mary Ann McNeely, four daughters and two sons: Mrs. Mary Keith of Greenville, Mrs. Lewis Clarke of Morganton, Mrs. Edd Roper of Dacusville, Miss Clara Dale of Brevard, Charles Dale of Greenville, John Dale of Brevard. Four sisters and three brothers also survive.

Presbyterian Team On Top Soft Ball League

The Presbyterians dominate the soft ball league with a perfect record and other teams are out to "get" the leaders.

Much interest is being shown and the brand of ball played as well as attendance at the games is getting better with each game.

Won and lost record up to Wednesday gives the Presbyterians four wins and no losses; the Episcopalians have two wins and three losses; the Baptists one win and two losses and the Methodists have won one out of four.

Several batters are above the 500 mark. Tilson, of the Baptist club, leads the pack with 830. Following are M. Crowell, 777; H. Misener, 750; T. Hampton, 690; R. Crowell, 600; Duvall, 555; R. Misener, 523; and Frady, 500. The games are played on the college diamond at 6:45 on Mondays, Tuesdays, Thursdays, and Fridays. There is no admission charge and the public is invited.
