A brass plaque was presented the least of the cost of the tonsil operation.

Two colored schools have also been in operation, with Agnes Hunt in time ago in honor of Profesor J. E. ing to take care of actua charge of the units at Rrevard, Rocky Ockerman, and will be a permanent room and hospital expense.

Highway Map Shows

The Times is in receipt of a new road man issued by the State High-way and Public Works commission. which surpasses anything of its kind published in North Carolina.

The new map, printed in six colors, shows the principal highways of the state, together with points of interest, and in addition shows the routing of the Blue Ridge Parkway, Looking Glass and Mount Pisgah are two nearby spots of interest, together with the French Broad river, on the outline map, showing the skyline routing of the Blue Ridge Parkway.

In addition to the sketching of highways, things of interest to the distant motorist are also carried. The map which was presented by District High-way Engineer Ernest Webb may be see in The Times office.

Road Work To Start Within Next 10 Days

Surfacing crews are expected to start work on the Hendersonville highway within ten days, according to information received here this week.

The road has been under repair and construction for sometime, and fear was expressed in Brevard that the extreme Friday night. June 19, and the auction dusty condition of the road would local post office.

When completed, the road will be of the postmaster or designated em-

ALL PEOPLE ASKED TO SUPPORT EVENT

All citizens of the community are asked to join in the movement to make June 10, a real Brevard Booster Day, and to aid in establishing the annual graduation day as a home-coming event.

The Women's Civic club is taking lead in securing cooperation of the peo-ple of the entire county, and make the specific request that all plan to atend, and to bring a basket lunch which will be spread on the outdoor tables at the noon hour.

The ladies of the Civic Club point out that by attending the graduation day event, people here will not only be aiding the college in making the greatest possible show of community interest, but that the day will also serve as a get-together for people of this

NEGRO FACES DEATH FOR ENTERING HOME

Home Coming Day at Brevard Ed Mackey Captured In HolCollege Needs Help of
Local Citizens Ed Mackey Captured In Holliday Residence Early
Tuesday Morning

Penalty of death faces Ed Mackey, 23-year-old Brevard negro, who was placed in jail early Tuesday morning

charged with first degree burglary.

The negro was captured in the home of Mr. and Mrs. M. H. Holliday on Probart street, and all evidence points toward the negro having entered the house in a manner that carries with conviction, a sentence of death. Awakened early Tuesday morning.

Mr. Holliday said he at first thought one of his sons was waiking about the house in a manner that would not dis-turb rest of the family. Turning on a light to see what the trouble was he discovered the negro. Mr. Holliday secured a gun and held

the man at bay while the sheriff was sent for, who brought the man to jail. Check up revealed that the negro had left his shoes and hat outside the Holliday home, and had removed his coat

Sheriff Wood said that the man had been drinking, but that he was not drunk when he was brought to jail. Preliminary hearing was set for Wed-

Will Erect Large Sign At Crossroad In South Carolina

A movement is in progress in Bre-vard to erect a large electrified sign at Travelers Rest, S. C., with the idea in view of directing traffic via Brevard dvertising this section, Caesar's Head, Pisgah National Forest and the Smoky Mountains National Park.

Business firms and individuals of the town are sponsoring the movement by contributing \$2 each toward the early erection of the sign. It will be installed at a gas station at the forks of the road, and among other attractions will include an electric time clock. Any exess money contributed will be used toward upkeep of the sign and paying the electirc bill. The business people of Bre-vard are said to be enthusiastic over the idea and the wonderful possibilities it will mean for this section.

The following firms and individual, are contributing toward the sign rund Carl McCrary, Duckworth Motor Co. DR. HIGHSMITH WILL **MAKE ADDRESS HERE**

Baccalaureate Sermon Sunday, June 7, By Dr. Claude Moser of Gastonia

An address by Dr. J. Henry High-smith, awarding of diplomas to 100 or more graduates, a plunic dinner at the noon hour, and other interesting fea-tures will combine to make "Brevard College Day" an event of outstanding merit here on June 10th.

The program will begin at 19:30 o'clock, Wednesday morning, June 19, with graduation exercises, and end at three o'clock.

The Rev. Dr. Claude M. Moser pre-siding elder of the Gastonia district of the Methodist church, will deliver the baccalaureate sermon on Sunday morning, June 7th.

Effort is being made by the college and interested people of the community to make the day a gala affair, and it is conservatively estimated that from two to three thousand visitors will be here for the day. Invitations have been sent out to ministers, high school principals, alumni of Brevard Institute, Waver College, and Brevard College, to attend the Brevard Day, and to bring nasket lunches which will be spread on arge tables at the college at the noon

Following is a list of the students vho will graduate on June 10th; David Ashworth, Walter Ashworth, James Deavor, Carolina Gray, Cather-

Townsend Candidate Speaks Twice Here

W. Bruce Fisher, candidate for the United States congress in this district and leader of the Townsend Old Age Pension Plan, spoke at Breverd and Rosman Saturday right and Sunday While a candidate for congress against Zebulon V. Wegver on the Democratic licket, Mr. Fisher laid more stress on the importance of an adequate old age pension plan, and pointed out that the plan would do double duty-that of providing for the needs of the aged in the land and also being a major step in restoring presperity to

the country as a whole.

Opponents of the Townsend plan he said, have misquoted it on the amount of money to be paid to old people each month. The plan, he said does not call for the payment of \$200 per month to all people over 60 years of age. It provides rather for a two per cent tax on equally among all the old people registered for the ponsion. It may be that there will be only \$50 or \$75 per month to be distributed at first.

He declared that the Townsend plan would immediately remove about 4.000,-000 old people from jobs that it was es-timated that all in all the plan would make jobs for about 12.000,000 of the

by the old people would be a tremendous aid to business of the nation.

In addition to favoring the Townsend plan, he declared that he was favorable to the veterans and their organizations of consulted labor. tions, that he was for organized laborand the farmers,

The matter is entirely in the hands of the people Mr. Fisher said. The Townsend plan now has better than 66 congression favorable, and the plan will be put into effect as soon as sufficient congressmon are elected who are

June 20th Closes Work Sheets Date

(By J. A. Glazener, County Agent)
County Agent Glazener and Maness
returned late Wednesday afternoon from the district county agents' meeting at Lake Lure. At this meeting the new farm program was very theroughly discussed by specialists from Raleigh and Washington. Dean Schaub ruled that June 20 be set as the closing date for filing work sheets in the field. He ilse emphasized the importance of all farmers in the county signing the work sheets who could at all qualify stating that if a farmer failed to sign a work sheet he would not be entitled to file an application for payment this fall. He further stressed the importance of trying to get as many farmers to participate in the program as posible as it is a program to improve and enrich their soils to the point that more can be made on fewer acres, and in the meantime, increase the acres of soil conserving crops such as pastures, hay rops and other leaumes for soil build-

ing and soil conserving. County Agent Glazener states that some one will be in the office all the time to assist in filling out work sheets and that he is very anxious that the farmers drop in and fill out the work sheets which does not farmer to anything at all, but qualifies him for making application this fall for payments which he may have won.

Alexander Donates Coyote To Asheville

Clerk of Court Otto Alexander has presented a coyote to the zoo at Ashe-ville Recreation park, and the maraud-ing animal is now among the group of wild life to be seen at the Asheville

The ccyote was captured on the Pickelsimer Ranch, near Douglas, Wyoming, and brought home by Mr. Alexander. It was kept at the Mt. Toxaway Lodge by Dan Reid last winter, and carried to Asheville last week. The park officials were very glad to have the animal, as one they had there for several years had recently died.
