

KELLY AGAIN HEADS LOCAL BANK GROUP

Report Shows Considerable Gain Made In Deposits During Past Year

H. B. Kelly was re-elected president of the Transylvania Trust company at the annual stockholders' meeting here Tuesday afternoon.

A. W. Whitehurst was re-elected vice-president, and C. W. Pickelsimer director of the bank, was also elected to the vice presidency. W. L. Mull was elected to the board of directors.

Other members of the board of directors include, aside from the above mentioned officers: Lewis P. Hamlin, Jos. S. Silverstein, C. R. McNeely, F. D. Clement, Judson McCrary, A. H. Houston.

Ralph J. Duckworth was re-elected cashier of the institution with Miss Launa Clayton re-elected to the post of assistant cashier. Hugh Hollifield is bookkeeper.

Report of the bank as made to the stockholders showed that a very successful year's business had been enjoyed, and that deposits had increased in the neighborhood of \$65,000 during the 12-month period. The local bank is depository for the town, county, state and U. S. Postal savings funds.

County Veterans Are Pleased Over Status Of Soldier Bonus Bill

Veterans of the World War here are elated over the seemingly assured fact that payment of the soldier bonus bill will be passed through congress during this week, and which will call for payment of the adjusted service compensation certificates in full.

The bonus bill, calling for payment of full 1915 maturity value in \$50 bonds, was moved to within a step of the White House Monday night as the senate passed it along to a receptive house by a top-heavy vote of 74 to 16.

The nearly five to one majority rolled up for the Democratic-Republican two billion dollar proposal was easily more than enough to pass it over a veto. The house already has approved immediate payment by an even greater majority—356 to 59—but without specifying the payment method. Some observers predicted a veto, but even Democratic leaders said it would be overridden.

Highlights of the bonus measure as passed by the senate Monday, are as follows:

Bonds would be issued in \$50 denominations to pay in full next June the 1915 maturity value of the 20-year bonus certificates issued in 1925. Cash would be paid for odd amounts.

Bonds would be for full value, minus loans against certificates and unpaid interest accrued before Oct. 1, 1931. Interest after that is cancelled.

Veterans may cash at any local post-office all or part of his bonds, but if they do so the first year they receive interest. If they hold the bonds to maturity they receive 3 per cent simple interest annually.

Veterans who haven't applied for the bonus may continue to do so.

Ultimate estimated cost, \$2,491,000,000, composed of an appropriation authorization of \$2,237,000,000 and \$254,000,000 in convertible bonds in the adjusted service certificate fund.

Transylvania county veterans stand to receive over a hundred thousand dollars, it has been announced by the state headquarters of the American Legion.

Two Kinds Of Dollars

Look at the dollar bill in your pocket—if you have one there. Half of the bills in circulation today contain the information: "There has been deposited in the Treasury of United States One Silver Dollar," while the other half proclaim: "There is on deposit in the Treasury," etc. Wonder how come?—The State.

Baptist Young Folk To Meet Next Sunday

The upper district B. T. U. of the Baptist church will meet Sunday afternoon at 2:30 o'clock at the Mt. Moriah Calvert church. The public is invited to attend.

The following program will be given: song, congregation; devotional, Oak Grove Union; business, talk, "His Church the Messenger of Goodwill to All Races," Rosman union; special music, Calvert union; talk, Randall Lyday; playlet, "Two Dollars," Cherryfield union.

New School Bus Will Serve Rosman Routes

A new International school bus, completely equipped for transporting forty pupils will be received for use in the upper school district within a few days, according to advices received here Tuesday by County Superintendent J. B. Jones from the state school commission.

The new bus will replace an old one that is now being used on the Rosman-East Fork and Rosman-Hannah Ford runs, and is a very badly needed improvement in the school transportation system.

The December grand jury in its report to Judge W. F. Harding made strong recommendation for increased safety in transportation of school children of the county, and urged that one or more of the school buses be discontinued.

TVA Examinations Be Held In Transylvania

Henderson and Buncombe county organizations are "going to bat" because the two counties were left off the list of eligibles in the matter of drawing labor for the Hiwassee and other TVA dams which are to be constructed within the near future.

Notice was carried in The Transylvania Times two weeks ago to the effect that examination would be held in Brevard and that application forms for examination could be obtained at the Brevard post office.

Those anticipating taking the examination for positions with the TVA construction crews must have their application blanks in the mail not later than January 25, the coming Saturday.

LITTLE THEATRE MEET WILL ANNOUNCE CAST

Try-outs were held on Monday evening for Hilliard Booth's play, "The Red Lamp." The play is to be given in February and is to be directed by Prof. E. A. Carlisle. The cast will be announced next Monday night at the regular Theatre Meeting.

At the meeting of the Little Theatre to be held on Monday evening, January 27, at 8 o'clock, the discussion of make-up will be continued and a chance will be given to all members to take active part in the make-up lesson.

Lincoln Day Dinner Planned By G. O. P.

Plans are in the making here for staging a Lincoln Day dinner by Republicans of the county, the event to take place on the evening of February 12th, in Brevard.

Lincoln Day will be observed throughout the nation by leading Republicans, this to be the starting point of the campaign for the election to be held this fall.

CHICKEN FIGHTS NOT 'BAD' SAY FANCIERS

Game Roosters Derive Great Pleasure From Goring Opponent's Heart

Chicken fighting isn't such a bad thing as some people believe, at least that is what some of the fellows around Brevard who indulge in the sport aver.

It's like this, say the informants who pass out information to The Times—Game chickens are bred for the one purpose, fighting, and to a game chicken there is nothing in the world here or the one to come (provided there is a heaver for chickens) to take the place of a nice, scrappy, bloody, spurring, raffing, flogging, crowing scrap.

Like a young child takes to ice cream cones, the chicken fanciers say, so does a game rooster crave fighting, and there is nothing that will give the pleasure to a game rooster that jabbing a steel gaff into an opponent does.

After all, chicken fighters say, there is no more pain to letting a rooster jab a steel into another chicken than there is to shooting a dove, crippling it, and letting it get away to die, or to hooking a fish which gets away. Fact is, so the chicken fighters say, the fight is soon over after one rooster jabs a vital spot.

Best information is that there are big fights and little fights staged every once in a while in the Brevard neighborhood. Place, time, and hour, however, known to just "the fellows."

COLLEGE PROGRAM VERY CREDITABLE

Two New Buildings Included In Plans For Year By President Coltrane

A creditable 14-point program has been adopted by Brevard College for 1936-37, and a printed bulletin of the aims and ideals sent to various sections. The program sets forth—

1. An enrollment of four hundred good students.
2. A summer quarter of equal rank with other quarters.
3. Lay the foundation for full accreditation by the Southern Association in 1937.
4. A new library building and one thousand new books.
5. A new gymnasium and athletic field.
6. A modest infirmary.
7. Endowment increased to \$100,000.
8. Adequate provision for teaching modern science.
9. Participation of all students in wholesome social and religious activities.
10. Further development of the principle of self-help in the College.
11. A balanced budget and operation without a deficit.
12. Promote the development of the institution as a Christian college.
13. Train students for active participation in the activities of the local church.
14. A guidance program which will aid students in finding locations in other colleges or in suitable occupations.

CCC Boys At P-66 Well Behaved Group

Just about one of the most well-behaved large groups to be found in any section is that at CCC-66, North Brevard.

Invited out to lunch there last Saturday, The Times editor and Carl McCrary, manager of McCrary Auto Service, were forcibly struck with the excellent behavior that was evidenced in the large dining hall where 175 or more enrollees and twenty or more officers and leaders were dining.

Of course the young fellows were talking, and naturally the conversation was of a varied sort, but nowhere in the large hall were there any boisterous "carry-ins-in," and no untimely guffaw or laughter. Click of knife and fork against well filled plates, interspersed with genial conversation, gave the place an air of a city hotel dining room, minus of course the music.

The boys had music with their meal on Friday evening, when the Brevard College Orchestra had dinner with the 66-boys, and then gave a musical program.

With very cordial invitations from Lieutenant Nesbit and his official personnel, The Times will be represented "just about meal time" more often in the future at 66.

HOT HARLEM REVUE PAYS BREVARD VISIT

Residents of Brevard were somewhat awed Tuesday when they saw a huge crowd pass through labeled "Hot Harlem Revue," and there was considerable difference of opinion as to just what constitutes a "hot Harlem revue."

Later it was discovered that the car was a carry-all for some sort of a floor show that made its way toward the colored section of Brevard.

Mrs. Hamlin Head Of Recreational Groups

A new project under the WPA setup now underway in Brevard and Transylvania county is that of the recreational and leisure time activities, of which Mrs. J. R. Hamlin is director.

This recently organized federal project is broad in scope, in that it is not planned for any particular group but is designed to take care of the entire community in its social, recreational and moral program of operation. The program of work is allied with art, music, writing, drama, recreation, and vocational activities, and is coordinated with the National Youth Administration program. The work of the project is concerned with building up the community along the above mentioned lines, with providing for the youth of the community in supervised play and leisure time activities, and with building up the morale of the citizens and creating civic pride.

The personnel will be selected from the certified roll and from the NYA groups. As the project develops in its local operation, it is expected that nine workers from the certified roll and possibly 20 from the NYA groups will be given employment in the community.

Mrs. Hamlin has just returned from Raleigh where she attended an institute, at which were present county directors, educational leaders and recreational directors of the state. The institute was presided over by Dr. Harold D. Myer, of Chapel Hill, regional coordinator of recreational and leisure time activities. Demonstrations and lectures were given on organized leadership and working problems were discussed and reviewed.

The local project has been given full cooperation of County Superintendent J. B. Jones and the board of education, principals and teachers of the schools and many influential individuals. Mrs. Hamlin, in behalf of the movement, is asking the cooperation of all interested citizens in making a success of this supervised work for the development of the youth in the community.

What Brevard Needs—Hasn't Got

FRANKLIN, just up the road away, has the above shown federal building for a postoffice, while Brevard worries along with just "a postoffice"—located on a back street (one-way at that). We're not jealous of Franklin, seems like we ought to rejoice with Blackburn Johnson, genial editor of The Press, and his fellow workers who have been able to "go after and get" the kind of a federal postoffice building Brevard ought to have.

ROSMAN WINS TWICE FROM BREVARD SCHOOL

Rosman, Jan. 22.—Both Rosman basketball teams won over their Brevard opponents in an interesting game here Tuesday night, the girls winning 29-17 and the boys winning 27-15.

Basketball, the principal sport at the Rosman school, is gaining in popularity, and both teams, as well as substitute material looks very good.

NEWLAND INSTALLED AS HEAD OF KIWANIS

Dr. C. L. Newland was installed as president of the Brevard Kiwanis club at the meeting held last Thursday, and the Rev. Paul Hartsell was given the official sceptre as vice president.

Senator Ralph H. Ramsey had charge of the installation, and stressed the need of co-operating with the new officers for doing the most good for the community.

TINSLEY BARBER SHOP OPERATES NEWS STAND

Announcement is being made by Lolla Tinsley, manager of Tinsley's Barber shop, of the opening of a news stand and confectionery store at his place of business on West Main Street near the Transylvania Trust company.

Mr. Tinsley is handling a varied line of newspapers, magazines, and other reading material, soft drinks, cigarettes, candies, etc.

NYA Work To Employ County Young People

Part-time work for 20 boys and 26 girls will be provided through the National Youth Administration for young people of this county who are not in school, and who are members of needy families.

Among the work projects to be undertaken by the young people are writing a history of each of the churches of the county, entailing considerable research work; agricultural survey, to be used by the county agents and agriculture teachers in planning their programs of work; librarians for the traveling or circulating libraries that are to be set up immediately in the different schools of the county; school playground improvement; beautification of school grounds, with use of native shrubbery being emphasized; assisting teachers and principals of schools.

The work is correlated with the WPA and is under the supervision of the school authorities. Wages and hours will be one-third of the regular WPA schedule.

BIBLE CLASS MEETS FRIDAY AFTERNOONS

An inter-denominational Bible class has been organized with Mrs. Frank Rymer as teacher. The class meets every Friday afternoon at 5 o'clock at Mrs. Rymer's home in North Brevard, and the Sunday school lesson for the following Sunday is taught in an authoritative manner by Mrs. Rymer. All Sunday school teachers of any denomination and interested Bible students are invited to attend these classes Friday afternoons.

RUDYARD KIPLING

London, Jan. 22.—Rudyard Kipling, famed British writer of tales and poems of India, died suddenly at 12:10 a. m. Saturday in Middlesex hospital, less than five days after he had undergone an operation for a perforated stomach ulcer.

Heavy Storms Wreck Property In South

Transylvania residents who felt buildings quiver from heavy winds last Sunday morning may consider themselves extremely lucky, in that the toll of death in less favored sections of the south, where seventeen people lost their lives.

Hundreds of thousands of dollars in property damage was reported in the western Carolinas, and especially in the western sections. Four persons were killed in Alabama, with thirteen reported dead in the Georgia-Alabama-Georgia state line sections, with scores of people injured.

CARR LUMBER BUYS BIG TIMBER TRACT

All Logs Will Be Shipped To Plant At Pisgah Forest For Manufacture

Announcement has been made by W. W. Croushorn, manager of the Carr Lumber company, that his firm has purchased 2,900 acres of timber land in adjoining counties, and that the timber will be shipped to the local plant for manufacture.

Over five million feet of finished lumber will be taken from the three boundaries that were purchased, Mr. Croushorn stated, and will be the means of providing considerable employment for people of this section.

About ninety people are on the payroll of the Carr Lumber company at Pisgah Forest, aside from the logging crews that are working on contract basis. A boundary of timber near Hazelwood is now being cut and shipped to the Pisgah Forest plant.

The three boundaries purchased by the Carr Lumber company are located near White Oak in Haywood county, 600 acres near Candler in Buncombe county, and 500 acres in the Leicester section of Buncombe county.

Cutting of the timber in the woods will be let to contractors, Mr. Croushorn said, and shipped from Waynesville, Candler, and Craggy stations.

KIMZEY AND KING OPEN BROAD STREET STATION

John Kimzey and Mitchell King announce the opening of the Broadway Service Station in this week's issue of The Times. The business is located on Broad street, opposite the Brevard Grammar school.

Mr. Kimzey, who has just returned from a two months' trip through western states, says that he likes Brevard well enough after looking most of the country over, to invest his money in two service stations, the one at King's Creek and the Broad street location.

Long Forces Win

New Orleans, Jan. 22.—Governor O. K. Allen late Tuesday night claimed a "stupendous victory" for the late Huey P. Long's candidates in Louisiana's democratic primary and called it a "positive disapproval of the Roosevelt New Deal and its alphabetical slush fund."

AT LYDAY MEMORIAL

Patients reported on Wednesday to be at Lyday Memorial hospital were: Little Crate McCall, Jr., Mrs. Walter Sherrill, Zack Williams, Alice Scott, Larry Galloway, Elree Mull, Margaret George and Everett Smith.

Supreme Court Lily Grown By L. Brooks

Tax Collector Lem Brooks knows there was something very extraordinary about the decision of the Supreme Court, which ruled against the AAA, and while Mr. Brooks says that it did not affect a lot of other things, it did affect a lily which he has growing in the window of his office.

Day following the memorable decision when the highest court in the land ruled against the Agricultural Adjustment Administration, three flowers bloomed forth on one stem of the lily belonging to Mr. Brooks. Heretofore there have been only two blooms to the stem.

Brevard Banking Company Assets Sold At Auction Tuesday To Harley Lyday

All remaining assets of the closed Brevard Banking company were sold at public auction on Tuesday for \$5,600 bid in by Harley Lyday, of Davidson River, and associates.

With cash funds already on hand, Liquidating Agent Pat Kimzey is of the opinion that the depositors will receive in the neighborhood of twenty per cent more dividends, with positive assurance of at least 15 or 19 per cent.

Twenty per cent cash has already been paid to the remaining depositors of the bank which closed its doors in November, 1930, following the general epidemic of closing banks in Western North Carolina, and possibility of paying additional funds to the depositors to amount to within the neighborhood of forty cents on the dollar is considered to have been through the very good work done by Mr. Kimzey as liquidating agent.

Sale of the assets was continued through Monday from eleven o'clock to six in the afternoon and starting at eleven Tuesday morning, was closed shortly after noon, with bidding on the assets taking many quirks and turns. Mr. Kimzey frankly stated at the outset that he was going to cry the sale in such manner or manners as would bring the most money for the depositors, and those in attendance at the two-day event all agree that Mr. Kimzey secured all that the various items would bring, plus.

Mr. Kimzey has not stated just how the remaining dividend to depositors would be paid, whether in two payments or a single larger payment following termination of all work in connection with closing of the bank. He expects to confer with State Commissioner of Banks Gurney P. Hood at once in regard to this phase of the work.

Final closing out of the assets will probably take 60 to ninety more days, the agent stated Tuesday, considerable time being necessary to draw all court orders in connection with confirmation of the sale, getting an audit of the bank, and other incidental work.

Mr. Lyday made no statement Tuesday as to how he would proceed in handling the paper he secured at the sale, but it is understood that he will have several other local people interested with him in the deal, and that plans for the private liquidation will be made and announced within a few days.

Business men of the community who were approached in the matter, seemed well pleased with the sale in its entirety, and were especially elated over the fact that that block of remaining assets had gone to local people instead of outside interests.

Circulating Library Will Be Placed In All Transylvania County Schools

Circulating libraries for all the schools of the county will be in operation here by the first of the month, according to statement made by Professor J. B. Jones.

Libraries will be established at each of the county schools, Mr. Jones said, with provision being made to transfer books from one school to another at given periods, thus providing new reading material for each of the schools over a long period.

One thousand volumes have been secured by Mr. Jones from the State Library commission, and these books will probably be supplemented within a year. The list of books contains a wide variety of material, for both ele-

mentary and grade pupils, with many of them suitable for adults.

Paid librarians will be in charge of the books, their salaries to be paid from National Youth Administration funds which are available for young people of the county. A school-bus that will be taken off the regular run the last of this month will be utilized for transporting the books from one school to another.

Following close of the school terms, teachers and NYA librarians will continue to have charge of the books, under the plan being worked out by Mr. Jones, and will provide reading material for each community throughout the year.
