

CHAMBER COMMERCE DEALS WITH MANY MATTERS AT SESSION

Office Opened in City Hall— Meetings Be Held Twice Each Month

Golf course, entertainment, industrial survey, and other matters were discussed by the Chamber of Commerce at its meeting last Friday evening, with 16 directors and several members present.

Membership committee report showed that the public in general is responding fine to the canvass, and while the committee members are working "between times," on contacting people, the response is very gratifying.

Need for more specific industrial data on sections of the county was presented by the secretary, upon request of two engineering concerns that are interested in trying to bring manufacturing groups to this section, and plans were made to go ahead with this survey, using the survey made several years ago as a basis, and bringing the data up to date, along with securing of prices on probable properties.

Sunday movies were discussed, and the directors voted to indorse the step taken by the Clemson Theatre in showing Sunday pictures. One dissenting vote on this move was recorded, with two members not voting.

Services of an experienced person to be in charge of entertainment for visitors here this summer was discussed at length and a committee appointed to check into the matter further.

Meetings of the Chamber of Commerce will be held each first and third Friday evenings, during the summer, it was voted, and all people of the community have standing invitation to attend these meetings and take part in making such plans as may be brought up for public good.

The office has been opened for the summer in the city hall, with Mrs. Ralph Fisher as all-time secretary, and inquiries or information pertinent to the information bureau should be sent there. The telephone number is 14.

Transylvania Native Winning Recognition In Research Field

Whitmore Research Corporation of St. Louis, Mo., has announced the leasing of a new three-story building to carry on their research work, according to marked copy of the St. Louis Star-Times received here.

Homer E. Whitmore, former Transylvanian, son of Mr. and Mrs. Jordan Whitmore of the Cherryfield section, is head chemist, and general manager of the corporation.

Of general interest, also, is the fact that the United States government has put its stamp of approval on work the research laboratory has been doing, and also on the rotonons insect spray which is manufactured by the corporation.

Chemists had tried for years to perfect an insect spray which would be both deadly to insects but harmless to humans, and perfecting of this process has been one of the crowning achievements of the former Transylvanian man.

New home of the Whitmore corporation has a total floor space of 20,000 square feet.

Industrial Survey Be Made By Committee Chamber Commerce

Request for specific and comprehensive industrial survey in Transylvania county has been made to the Brevard Chamber of Commerce, and the industrial committee has started work of checking possible sites for larger industries in the county.

Two prominent engineering concerns, which already have much data on this section, secured over a period of several years, have specifically asked for further briefs to be prepared on East Fork, Cathey's Creek and Little River.

The survey asked for includes lay of land suitable for industrial sites, distance from railroads, highways, volume of water to be secured from the three streams mentioned, and probable cost of lands in the immediate vicinities.

The industrial committee of the Chamber of Commerce plans to contact people in the three particular sections as soon as possible, and also to make surveys in other communities. Results of these tentative surveys will be furnished engineers, along with prices agreed upon by land owners in case such sites are selected by industries.

Any options secured by the Chamber of Commerce committee will be taken in the name of some individual designated by the industrial committee, and will be used only for the purposes as expressed in the request for data, and any actual instrument surveys will be made by engineers from the two concerns seeking the data, thus cutting costs of making the surveys to a very nominal figure.

The committee plans to pay only the minimum sum of one dollar for each option or agreement to sell, and the Chamber of Commerce will only be put to this cash outlay.

Bill Stroup Named Canton Police Chief

W. N. (Bill) Stroup, former chief of police at Rosman was named chief of the Canton police force Monday night, succeeding W. N. Brenton.

THREE PRE-CAMPS ARE OPENED HERE

Deerwoods, Transylvania, and Sapphire Holding Early Sessions Now

Three pre-season camps are in session here through June, two of which are for girls and one for both girls and boys.

The pre-camp for girls opened at Camp Deerwoods Sunday and will continue in session for three weeks, closing on June 25. Mr. and Mrs. George Mason Swift, owners and directors of Camp Deerwoods, are directing the pre-camp in its seventh year of operation. The usual camp and waterfront activities will be engaged in during the session, assisted in supervision by a competent staff of counselors.

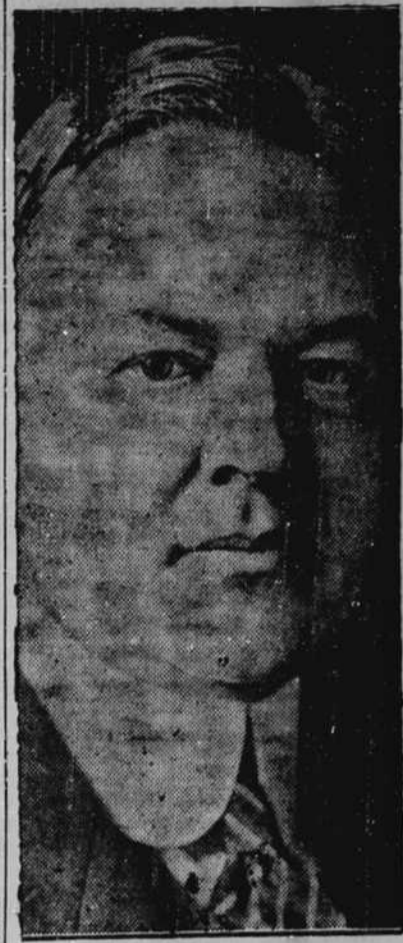

Mary Gwyn camp is now in operation at Camp Transylvania for its fifth consecutive session here, under the direction of Miss Mary Gwyn, of New York City. The camp session will continue through June. It is co-educational for boys and girls of younger age than the regular organized camp enrollment. Around 15 counselors and instructors comprise the staff.

A girls' pre-camp opened this week at Camp Sapphire, which will continue through this month, before opening of the regular camp session in July. Mrs. Bernard Fetzer, of Concord, and Mrs. William Fetzer, of Brevard, are directors, assisted by an able camp staff.

New Bathroom Tile Shown

New materials in bathroom tiling is being displayed at the Brevard Plumbing company showroom on East Main street.

Ex-President Visitor

HERBERT HOOVER, former president of the United States, was a Western Carolina visitor over the week-end, and while stopping at the Fred L. Seely home in Asheville, invited several of his friends from Brevard to call. Brevard callers, however, said that the former president's talk was not political, and for a certainty was "off the record."

Rabbi Jacobs Will Speak Here Sunday

Rabbi Robert P. Jacobs will be guest preacher at the Brevard-Davidson River church next Sunday at eleven o'clock.

Mr. Jacobs after receiving his liberal arts education in this country continued his education studying in Palestine at the Hebrew University. He is at present serving the Jewish synagogue in Asheville to which he was called from Hoboken, N. J.

In the short time he has been in Asheville Mr. Jacobs has made a place for himself in the civic and public life of the community. He has broadcast from WWNC on religious programs and has contributed to the Citizen Times articles on international events.

A few weeks ago Mr. Jacobs addressed the students of Brevard College and it was generally agreed upon by the students that his address was one of the best of the year.

The subject of his sermon for Sunday morning will be "Will Two Walk Together." There will be no plea for funds for Jewish refugees or relief. The object of his sermon is to present to Christians the common elements in the Jewish-Christian faiths.

Mrs. H. R. Bobst will sing "He Shall Feed His Flock" from the Messiah by Handel.

Visitors are cordially invited to this service.

Stamp Club Meeting

Regular meeting of the Brevard Stamp club, which was scheduled to meet Thursday evening of this week, has been postponed until Thursday evening of next week at 8 o'clock. The meeting will be held at the home of Mrs. Rowena Summey, 309 Probart street.

MRS. PATTON AND RAMSEY APPOINTED TO COUNTY POSTS

Commissioners Request State Take Over Roads Built By CCC Enrollees

Ralph H. Ramsey, Jr., was named county attorney at the meeting of the board of commissioners here Monday. Mr. Ramsey succeeds Pat Kimzey who resigned to accept the post of State Industrial Commissioner.

Mrs. C. Y. Patton was re-named superintendent of public welfare for a term of two years at a joint meeting of the board of welfare and the commissioners.

Upon petition presented by citizens of several townships, the commissioners made requests to the state highway commission that roads in Little River, Dunns Rock, Eastatoe and Hogback townships be taken over and maintained as a part of the county system. These roads have been constructed by the CCC workers and have put much of the heretofore inaccessible territory in the county close to good travel arteries.
