VOL. 40. NO. 47

BREVARD, NORTH CAROLINA-THURSDAY, NOVEMBER 21, 1935

\$1.00 PER YEAR IN TRANSYLVANIA COUNTY

## PUBLIC WARNED TO STAY OFF BREVARD WATERSHED LANDS

Minimum Fine Of \$50 When Caught Trespassing-11 Men Before Mayor

To trespass on the Town of Brevard watershed is a rather serious offense, and is punishable by the minimum fine of \$50 and costs. This was pointed out by Mayor Harris at was pointed out by Mayor Harris at the weekly session of mayor's court Monday night when five local men are before him for trespassing. were before him for trespassing.

project to Brevard and crossed the matter, and said that none of the many had five arms and that there is a businessed the men had five and said that none of the many had five arms and that there is a businessed the opinion that the men were telling the truth in the matter, and said that none of the men had five arms and that there is a businessed the opinion that the matter and said that none of the matter, and said that none of the men had five arms and that there did the matter and said that none of the men had five arms and that there did the men had five arms and that there did the men had five arms and that there did the men had five arms and that there did the men had five arms and that there did the men had five arms and that there did the men had five arms and that there did the men had five arms and that there did the men had five arms and that there did the men had five arms and the five arms are five arms are five arms and the five arms are five arms a men had firearms and that they did net leave the trail at any time.

Mayor Harris imposed the minimum fine of \$50, and costs in the case amounting to \$3.25 each. He case amounting to \$3.25 each. He said law as passed through ellows spended the fine, stating that he suspended the fine, stating that he was convinced the men had no intention of violating the law, but pointed out the fact that trespassing in any cut the fact that trespassing in any with permit.

The game law as passed through ellows spinish that the first are by far the best.

-Sixth Grade Winners Of \$2.50 Prizes

Completion of the two weeks' mem-bership drive of the Parent-Teacher association, from November 4-15, re-

sulted in a total of 112 new paid-up members being enrolled in the or-

ganization, according to an announ-

cement of the P. T. A. president, Mrs. Walter Banks. The drive was

conducted under the capable leader-ship of Mrs. George Simpson, chair-

man of the membership committee.

Last year there were 385 hunters nual Pisgah Forest number of killing doe ber each killing one deer. The averto the advisability of killing doe ber each killing one deer. The average number of bucks ran better than age number of bucks ran better than two-to-one does, in the number checked out last year, according to

> Purpose of the hunt, the forestry division sets out, is to thin out the over-production of deer in the forest. and the chief reason for allowing hunters to take out either doe .1 buck is that many of the people who come here for the annual hunts are inexperienced sportsmen, and very often kill doe thinking it is a buck

Eleven men faced his honor Monday night—three for public drunkenness, rour for fighting, one for violation of city license ordinance, and five for trespassing on the watershed.

The adaptives for the hunt will be number of hunters at least one-third this year. Heretofore there has been an agreement between the state and while this station is located ten miles from Brevard, it is expected doe when they have been taken from the national forest and been the of the national forest and been the national forest and the natio

## Times To Be Published Day Earlier Next Week

Due to the fact that there will be no rural delivery of in the county next Thursday (Thanksgiving Day) The Times will be printed Tuesday and circulated through the mails Wednesday.

All correspondents are requested to get their news items in not later than Monday afternoon, and advertisers are also requested to prepare their copy not later than Monday noon. The Times office will be closed Thursday, the force planning to attend the football game here Thursday afternoon be-tween Brevard College and Mars Hill.

# FOOTBALL GAME BREVARD-H'VILLE

Last High School Event Will Be Played On College Field At 3:30

All business houses in Brevard will be closed from three-thirty to five-thirty to boost for a win for the Brevard high school club.

"Beat Hendersonville!" Brevard high school's real foot bail game of the season will be played on the college field Friday efternoon at 3:30 o'clock when the fast steppers from Hendersonville will furnish opposition for last game of the season.

All business houses are expected to close for the game-and all football fans who like to see two good high school teams in action, and especially those who are Bre-vard boosters, will be on hand to cheer the Tilson men.

Arrangements are being made to care for the large crowd that is expected to be on hand, with specpolicemen being added to handle the big attendance, and to see to it that those who see the game make their contribution of 15 & 10

Only one game has been list this year by the Tilson squad, and that was to Farm School on a "fluke" touchdown that was allowed to count rather than have the visitors leave the field in a grouch.
