

RIGHT-OF-WAY MEN STARTED 284 WORK TUESDAY MORNING

Contractor Plans To Have His Machinery Started On Project March 1

Workmen started Tuesday clearing right of way on the lower link of the Pisgah National Forest highway, with expectations of having shovels and other grading equipment placed about the first of March.

A. B. Burton is in charge of the work for Chandler Brothers of Virginia, Va., contractors on the five-mile stretch.

A small crew of workmen, numbering about twenty, was started Tuesday, with possibility that a few more men will be given work on the project within a few days. Labor is secured through the local re-employment office.

Mr. Burton said that he expected to have the job completed by October 1st of this year, and that traffic would be maintained on the road throughout the period of operation.

The upper end of the road, from Looking Glass bridge to the top of the mountain, has been under construction for the past two years with contract calling for completion of the surfacing by May of this year.

All survey work has been completed by engineers and plans call for a double-wing connection with the Boylston road, near the Memorial Arch. The new route will be between the arch and Davidson River, with the road following the north side of the river.

Walnut Seedlings May Be Secured Reasonable

With the assistance of R. H. Page, assistant extension forester, at our last 4-H club meeting, it was asked that as many club members as possible set out Black Walnut seedlings. The seedlings are available to club members at one cent apiece, and to farmers at \$10.00 per thousand.

A special privilege is being given about 20 interested club members this year, in that by setting out 25 of the seedlings a club member can be certified as carrying a project, and will not be required to keep a record book. Applications for seedlings may be made now at the county agent's office.

With both teams exhibiting a tight defense neither of the boys teams were able to gain much of a lead until the last period when the Brevard boys pulled up into a 20-14 lead and then went into a zone defense which the Bearcats were unable to penetrate during the last few minutes of the game. Teague led the Brevard scoring with 11 points while Sitton led the losers with 6 points.

The Brevard girls were at the mercy of their opponents as they had not had enough practice to put up any kind of a defense or offense.

J. SHADRACK GOES WILD, SLAPS TWO OFFICERS, WOMEN

Locks County Doctor In Jail and Tries To Run Over Sheriff Shuford

Jim Shadrack, went on a spree, a tear, or a plain "something" here Saturday night, frightened women, hit Deputy Sheriff Buck McCall, then Sheriff George Shuford, and in the meantime locked Dr. C. L. Newland, county physician, in jail.

He was given preliminary hearing before Justice of the Peace Fred Shuford Wednesday morning and bound over to Superior court on two counts of assault—complainants being Mrs. F. L. Mallory and Mrs. Rud Phillips.

Mrs. Mallory testified that the man frightened her at her home Saturday night, and that she fled to a neighbor. Mrs. Phillips said that Shadrack came into her home, accompanied by his mother, cursed and abused her, and then struck her with his fist.

Sheriff George Shuford was called to the Phillips home on French Broad avenue, and the "little bully" who is not more than five feet in height, put up such a scrap that the sheriff had to use pretty severe tactics to subdue him.

Later, while in his cell at the county jail, Shadrack was being attended to by Dr. Newland and Deputy Buck McCall. After a head wound had been treated by Doctor Newland, the fighting, scrapping, miniature "bad man" took a quick punch at Deputy McCall, made a dive for the cell door and down the stairs. Slamming the door behind him, he took a quick look at the front door of the jail, taking a bunch of large cell keys off their hook as he went.

However, the front door key is not kept on the cell-block ring, and while Shadrack was trying to make his escape, Mrs. McCall telephoned Sheriff Shuford, who went to the jail.

As the sheriff opened the front door, Shadrack struck him in the face with the huge bunch of keys, and tried to make his escape good. But the sheriff managed to ward off the blow, and took the "little bad man" back to his cell.

In court Wednesday, Shadrack plead guilty to the two assault charges, made by the two women, and warrants had not been sworn out by Deputy McCall or Sheriff Shuford. He did not go on the stand, and inferred from his statements in court that he did not know what was going on during the Saturday evening melee. Bond was set at \$300 in each case, and he was remanded to jail.
