Quebec Man Given Surprise Dinner

(T. C. Henderson)
Quebec Correspondent

The children and other relatives of T. C. McCall gave him a surprise dinner last Sunday. It was indeed a family reunion and there were about fifty people present to enjoy this social occasion with their father and grandfather McCall.

Barney Chapman and Mr. and Mrs. Eugene King had as their guest last week their uncle, Virgil H. Galloway, of Brevard.

Mr. and Mrs. Elzie McCall, who have been living at Brevard for some time, have moved back to this community and are now residing with the former's parents, Mr. and Mrs. Jason P. McCall.

Mr. and Mrs. Bill Fisher have moved to Brevard this week, and are occupying the house vacated by Mr. and Mrs. Lyle McCoy. Mr. and Mrs. McCoy have moved to Highlands.

Mrs. Alva Johnson and Mrs. Bessie Fisher spent the day at Sapphire Sunday with Mrs. Floyd Miller.

Mr. and Mrs. Kenneth McCall and children, who spent several days with Mr. and Mrs. C. W. Henderson, have returned to their home at Candler. Miss Barbary Henderson, who spent a few days vacation with her parents, has returned to her work at Columbia, S. C.

J. B. McCall, who has been spending a short vacation here with his parents, Mr. and Mrs. M. O. McCall, has returned to his work at Kannapolis.

Mr. and Mrs. Eugene King and children Eugene, Jr., and Norma, visited the Western North Carolina Fair at Hendersonville on Tuesday of last week.

Mr. and Mrs. Allen McCall and Mrs. Simp Fisher, of Gloucester, visited Mr. and Mrs. Chris Fisher Sunday.

Mr. and Mrs. Oscar Henderson moved to East Flat Rock last Saturday and are expecting to remain there until Oscar completes the course in electrical welding which he is now taking under the direction of the United States government.

Mr. and Mrs. Gus Bagwell and Charles Reid, of Brevard, were recent visitors in this community.

Mr. and Mrs. Bill Bradshaw and family recently moved from this community into Gloucester.

Rev. N. H. Chapman was present at Sunday school at Oak Grove church last Sunday. He made a short talk and stated that he had recently visited the hospital at Six Mile, S. C., and that Dr. Peek advised him to "go slow" on his talking if he wanted to continue talking much longer.

PREVENTION WEEK

OCTOBER 5th to 11th

PROTECT THE NATION

HELP PREVENT FIRE!

When flames consume your property—and further damage is caused by the water used to quell the fire—it's too late to take out insurance to pay for your loss! Guard against fire by every preventative means you know: and protect yourself against fire loss with our low premium insurance.

FIRE Can Destroy a Lifetime's Savings. INSURE Against Such Losses

The home you've worked so hard to make your own! The furnishings you just bought! All the family's clothes—fire makes the investments of a lifetime go up in smoke! Only insurance can repay your losses: only insurance can protect you—it doesn't pay to delay getting coverage!

National Defense is an important subject now and all of us are trying to help it in every way we can. It is a fireman's business to put out fires that have started, but it is up to us to see that fewer fires start. With a little thought and care many fires can be prevented and that is our job. We can protect this country better and more efficiently if we watch ourselves than by watching others. Remember to pinch out all lighted matches or cigarettes before throwing them away and never throw these lighted objects from a moving car.

Boy Scouts are sending patrols through streets and alleys looking for rubbish dumps that are dangerous to the community and we urge all home owners and renters, too, to inspect their homes and apartments for fire hazards. Inspect your wiring, see to it that all loose paper and rags are properly burned or stored away in fire-proof containers. Keep your coal bins clean and keep all ashes in the ash pit. If we all work together we can accomplish much toward preventing fires. Carelessness is our biggest enemy, but that can be overcome if we will only remember.

LOCAL FIRE DEPT. TO INSPECT HOMES AND BUSINESS HOUSES

During Fire Prevention week, October 5-11, we will inspect as many homes and business houses in Brevard as we possibly can. Your cooperation is urgently requested, and your assistance in eliminating fire hazards in closets, basements, attics, etc., will be greatly appreciated.

JOHN W. SMITH,
Fire Chief.

They can fight FIRE but they can't pay LOSSES

The bravery of our firemen is to be lauded. But their lives are precious, too—and every precaution taken for fire prevention may save a fireman's life as well as your own! When your home is ravaged by fire you can depend on the fire department to put it out—and you can depend on us to pay you for the loss if you are covered by our fire insurance.

IT CAN HAPPEN HERE . . . BUT

your property need not be a total loss, if your insurance is adequate. Think of the fact that there is a fire in 500 homes daily—that it's always the result of an "accidental" cleaning fluid explosion, curtain catching fire from the stove, or cigarette. You can't afford to be without our low rate fire insurance!

You are probably carrying insurance now. But are you sure it's adequate? Does it protect you completely?

OFTEN CAUSED BY FAULTY WIRING

If your house is old or amateurishly wired, watch out! Plenty of fires are caused by faulty wiring . . . fires that could easily have been prevented with a little attention and expense! It pays to keep everything electrical in top working order.
