## Sheriff Amendment Takes Effect Two Years After Present

Amendment to the state constitution to make the terms of sheriff and coroner four years instead of two carried in last Tuesday's election, but it left that status the same as it has been for years insofar as the present electives are concerned.

This is the opinion of legal lights of the state, who have checked into the bill calling for the state-wide voting on the proposed amendment.

The average person was of the opinion that when the amendment carried, the 1938 electives would automatically have a four-year term of office. The matter is expected to be taken to the supreme court as soon as it can be prepared by the Constitutional Amendment Committee, but little hope is held out that it will be given favorable decision by the state tribunal.

## Thanksgiving Service For Brevard Baptists

(By Rev. Yancey C. Elliott, Pastor)

Special Thanksgiving services will be held at the Brevard Baptist church Thanksgiving morning at 9 o'clock.

This is the time when Baptists all over the state give their special Thanksgiving offering for the Thomasville orphanage. The request each year is that the offering of any individual shall not be less than a day's earnings. Let us meet the request with grateful hearts, yea, even more.

Coming to the church on Thanksgiving morning to make your offering and to commune in sweet fellowship with God and God's people. Let us bring the entire family, even the least. Surely every Baptist family will want to meet at this time to give thanks unto Him who has given of His abundance to us. Let us not neglect the assembling of ourselves together, and let us consider it a great duty as well as a glorious privilege to meet and give and love and worship together.

"I was glad when they said unto me, let us go into the house of the Lord." "Enter into His gates with thanks giving and into His courts with praise; be thankful unto Him and bless His name."
