

THE SECOND WAR LOAN DRIVE IS ON

Start Punching From Your Pockets!

America's war machine is growing—growing!

It's getting ready to deliver a tremendous, irresistible wallop that will smash the axis flat—once and for all.

But brother — that punch has got to start from **your pocket!** And now's the time to let it go!

Uncle Sam is asking us to **lend** him 13 billion dollars this month. 13 billions of extra dollars—over and above any War Bond buying that you'd be doing anyway! Money to buy ships and planes, money to feed and clothe and arm and train the millions of your fellow Americans who will deliver this punch—who are ready to work and sweat and die to keep the place you live in safe.

Uncle Sam is asking you to back them up. He's asking you to lend the money they need by investing in War Bonds.

In the next few weeks, you may be visited by one of the thousands of volunteers who are giving their time and effort to this Drive.

But don't wait for him. Today—now—go to your nearest bank or Post Office or place where they sell War Bonds. And for your Country's sake—for your own sake—invest all you can!

There are 7 different types of U. S. Government securities—choose the ones best suited for you!

THEY GIVE THEIR LIVES . . . YOU LEND YOUR MONEY!
