

# IT'S EASY

"What's easy?" you ask. And we say, "It's easy to have clean clothes, cool clothes, all summer long." That's because we clean light summer suits and press 'em with real creases, and we clean women's dresses and give 'em a bright new sheen. And all at lowest prices!

There are mighty few motorists who know all the whens, whats, and whys about the lubrication of their cars. In my opinion they ought to give their cars 'time out' every few months for an expert, all-over greasing job. It'll save 'em money in the long run.

### Bald Heads

Can Be Cured

Read these testimonials

Mr. J. H. Conner, Rosman, N. C.  
Dear Sir:  
For sometime I have been intending to write and thank you for mentioning to me last summer about your treatment for restoring hair.

On June 1st, 1938, I began your treatment. At that time I had a Bald Spot as large as the palm of my hand with not a hair on it. Today my head is covered with hair and while it has done so well, I am very sure that had I not neglected at times to apply the treatment I would have had much better results.

I hereby heartily recommend it to your friends or any who may be interested in growing back the hair they have lost. I suppose that it is just a little harder to grow hair on a head as old as mine, but it is there to show for itself, and I gladly speak a word for your splendid treatment.

You may use this recommendation in any way that you see proper and I will personally stand by the above statement.

Wishing you and your treatment much success,  
I am yours truly,  
J. A. RUTH.

Lincolnton, N. C.

TO WHOM IT MAY CONCERN:  
This is to certify I had a bald spot on top of my head. It was bald for about 6 years. J. H. Conner grew my hair back. It is perfect now. And I have no bald spot whatever. What he did I do not know. But I did all he told me to do. I can recommend his treatment to be perfect and very easy done.

ROBERT HOLDEN

TO WHOM IT MAY CONCERN:

This is to certify that I was bald headed, had been bald headed for at least 6 years, and that J. H. Conner grew the hair back on my head, or caused it to be so grown.

What he did I do not know, but I did all he required me to do, and my hair has grown back, and I have no bald spot now.

ROBERT HOLDEN.

Subscribed and sworn to before me this the 2nd day of May, 1939.

J. R. Mahoney, J. P.

We, the undersigned have known Robert Holden, who made the above affidavit, for many years, and we know that he was bald headed for at least 6 years.

### Five Graduates At Western Carolina From Transylvania

CULLOWHEE, June 14—(Special)—Commencement exercises marking the fiftieth anniversary of Western Carolina Teachers College were held at the Cullowhee Baptist church on June 4-6, with 151 seniors receiving their B. S. degrees. This graduating class was the largest ever to have been graduated in the history of the college.

Among those who received degrees from Transylvania County were Miss Thelma Galloway of Rosman, Miss Margaret Gash, Brevard, Miss Vera Jones, Cedar Mountain, Miss Rachel Orr, Brevard, and John E. Ruffy of Brevard.

Miss Galloway majored in primary education. She was a member of the Alpha Phi Sigma, honorary society, the Science club, Big Sister club, Young Womens Association, and student senate. For two years she was secretary of the senate. During her junior and senior years, she was vice-president of her class. She also served as vice-president of the local chapter of the Association of Childhood Education until the spring quarter when she became president of the organization.

Miss Jones majored in grammar grade education and was given the distinction of honor teaching during the fall quarter. She was a member of the Catamount staff, and the local chapter of the association for childhood education. She served as president of the Columbian literary society, and president of the Young Womens association. She was also secretary of the Holycon Chorus. During the spring quarter she was elected by the senior class as the girl having the best personality. She also was one of eighteen in her class to be graduated with honor.

Miss Orr also majored in grammar grade education. During her two years at Western Carolina Teachers College Miss Orr belonged to Alpha Phi Sigma, honorary society, Big Sister club, Halcyon chorus, Journalism club, and the Young Womens association. She also served as secretary of the dramatic club, secretary and reporter of the senior class, president of the W. E. Bird Sunday School class, senior chaperone, and chorister of the Epworth League. During the spring quarter she was elected by the senior class the most popular girl in that class.

Mr. Ruffy majored in grammar grade education and for several years has been principal of the elementary schools in Brevard.

Miss Gash majored in primary education. She has been teaching in the Transylvania schools several years.

Information about the extra-curricular activities of some of the students was not listed in this year's college annual, the source from which this information was taken.

was able to leave the hospital last week and is getting along nicely.

Mrs. Louis Rigdon visited her daughter, Miss Louise, at the home of Mrs. Maggie Nicholson, Monday.

Mr. and Mrs. Frank Revis spent Sunday with Mrs. S. E. Alexander. Charles McNeely returned home last week after spending some time at Cullowhee with friends.

Posie Owen, of Lake Toxaway, was a caller at the home of Clarence Norton Sunday.

## Refrigeration?

A good refrigeration plant will save you hundreds of dollars in your store or restaurant.

A good display case will increase your sales in meats and groceries if properly refrigerated.

A good vegetable and fruit display case or cabinet will save hundreds of dollars in spoilage if properly refrigerated.

However, no fixture is any better than the coils and machine that do the cooling job.

So why not let an old established concern figure with you—General Motors Frigidaire — with thirty years of experience back of it?

We carry a complete line of new and used double duty meat cases, vegetable and fruit cases and cabinets, large walk-in coolers, grocery boxes, bottle drink coolers, ice cream cabinets, bulk and ice cube makers—all equipped with Frigidaire coils and compressors.

Our parts and service department is complete. Our mechanics are factory trained.

We offer terms as long as three years on all equipment and each job is fully guaranteed. Our meter plan enables you to pay 25c per day and up on the finest equipment.
