

Will Boost County Farm Products By \$15,000 During 1942

Chamber Of Commerce Directors Elected; This Year's Work Reported

Twenty-Five Directors Named
For Coming Year In Pro-
motional Body

CAMPAIGN CARRIED OUT

Results of the balloting for the election of members of the board of directors for the Brevard chamber of commerce were announced Wednesday by Mrs. Ralph R. Fisher, secretary of the organization. Twenty-five members were elected from the membership. They will serve during the coming year.

Elected to the board were the following, listed in the order of election by votes from the entire membership: Willis W. Brittain, Harry Sellers, Lewis P. Hamlin, J. B. Jones, Miss Annie Shipman, S. E. Varner, Don Jenkins, Ralph R. Fisher, D. T. Abercrombie, Oliver H. Orr, John Anderson, J. M. Gaines, J. W. Smith, Mrs. J. W. Smith, Ralph H. Ramsey, George Wheeler, Jerry Jerome, Dr. Carl Hardin, E. J. Coltrane, Ashe Macfee, J. M. Allison, Mrs. Ralph Zachary, T. E. Reid, Mrs. Carl McCrary, and Fred Holt.

In announcing the new members of the board Mrs. Fisher also issued the annual report as prepared by Lewis P. Hamlin, president. In the report was included a summary of the work carried out by the chamber of commerce during the past year.

Major items in the annual report were the sponsoring of the organization of the Brevard junior chamber of commerce, the building of a number of road signs to be placed on main highways leading into Brevard and advertising the advantages of Brevard and Transylvania county, aiding in the location of the Transylvania Pipe company in Brevard, the planning of an industrial survey for the county, co-sponsoring a program of summer entertainment with the junior chamber, the sending of a representative on the Western North Carolina Mayors' tour to Florida and to other meetings of the Western North Carolina Communities associated, the advertising of Brevard and the county in magazines and other publications, and the sponsoring of the erection and dedication of the memorial entrance portals at Pisgah National forest.

In addition to the above the commerce body has distributed over 5,000 booklets advertising the county and has answered numerous inquiries. At present the body is working on the matter of securing a new commercial hotel for Brevard, and during the past few weeks has been sponsoring a financial campaign for Brevard college, in which over \$30,000 has been raised to date.

REV. FENWICK TO PREACH

Rev. Frank Fenwick, of Asheville, will preach at the Lake Towaway Methodist church next Sunday morning at 11 o'clock, announcement has been made.

MEET TO ORGANIZE NFIP CHAPTER SET

Organizational Committee Will
Meet At City Hall Monday,
November 3

The committee on organization, recently named to organize a Transylvania county chapter of the National Foundation for Infantile Paralysis, Inc., and having for its jurisdiction Transylvania county, will meet on Monday evening, November 3, at seven o'clock in the room over the City Hall, according to announcement by John I. Anderson, secretary of the committee on organization. The chapter will be fully organized to engage in infantile paralysis activities, preventive and curative, throughout the county.

Members of the organization committee, as named by Basil O'Connor, president of the National Foundation for Infantile Paralysis, include Dr. G. B. Lynch, chairman; J. B. Jones, vice-chairman; John I. Anderson, secretary; Ralph Duckworth, treasurer; and Ralph H. Ramsey, Jr., Lewis P. Hamlin, Mrs. E. J. Coltrane, Dr. Julius Sader, Kin McNeil, Joseph S. Silverstein, Mrs. David G. Ward, Jerry Jerome, Mrs. Edith Bobst, Dr. J. F. Zachary, Mrs. Oliver Orr, Mrs. C. Y. Patton, and Ernest D. McFaul.

The initial meeting of the group will be purely for organizational purposes, it was pointed out, and all members of the organizational committee are urged to be present.

Mr. J. S. Bromfield and daughter, Mrs. John Verner, and small daughter, Marion, left Monday on a motor trip to visit relatives and friends in Virginia and Kentucky.

HOMEcoming DAY AT COLLEGE HERE SET FOR SATURDAY

Intra-Mural Football Game,
Hallowe'en Party Planned
For Event

The seventh annual Homecoming for former students and alumni of Brevard college will be held on the campus Saturday of this week, Dr. E. J. Coltrane, president, has announced. Letters of invitation for the event have gone out to the more than 900 graduates and an equal number of former students, Dr. Coltrane said, and it is expected that at least 300 of the number will spend most of the day on the campus.

For most of the day those returning will be left free to visit among themselves and to inspect the buildings in which they once lived and studied, those in charge of the program announce. However, at three o'clock that afternoon an intra-mural football game has been scheduled to be played on the college athletic field. No admission will be charged, and all townspeople as well as graduates and present students will be invited to attend.

The main program will be held Saturday evening, beginning at seven o'clock, in the college gymnasium. A Hallowe'en party will be staged for the benefit of the alumni and students. The Harvest Queen, elected by the student body, will reign over festivities that evening, along with a Harvest King, also elected by the students. Both the Queen and King have already been elected by secret ballot, but they nor the student body have been informed who was elected to either honor. The six contestants for the role of queen are Jean Bennett, of Brevard; Louise Huntley, of Wadesboro; and Doris McIntosh, of Burnsville, sophomores, and Wynette McFadden, of Gable, S. C.; Ruth Phillips, of Winston-

(Continued on page eight)

REDS REPORTED TO BE HOLDING LINES

Heavy Fighting Going On Only
55 Miles From The Rus-
sian Capital

Heavy fighting in the Volokolamsk sector about 55 miles northwest of Moscow and about midway between the Kalinin and Moshalsk sectors was reported yesterday by the Soviet information bureau in a broadcast over the Moscow radio.

Supported by hardened reserves from Siberia, the Red armies before Moscow were declared by informed neutral quarters to have measurably improved their position by general counterattacks which in some sectors threw the Germans back ten miles.

Violent German shelling of besieged Leningrad, apparently as a prelude to big tank and infantry assault, and repulse of desperate Soviet counterattacks on the Moscow front were reported on Wednesday after the high command announced the fall of Kramatorsk, key southern Soviet industrial city.

Axis forces struggling to maintain communication lines and supply bases in North Africa are encountering mounting difficulties through frequent naval and air bombardments by the British. The Mediterranean fleet in three shelling between the Egyptian border and the Libyan ports of Tobruk and Bardia within a week must have handed German General Erwin Rommel's plans a severe setback.

Methodist Pastors Are Retained Here, Rosman

Transylvania county's two Methodist pastors have been returned to their parishes here for their fourth year of service, by appointment of the Western North Carolina conference at their annual meeting last week in Winston-Salem.

Rev. E. P. Billups has returned to the Brevard pastorate, and Rev. J. R. Bowman to the Rosman charge. A new appointment in the Asheville district was made, that of Rev. L. A. Bennett to supply at Etowah. Mr. Bowman is studying at Brevard College, in addition to his pastoral work. Rev. M. T. Smathers was re-appointed to district superintendent of the Asheville district.

MAYOR PUTS IN PRACTICE FOR GOLF TOURNAMENT

Shown in this picture made on the Brevard golf course is Mayor Carl Hardin as he practiced putting preparatory to entering the county golf tournament to be held under the sponsorship of the Jaycees on November 2 and 3. Those who have already signed up for the tournament include J. I. Ayres, Dr. Hardin, Dr. E. O. Roland, Jimmy Wallace, W. H. Pless, Jr., Jim Atkins, John Anderson, Robert Plummer, D. T. Abercrombie, John W. Smith, Ruel Hunt, Joe Hunter, Stewart Campbell, Vernon Fullbright, Sherb Wall, Tom Whitmire, Talmadge Stockstill, and Roland Wilbur. Several others are expected to sign up to play. (Times Staff Photo)

LIONS CARNIVAL WILL BE STAGED FRIDAY EVENING

Plans Are Completed For Full
Evening of Fun And Frolic
At Event

The annual Hallowe'en carnival, sponsored each year by the Brevard Lions club, will be held on Friday evening of this week on East Main street, according to J. E. Smith, chairman of the carnival committee of the club. East Main street, from the square to Gaston Street, will be roped off for that evening. The carnival activities are scheduled to get into full swing by seven o'clock, he said.

Plenty of fun and frolic have been promised for both grown ups and children at the carnival. A costume parade will be held about ten o'clock, and cash prizes will be awarded for the most original men's, women's and children's costumes. Lion Donald Moore and an able group of judges will be in charge of the parade.

Other highlights of the evening of fun will include an unusual performance by a pair of quacking ducks under the supervision of Lions Billups and McNeil, Lion Carl Hardin and his winning ways with pennies, Lion Joe Tinsley with his side-stepping cats, and many other amusing and fun making attractions, including Lion Harold Kilpatrick with his Bingo table loaded with attractive and useful gifts.

Purpose of the carnival is two fold, according to Chairman J. E. Smith. One is to provide entertainment for the children on Hallowe'en night, and the other is to raise money to carry on the work of the sight committee of the club. Proceeds from the carnival will be used to buy glasses for needy children throughout the county. Already twelve pairs have been bought this year, he said.

In event of rain the carnival will be postponed until next Monday evening, it was announced.

AT THE HOSPITAL

Patients reported on Wednesday afternoon to be in the Transylvania Community hospital were: Mrs. A. H. Harris, Mrs. Jeff Hogsed, Mrs. Lorene Anders and Mrs. Yancey McCrary.

What'll The Youngsters Be Doing Halloween? Something Like This

It won't be all the ghosts and little white goblins that'll be getting in your hair Friday night, and the witches which will be riding the broomsticks will be 12-year-olds with a heart full of joy and a mind to do mischief, so grease your plate glass windows and let the air out of your automobile tires and prepare not to be surprised on Saturday morning.

The Hallowe'en spirit has been in the air all week now, but it will find its mark in other places than the air on Friday night. According to an unofficial survey made by a Times reporter (and the boys were not asked to tell their names), one young Brevardite out of ten will remain quietly at home on the eve of All Saints Day and do nothing but play with toys of a bygone era. Three boys out of ten will participate in the fun (fun to nobody but the perpetrators of the tricks), and they will get home to mama and to bed about three a.m. on Saturday. About three

College To Get Funds From Liquidation Of Rutherford

Apple Tree Bears
Crop For Defense

When a June apple tree bears in June, that's routine. But when one bears in October, that's news. A tree on D. P. Kilpatrick's place in Brevard did the latter and so goes down in the annals of newsworthy events.

Mr. Kilpatrick reports that the tree came along normal with the first crop, which was harvested months ago. Then, as if to outdo every other neighboring tree and add a bit to the national defense effort, the tree came along with a second crop. Only six red June apples in October, but it was a very noble effort.

S S MEET SET AT SECOND BAPTIST

Discussion Will Be Held On
Building Better And Larger
Sunday Schools

The Transylvania Sunday School association will meet with the Brevard Second Baptist church on next Sunday, Fred Monteith, associational superintendent, has announced. The program will begin at 2 o'clock in the afternoon, and the theme of discussion will be "Building Larger and Better Sunday Schools".

The pastors' part in building a better Sunday school will be discussed by the Rev. B. W. Thomason, pastor of the First Baptist church here. N. L. Ponder, of Enon, will discuss the superintendents' part in the program. Mr. Rose, teacher in the Second Baptist church, will lead the discussion relating to the teachers' part of building better Sunday schools.

Brevard College Day Set Aside
In February To Help
Labor Program

In action taken at the Western North Carolina conference of the Methodist church, meeting in Winston-Salem last week, Brevard college will have its endowment resources hiked by approximately \$70,000. The conference voted to liquidate Rutherford college holdings in Burke county and to transfer endowment resources of that now defunct institution to Brevard college. Dr. E. J. Coltrane, president of Brevard, stated Wednesday that liquidation processes for Rutherford college would probably be completed within a six months period.

The conference also approved previous action of the college board of trustees in voting to operate and develop Brevard college at Brevard, in view of the fact that local citizens are sponsoring a campaign to raise \$50,000 for the institution in Transylvania county and a total of \$400,000 in the entire conference area.

Another action taken by the conference in favor of the college here, according to college officials who were present at the conference, was the setting aside of the third Sunday in February, 1942, as Brevard College day to be observed by the churches in the Western North Carolina conference as the day on which a special offering will be taken to aid in the promotion of the self-help program at the college. In connection with this, college officials have pointed out that approximately one fourth of the college's annual budget is set aside to help worthy students in a labor program on the campus.

Upon being informed of the favorable action taken by the conference, members of the campaign committee here voted to continue the campaign in the county and immediately upon conclusion of that to set out on a wider campaign throughout the Western North Carolina conference area.

The committee here hopes to complete the local campaign by Saturday of this week. Total pledged by Wednesday amounted to approximately \$31,000, not including other pledges which are to be counted toward the total campaign goal.

Co-Ed Gets "Sergeant York" Second In State

"Sergeant York", the epic film version of the World war hero as portrayed by Gary Cooper, comes to the Co-Ed Theater here next Sunday, Monday and Tuesday for the second run in the two Carolinas. Premiere for the Carolinas was held at Statesville last Monday.

A number of merchants this week are congratulating the owners of the Co-Ed for obtaining this outstanding movie for one of its first runs in North Carolina. Also, the advertisers in The Times business directory are giving away free tickets to see the show to the persons whose names may be found in the directory ads.

TIMES STAFF ON PROGRAM

The staff of The Times, including John Anderson, Henry Henderson and Kin McNeil, had charge of the program at the monthly meeting of the Western North Carolina Weekly Press association in Asheville last Saturday night. The discussion related to the production of a modern weekly newspaper.

COUNTY FARMERS URGED TO AID IN DEFENSE EFFORT

Production of Food For Defense
Will Require Every Farm-
er's Help

MILK, EGGS IMPORTANT

The farm products output in Transylvania county will be increased by at least \$15,000 during the year of 1942 as a part of the national defense effort in the production of "Food For Freedom". The Transylvania county AAA committee and the community AAA committees will direct the effort for the increase of farm production, and every farmer in the county will be contacted and asked to share in this increased production quota. The AAA committees will begin their work in the county next Monday morning.

Delegates to the county convention of the AAA committee met in the county agent's office here Wednesday morning with the county AAA chairman, T. J. Wilson, to work out complete plans for the expanded farm defense effort in the county and to elect a new county AAA committee and alternates. Elected to the county committee were T. J. Wilson, chairman; A. M. Paxton, of Roeman, vice chairman; George Maxwell, regular member; W. J. Raines, first alternate; L. F. Lyday, second alternate; Julian A. Glazener, secretary; and Mrs. Julia Westwood, treasurer.

At a meeting of the Farm Defense Council for the county in the county agent's office last Saturday morning, J. C. Lynn, district agent, and T. W. Cathey, of Haywood county, state AAA committeemen, explained the program for 1942 and discussed means of producing the increased quota and better farm practices by use of lime and phosphate. Also at this meeting Miss Estelle McElwee, FSA home management supervisor, and Miss Annabel Teague, home agent, discussed the importance of a balanced diet in the family food program for the year. Represented at the meeting were sixteen AAA community committeemen, vocational agriculture teachers Randal Lyday and B. E. Keisler, County Agent Glazener, FSA Supervisor McDarris, and others.

In the National Farm Defense program, Transylvania county has been called upon for an increased quota in the following products: milk, increase of 184,000 pounds in '42 over the production in '41; eggs, increase of 21,670 dozens; oats or barley, increase of 10 acres; soybeans for seed, increase of 100 acres; hay, increase of 98 acres. County Agent Glazener expressed the opinion that this quota could easily be doubled through the cooperation of all farmers in the county. He emphasized that this increased production of food products would be utilized here, thereby releasing farm products elsewhere for defense usage.

COUNTY FARM TO BE SOLD SHORTLY

Bids are now being received by the county for the sale of the county home farm, according to county accountant, Ralph W. Lyday. The bids will be opened on December 1.

The county home, located on the Rosman highway about four miles from Brevard, was closed in July, 1939, when the inmates were placed in private homes and taken care of by old age assistance funds.

Sealed bids will be accepted at the register of deeds' office in the county court house until November 30.

BLUE DEVILS MEET FARM SCHOOL HERE

Lions Club Sponsoring Battle
With Buncombe Crew
This Afternoon

With two home victories to their credit, Coach Cox's Brevard High Blue Devils will be out for their third win of the season here this afternoon when they meet an eleven from Asheville Farm School in Buncombe county on the local athletic field. The kickoff is set for 3 o'clock.

Sponsoring this home game will be the Brevard Lions club, and every effort is being made to have as large a crowd as possible to witness the affair. All of the stores and restaurants in town have agreed to close for the period from 3 o'clock until 5 o'clock, with only the filling stations remaining open during the game. Lions club members have been selling advance tickets, and they report that much interest is being shown and that a large crowd is expected to be on hand to watch the home town griders perform.

Last week the local eleven exhibited their ability by downing a much heavier outfit from Candler by the score of 19 to 7. Local fans believe that the Asheville Farm crew will be just as easy a mark for the Coxmen.

Stores To Be Closed Today From 3 to 5 p. m. For Football Game
