60 DEER AND 6 BEARS KILLED IN PISGAH ANNUAL HUNT

Consumer Fuel Oil Registration To Be Held In Schools Friday Afternoon

TO BE CONDUCTED BY TEACHERS IN COUNTY SCHOOLS

Applies To Registration Of Kerosene For Lights And Cooking. Details Given

OTHERS TO REGISTER

A county-wide registration of consumers of kerosene and other fuel oil used for lighting and cooking will be held tomorrow afternoon, Friday, in every school in Transylvania, Alex Kizer, fuel rationing committee chairman, announces.

The registration of consumers of fuel oil for heating is to be held at the rationing board office here today, tomorrow and Saturday.

Supt. J. B. Jones has instructed the principals to close schools at 12 o'clock tomorrow and the kerosene consumer registration will start at that time and last until 5 o'clock in the afternoon. It will be conducted by the teachers, under the direction of the principals.

Application forms and V-fuel oil ration stamps have been sent to each school and all unused ones are to be returned.

The kerosene stamps are to be issued to consumer for the period from October 1 to December 31, regardless of the fact that part of this time has elapsed. The consumer owes the dealer stamps for all kerosene purchased since October 1.

The maximum kerosene allowed for domestic cooking shall be 20 gallons per month per family. The maximum kerosene allowed for lighting is 4 gallons per month per person for the first three per-

BLACK-OUT MON. NIGHT A SUCCESS

Civilian Defense Unit In County Praised By State And Regional Officers

The practice black-out here Monday night was a complete success and the Transylvania civilian defense corps was highly praised by state and regional officials who were here checking up on the test black-out.

For forty minutes the entire town and most of the surrounding area was blacked-out. Residents and motorists co-operated splendidly and Chairman Ralph Ramsey described the black-out as being the "most successful held thus far". The black-out started at 9:20 and ended at 10 o'clock.

The control center at the city hall worked efficiently and smoothly and received words of highest praise from George Snow, assistant state director of civilian defense and L. R. Sides, regional officer.

Mr. Snow said that the control center here is one of the best of any of the smaller towns in the state.

"The south is far ahead in control center work and North Carolina is leading the south," Mr. Sides declared.

"You have done an excellent job here tonight and I congratulate you. You seem to have excellent leadership and a fine organization."

WARNING ISSUED!

Fire authorities in the county today issued an urgent warning to every one and especially to hunters to be extremely careful and help prevent forest fires.

It was pointed out that a little carelessness could cause severe loss because of the dryness of the leaves and possibility of high winds.

During the past week, several small forest fires have been reported in the county. Last Sunday there were fires in the Lake Toxaway section. All of them were soon put out, however, and no serious damage resulted.

Motorists discovered two little fires left by hunters that would have caused trouble had they not been caught in time.

Governor Cooper Kills Six-Point Buck

Governor Prentice Cooper of Tennessee is shown above at right with the 147-pound buck he killed Monday morning on the opening day of the two weeks' Pisgah Forest deer and bear hunt. The buck was killed on the Davidson river section. Also shown in the picture is Perry Davis, forest service guide who accompanied Gov. Cooper. (Staff Photo).

Auto Owners Have Only Three More Days Left To Register And To Have Tires Inspected

Idle Tires Must Be Turned In Soon. Around 500 Collected Here

Automobile owners have only three more days left in which to see OPA tire inspectors, get blanks, fill them out and take steps to sell all idle tires to the government.

Those who fail to do this by Sunday will be subject to a denial of gasoline privileges for passenger car operation after November 22nd.

The tire inspectors in the county report that they have been quite busy for the past few days.

John Bishop, freight and express agent here, states that to date around 500 tires have been turned in under the idle tire purchase plan.

Most of the owners, he said, wanted cash for their extra used tires. Most of the tires are used ones, too, he said.

The procedure is simple: Drive your car to an OPA tire inspection station, get a blank, fill out the top part and list serial numbers of all tires on the back of blank. Then have inspector check the tires and record his findings. Then mail the top part of the blank to the rationing board office here.

Superior Court Will Convene On December 7; Jury List Announced

The jury list for the two-week December term of the Transylvania county superior court was announced this week.

A total of 36 names are included on the list of jurors for the first week and 18 for the second.

The term will open on Monday, December 7, with Judge J. H. Clements, of Winston-Salem, scheduled to preside. Solicitor C. O. Ridings, of Forest City, who was re-elected without opposition, will continue to serve as solicitor.

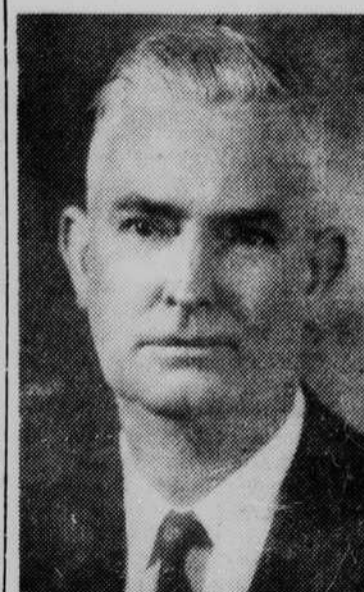

The civil court docket and calendar had not been made up yesterday.

The jury list for the term is as follows:

First Week Beginning On Monday December 7th

C. H. Glazener, John Brown, Wayman Thomas, Lewis Moore, C. E. Tinsley, V. L. Neill, Edwin Staton, Henry Holliday, C. L. Os-

Kiwanis President

W. PAUL TINDALL, assistant plant engineer of the Ecusta Paper corporation, as the new president of the Brevard Kiwanis club.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Horace Mason announce the birth of a daughter, Judith Ann, on October 28, at Wilmington.

Plummer's To Have Toy Town Preview

Santa is here, children. Well, not exactly, but he will be here Friday night of this week at Plummer's department store on West Main street.

Yes sirc, it's the real thing. Santa will be at the formal opening of Toy Town at Plummer's from 7:30 until 9:30 Friday evening, all loaded down with free candy for the children and a gentle disposition to show you the latest in Toyland preview.

Nothing will be sold during the formal Toy Town opening—but it provides a mighty good chance to get acquainted with that elusive annual visitor who finds his way down the chimney.

BAPTIST CHURCHES TO SEND PRODUCE TO ORPHANAGE

Expect To Load A Car Here Next Thursday. All Asked To Co-operate

The Transylvania Baptist Association, through the Sunday schools, will load a car of produce here in Brevard next Thursday, Thanksgiving day, for the Thomasville Orphanage, Fred Monteith, superintendent of the county Sunday school association, announces.

"All Sunday schools in the Association are urgently requested to have a part in this movement," he said. "There is no better way for all to give to the Orphanage than this. If you don't have the case to give, you can give part of what you have raised in your garden or on the farm in the way of corn, potatoes, apples, turnips and in fact just anything you eat at home the boys and girls at the orphanage can eat.

Anything that is brought to the car will be weighed and the driver of the car or truck bringing it in will be given a receipt for the number of pounds brought. The weights will then be sent to the orphanage and they will set the price and send to each church a credit memorandum showing what the produce is worth in dollars and cents.

"If Thanksgiving day was to be rainy and bad, bring your produce the next day, Friday. We want to get it loaded the first day if possible so it can be moved as the government wants to keep the cars rolling. Please don't fail to get this before your Sunday school Sunday if you haven't already done so, as this will be your last Sunday before the car is loaded."

EARLY CHRISTMAS MAIL IS REQUESTED BY POST OFFICE

Armed Forces Increasing Mail. Early Mailing Is A Necessity

Postmaster Coleman Galloway, of Brevard, today pointed out that the Post Office Department now is starting the most gigantic task in its history—the movement of a deluge of Christmas parcels, cards and letters while maintaining the regular flow of millions of pieces of mail daily to and from our armed forces all over the world.

Indications are that the volume of Christmas mail will be the largest on record. Already in September, latest month for which figures are available, retail sales had reached a level second only to the record month of December, 1941, according to the Department of Commerce. And sales are rising. Such heavy purchases always presage heavy mailings.

If thousands of our soldiers, sailors, marines and civilian friends are not to be disappointed at Christmas time, the public must cooperate by mailing earlier than ever before and by addressing letters and parcels properly. The best efforts of the Post Office Department alone cannot be enough, in view of wartime difficulties faced by the postal system. The public must assist.

Mrs. Mackey Wins County Canning Contest

Mrs. E. H. Mackey, of Penrose, won the first prize in the recent canning contest held here. Shown in the above picture with Mrs. Mackey is Miss Annabel Teague, county home demonstration agent who helped sponsor the contest. They are admiring the entries, and especially the winning ones. (Staff Photo).

Women To Conduct Big Sale Of War Bonds Here During "Women At War Week" Starting Sunday

Methodist Pastor

REV. W. A. JENKINS, who succeeds Dr. E. P. Billups as pastor of the Brevard Methodist church. He was formerly president of Davenport College.

'A' Gas Ration Is Cut To 3 Gallons

Effective this Sunday the value of gasoline ration coupons in A books will be cut from four to three gallons, the OPA announced Tuesday night.

Further reductions in fuel oil for heating is expected to be announced soon.

Various Organizations To Promote Sales On Streets. Quota Is High

The week beginning Sunday and lasting through Saturday, November 28, has been designated as "Women at War Week" in the nation and the women of Brevard and Transylvania county have made plans to make this the greatest war bond selling effort since Pearl Harbor. Mrs. J. M. Allison, chairman of the woman's division of the county war savings staff, announces.

"We are calling on every patriotic Transylvania county woman to help sell war bonds and stamps next week," she stated.

Women of various organizations here will conduct war bond sales on the streets here every day next week and the public is urged to co-operate.

The sales schedule is as follows: Members of the Music Lovers club and the Brevard Wednesday club are to hold the sale next Monday, the Mathatasians and Fortnightly clubs on Tuesday, the Brevard P-TA on Wednesday, Brevard home demonstration club on Friday and the Women's Civic club on Saturday.

Mrs. Roosevelt has appealed to all women to "do their part." One of the slogans for the Thanksgiving week drive is "T. N. T.—Today, Not Tomorrow."

"In our struggle for freedom, we find a sudden insight into the need for war bonds and stamps."

Annual Sale Of Christmas Seals To Start In County Next Monday

The annual sale of Christmas seals, sponsored by the Tuberculosis Association, starts next Monday and lasts until Christmas, R. T. Kimzey, chairman, announced today.

"This year the Christmas seal sale takes on added significance because of war conditions," he stated. "Experience has taught us that wars and emergency conditions have always resulted in a marked increase in tuberculosis. Already there are indications of such increase."

Funds derived from the sale will be used in the county, as well as the nation, to help fight tuberculosis, the most dreaded of all diseases.

They will be used to buy milk and special food for underprivileged children who are affected by tuberculosis and to prevent the spread of the disease among the people by paying for X-ray and

other preventive diagnosis and treatment.

It is pointed out that 30 years ago tuberculosis was at the head of the list of diseases. Since the start of the work supported by Christmas seal sales, it has now been pushed down to 17th place. A half of a million people in the nation are now suffering with the disease, however.

Mrs. Dora M. Patton states that one pressing need in the county right now concerns an arrested case that needs dentures which cost \$30. "Food is necessary but she cannot get nourishment from the food unless she has teeth. Buying Christmas seals will put teeth in the fight against tuberculosis."

Mrs. E. F. Tilson is treasurer of the association. Members of the committee include Jerry Jerome, Donald Moore, Mrs. N. A. Miller, Miss Alma Trowbridge, Miss Jessie Mae Alexander.

GOVERNOR COOPER KILLS DEER MON., 350 IN HUNT TODAY

Largest Bear Weighs 242 Pounds And Largest Deer 192 Pounds Dressed

GOVERNOR IS HAPPY

A grand total of 60 deer and 6 bears were killed the first three days of this week in the Pisgah National forest deer and bear hunts in the Davidson river and Wilderness areas.

The annual hunt opened Monday with 350 hunters from 7 states participating and 28 deer and 3 bears were bagged on the opening day with Governor Prentice Cooper, of Tennessee, killing one of the deer.

Starting today and lasting for the next three days hunting switches to the North Mills river, Pisgah Ledge and other Wilderness areas.

J. H. Longshore, game refuge supervisor who is in charge of the hunt, said last night that 350 men are booked to take part in these three-day hunts.

The largest deer killed so far weighed 192 pounds dressed and was killed Tuesday by W. P. Garren, of Hendersonville.

Gets 242-Pound Bear Dr. Benjamin I. Harrison, Knoxville, Tenn., surgeon, killed the first and the heaviest bear. It weighed 242 pounds dressed and was estimated to be four years old. Another Knoxville man, W.

35-MILES-HOUR LIMIT WILL BE RIGIDLY APPLIED

Rationing Board Cautions Motorists. May Lose Rationing Rights

Motorists who are caught driving over 35 miles per hour may be denied both gasoline and tire rations, members of the Transylvania rationing board cautioned this week.

It was pointed out that a person found guilty of driving at a greater speed than 35 miles an hour may be denied rationing privileges completely.

If the board receives a record of court conviction of speeding, whether in this or some other state, it need not give the offender a hearing, but may recall his ration book, the regulations state. In case of a complaint of speeding, the board may give the offender a hearing and if it should find he was in fact guilty, it may revoke and cancel his book.

"Both gasoline and tire rations may be revoked by local boards after hearing whenever a person uses a ration for any purpose other than that for which it was granted," the state OPA director points out.

"There are sufficient teeth in the new regulations to insure the public compliance with them," he said. "The OPA must guard the home front in order that the battle front may be adequately sustained."

TRUCK WAR NECESSITY CERTIFICATE DEADLINE POSTPONED UNTIL FIRST

The deadline for requiring all trucks and taxicabs to have certificates of war necessity has been extended from November 15 to December 1, it was announced this week.

The delay has been due to a lag in getting application forms delivered and approved.

It was also announced that truck owners whose rationing books expire or give out before December 1, may apply to the local rationing board for supplemental coupons.

At that time a new issuance of gasoline coupons for trucks will be made. To fill out forms, owners must have the certificates. They will be known as "T" instead of "S" ration books, it is stated.
