Third Victim Added To Wildcat Shooting Affair of April 20th

Ernest Ellenburg, 28, of near Cleveland, S. C., died at the home of his cousin, Edward Ellenburg two miles south of Brevard Monday night at 11 o'clock.

Mrs. Sylvia Ellenburg, who also resides near Cleveland in the upper edge of Pickens county, said that her son's death was result of a gunshot wound inflicted on April 20, when Ace Patterson and Doc Alexander were killed in a shooting scrape near Wildcat Filling station. Another man, Malcolm Patterson, was wounded at the same time but recovered.

Funeral services were planned for Tuesday afternoon at Pleasant Grove near the Ellenburg home. Surviving are the widow and four small children, mother, three sisters, and one brother, all of South Carolina.

Ellenburg has been bedridden since the time of the shooting and has been confined in several hospitals. He is said to have been wounded in the hip, and his mother and brother said Monday just prior to the man's death that he had blood poison and infection from the gunshot wound.

The sick man was brought to the home of his cousin at Rocky Hill last Friday afternoon by an ambulance from the Osborne-Simpson funeral home. He had been in Pisgah sanitarium near Candler for two or three days prior. His family said he had been treated at two hospitals in Greenville and one at Six Mile before being taken to the hospital at Candler.

Taken from Candler, the man was said to be too ill to stand the trip to his home in upper South Carolina, and was brought to the home of his cousin instead. He was unconscious most of the time after arriving at the Edward Ellenburg home.

Complimentary to Mrs. Walter F. Hart, recent bride, Mrs. L. M. Hart and two daughters, Mrs. Jerry Jerome and Mrs. Rowena Summey, entertained at the home of Mrs. Summey on Probert street Friday afternoon with a lovely reception. Mrs. Hart was prior to her marriage on June 20, Miss Thelma Lugenhull, of New Orleans, La. One hundred invitations were extended for the reception from 4 to 6 o'clock.

A color arrangement in pink and white was prettily carried out in the decorations of summer flowers. Pink and white gladiolus and Shasta daisies decorated the reception room. The dining table, covered with an Irish lace cloth, was attractive with pink and white snapdragons and pink candles and a large punch bowl at either end. Pink and white mints and individual cakes iced in pink were served with the punch.

In the receiving line were Mrs. L. M. Hart, wearing a powder blue chiffon and lace dress, with a pink corsage; Mrs. Walter Hart, who wore pink chiffon, with a pink and blue corsage; Mrs. Jerome, in pale green crinoline; Mrs. Summey, in white and blue net.

C., cousin of Mrs. Summey and Mrs. Jerome, and Miss Edna Thaller, of New Orleans, cousin of the honoree.

GOOD ATTENDANCE AT AUXILIARY-GUILD MEET

A good attendance of members and several visitors were present at the July meeting of the Auxiliary and Guild of St. Philip's Episcopal church, held Thursday afternoon at the home of Mrs. H. V. Smedberg.

Two interesting features comprised the program, one of which was a talk by Mrs. L. R. Welzmilller, a Brevard summer visitor from Florida, who with her husband, Dr. Welzmilller, made a tour of Palestine the past winter. Mrs. Welzmilller told of her trip to the Holy Land, with particular emphasis on the accomplishments and present conditions of the Jews in that country. Mrs. Smedberg gave an account of the annual Auxiliary convention, which met at Kanuga Lake in June.

Mrs. David Ward, president, was in charge of the business transactions, and conducted the devotionals.

At the meeting of the Guild, plans were discussed for ways and means of raising money for the proposed new church organ.

'Our Bob' Stopped In S. C. For Speeding

(Greenville News)

United States Senator Robert (Our Bob) Reynolds, of North Carolina, paid Greenville county a "flying" visit yesterday.

Deputy Sheriff Pralo Woods and C. L. Abercrombie were riding along the Buncombe road toward Greenville when a sedan whizzed past them. Considering the speed of the Tarheel machine a little excessive, the officers pursued and finally overtook the vehicle, which was travelling about—well, more than 55 miles an hour, they said.

Senator Reynolds alighted and introduced himself and his companions, United States Marshall Price, of Asheville, and the latter's nephew.

"Yes, I was in a little hurry," the senator said. "I have a speaking engagement in Augusta in a few hours and am running a little late."

The deputies advised the North Carolinians against being too heavy-footed on the accelerator and let them go.

Ab Kilpatrick Hacks Arrested Man While En Route To Lock-Up

Arcola Reeves was severely cut about the head and body by Ab Kilpatrick of East Fork who wielded a knife fast and effectively here Sunday morning on the Tannery worker.

More than one hundred stitches were required to sew up wounds of Reeves. Dr. C. L. Newland said, and he suffered from loss of blood. Kilpatrick is being held in jail charged with secret assault with a deadly weapon with intent to kill.

Kilpatrick and Reeves were said to have had an altercation Sunday morning, and both were arrested by Chief Bert Freeman. Kilpatrick was placed in the rear seat of the officer's car to be taken to jail, and Reeves placed in the front seat.

Chief Freeman said he pushed the car door to on the right side and started to walk around the rear of the car to get under the wheel, and during that short period Kilpatrick wielded his knife with telling effect on Reeves. Chief Freeman was forced to strike the knife-handler a heavy blow in the face to stop his cutting mele.

The officer said he took one knife off Kilpatrick, who is known to have "cutting tendencies" when he is aroused, and that he evidently overlooked the second small knife in the man's possession. Kilpatrick has been in trouble with the law on several occasions prior to Sunday.

The wounded man was reported to be improving at Lyday hospital. He had deep cuts on the head, face, throat, chest, back, one arm, and both legs.

Bicycle Rider Taking Vacation Easy Stages

"I'm seeing the South over the handle-bars," said a dignified chap who dropped in the office last week after parking his bicycle out front.

The young man was O'Donald Mays, of Louisville, Ga., and he was on his way through North Carolina, Virginia, and back via South Carolina, taking his vacation as he put it, just as he wished.

A senior at the University of Georgia, Young Mays said he had a month's vacation, and he always liked to ride a bicycle, so he decided that he would start out and go north for two weeks, then head back south over a different route.

He stopped with Mr. and Mrs. T. P. Galloway, Jr., at Calvert the night before, and said that he made his opinion up after knowing the Galloways that Transylvania county must have a lot of nice people.

Speaking of Auto GREASES and OILS

There are mighty few motorists who know all the whens, whats and whys about the lubrication of their cars. In my opinion, they ought to give their cars 'time out' every few months for an expert, all-over greasing job. It'll save 'em money in the long run.
