

BREVARD BOOKLETS TO BE HERE FRIDAY

Bureau Of Information Committees Will Provide Entertainment

New Brevard booklets will be received the last of this week by the Bureau of Information which is having a new type folder lithographed for circulation among travel agencies and resort centers.

Scenes in Transylvania county, informative about scenic points, accommodations and other interesting data, together with a number of pictures taken in this section.

Groups and organizations of the community are joining in providing entertainment for the summer visitors reports at the meeting of the Bureau of Information showed Monday night, and it is believed that with all groups cooperating, the summer people will be enticed to spend much more time here, and at the same time increase the number of summer folk here the following summer.

An entertainment committee was named with Miss Rowena Orr as chairman, this committee to act separately from, but in cooperation with the Bureau of Information.

Bridge, dancing, sports, hiking, swimming, games and other forms of recreation will be taken care of by the several sub-committees. Other members of the committee to assist Miss Orr include Coach Ernest Tilson, Miss Annie Shipman, George Beomfield, Harry Patton, Mrs. Eric Rawls, Mrs. Harry Sellers, Mrs. Ralph Fisher, J. Wesley Williams, Frank McIntosh, Fred Miller, Mrs. Frank McIntosh. These committees were selected to serve for the organizations which they represent, and will very probably ask others to assist them in their work.

Members of the Bureau of Information are held each Monday evening at the Gift Shop which has opened in the Brevard Building on Main street, where Mrs. McIntosh will have charge of the work for the civic organization serving the community.

Rainfall Tuesday In County Saved Crops

A general "drip growing" rain fell in most all sections of the county Tuesday afternoon, with the official weather bureau in Brevard recording 1.21 inches.

While the potato crop is in bad condition from the continued drought, it is felt that the rain which fell Tuesday, and the light showers in various sections of the county last week have materially aided all other crops.

SOFT BALL PLAY TO START THURSDAY

Teams From Four Churches Being Organized For Summer Schedule

Four soft ball teams are expected to take the field this week in the Brevard church league, with the Baptist and Methodist groups playing Thursday afternoon, and the Presbyterian and Episcopal teams playing Friday afternoon. The games will be played on the college field and will start at six o'clock.

Final details of the league have not been worked out, but the plan now in the making calls for two games each week by all teams, with Monday, Tuesday, Thursday and Friday afternoons scheduled.

Under the tentative plans adopted, a player must attend church or Sunday school at the church for which he plays to be eligible. Missing two Sundays in succession will eliminate a player until after he has again attended church or Sunday school.

A board of strategy, or commission will be composed of managers of the four teams with a fifth man to be selected by the managers in meeting. All regulations and rules will be enforced by this board and eligibility of players, and suspension of players for any misconduct unbecoming to a representative player of a church will also be officially done by the board.

The official soft ball rules will be used, and any team that fails to be on the field playing at 6:15 on scheduled dates will automatically forfeit the game. Forfeiture will also be charged when a winning team that does not turn in the score on the evening of the game to The Times office, under the tentative rules.

Each team will furnish a ball and bat (Continued on Back Page.)

Red Polled Cattle Sale Set For 20th of June In Brevard

E. R. Farnham, extension dairy specialist from Raleigh, will be here Monday to assist the county agents and interested farmers in planning for the Red Polled sale which is scheduled to be held in Brevard on Saturday, June 20th.

Mr. Farnham has been in Transylvania on a number of occasions during the past year, and is deeply interested in the problem of cattle raising in this county. He has investigated every angle of the cattle raising situation here and is thoroughly sold in the idea of introducing the Red Polled strain in Transylvania.

The sale will be held around noontime Saturday, June 20, place of sale to be decided after Mr. Farnham arrives. The cattle will be brought here on Friday preceding the sale. Six purebred bulls and two heifers are being selected from the Reynolds-Lybrook farm to be sold at auction here.

Possible Nominee

Former President HERBERT HOOVER, who is looked upon as a probable presidential nominee on the Republican ticket. While Mr. Hoover has said that he will not be a candidate, the Landon-Knox-Borah deadlock which is looked for in the Cleveland convention now in session may result in the former president being selected.

Red Cross Aquatic School Is Expecting Over Two Hundred

Better than 200 people will attend the National Aquatic School at Camp Carolina which opens Sunday morning, according to Ramon S. Eaton, director, who is making plans to accommodate 225.

The annual water pageant, which is one of the show affairs of the summer season each year, will probably be held on Saturday night, June 20, instead of the last day of the school as has been the custom heretofore. Mr. Eaton said Wednesday that he would not make definite announcement of the pageant date until after arrival of Harry Kenning and Jimmy McMillan, who are expected Thursday. Date will be announced in next week's Times.

Twenty commissioned officers from the fourth corps area of the United States Army will attend the Red Cross training school, Mr. Eaton said, the men being sent here from the eight states comprising the fourth corps area.

Stress is laid on the fact that provisions will be made to give any local people training at the institute, regardless of the number of visiting pupils.

Mrs. W. M. Hunt To Be Buried Thursday

ROSMAN, June 10.—Funeral services will be held Thursday morning at 10 o'clock for Mrs. W. M. Hunt who died Tuesday night at 9:40 o'clock in an Asheville hospital. The funeral services will be held at the Hunt residence, with interment to take place in Westview cemetery, Liberty, S. C.

Mrs. Hunt, who was 43 years old, was the wife of Principal W. M. Hunt, of the Rosman high school, and during the year she had spent here had many warm friends.

Mrs. Hunt was the former Miss Lena Kittrell Harwood, daughter of Mr. and Mrs. S. P. Harwood, of Robbinsville. She worked for six years in Charlotte and for two years in Asheville prior to her marriage. She was born June 23, 1893 in Graham county and attended the public schools of that county. She also was educated at Peace Institute, in Raleigh, at Western Carolina Teachers college, Cullowhee, and at Appalachian Teachers' college, Boone, where she received her B. S. degree in 1935. She was a member of the Baptist church.

Mrs. Hunt's first school teaching position was in Transylvania county several years ago, when she was a teacher in the Peace school. She was connected with the Rosman school last year as commercial teacher.

Surviving Mrs. Hunt are her husband; two daughters, Mera Lee and Catherine Irene Hunt; her parents; four sisters, Mrs. T. L. Funderburk of Matthews, N. C., Mrs. H. D. Powell of Washington, D. Shuford, Allison, Wilson, Galloway Nominated For Office In County Vote

John Kilpatrick Wins Coroner's Race; Eck Sims Takes Lead Over Jess A. Galloway In Count For Register of Deeds; Hoey, Bailey, and Weaver All Get First Place In Transylvania Democratic Primary.

George D. Shuford for sheriff, E. Carl Allison, Avery B. Galloway and John L. Wilson for commissioners, and John Kilpatrick for coroner, were nominated in the Democratic primary held in Transylvania county Saturday.

In the register of deeds race, Eck L. Sims was high with 1233 votes, trailed by Jess A. Galloway with 961, and Henry Gillespie with 335. Mr. Galloway made no statement for publication, but it is probable that he will call for a second primary.

There was no opposition to Lem Brooks for the nomination as tax collector for the second term, and Pat Kimzey had the field to himself in the representative race following withdrawal on May 30 of Cos Paxton. All votes were not tallied in these two counts, and the two men were officially declared nominees by the board of elections Tuesday afternoon.

Congressman Zeb Weaver was nominated to succeed himself over W. Bruce Fisher, old ace pension candidate. However, some precincts in Transylvania gave Fisher a big majority in Saturday's voting, Congressman Weaver polled a better than three to one majority.

Clyde R. Hoey was high in the four-cornered governor's race with a count of 4,481 over Ralph W. McDonald, his closest opponent. It is very probable that a second primary will be called by McDonald, to be held on July 4th. Unofficial vote count in the governor's race as announced Wednesday was: Hoey, 193,935; McDonald, 189,451; Sandy Graham, 126,650; John McKae, 6,837.

Sonator Josiah Bailey was leading the field of candidates in his races for re-nomination by a safe majority when all reports were turned in Wednesday from over the state.

LEGION MEETING TO EXPLAIN PAYMENTS

Veterans Will Be Paid With Checks Issued Through Central Office

All ex-service men of the county are invited to attend the American Legion meeting at the county agent's office on Thursday evening of this week, June 11, at eight o'clock.

Special business to be taken up will be the matter of handling the bonus bonds which are expected to start coming to Transylvania veterans during the coming week.

Instructions have been received by Dr. Carl Hardin, adjutant of the Brevard Legion post, and he is especially anxious that all ex-service men, whether they be Legion members or not, attend the meeting Thursday night.

Wilson Braswell Is Heart Attack Victim

Closing exercises at Brevard College were marred by the sudden death last Saturday shortly after noon of Wilson Braswell, one of the popular Freshmen of the college.

Young Braswell died of a heart attack while going to his room in Taylor Hall. Death was instantaneous, according to Dr. H. J. Bradley who examined the young man.

Braswell had just left the college dining hall a few minutes before, and while no one saw him when he fell. Charles Harrison of Polkville, and Sam Tweed of Candler, who roomed two doors down the hall from Braswell, heard a noise in the hall and upon investigation found Braswell dying.

Braswell was a son of Mr. and Mrs. J. F. Braswell of Stanfield, N. C., and was a brother of James R. Braswell who was a student at Brevard last year. He was a room mate of Charles Stansel, and was a leader in his studies.

Coroner C. S. Osborne investigated the death of Braswell and decided that no inquest was necessary. The body was moved to the Braswell home Sunday morning, after it was embalmed at the Osborne-Simpson Funeral Home, and funeral services were held Monday.
