Opening Game Of Season. Play Here Next Wed. Line-Up Is Given

In the opening game of the season, the draft-riddled Brevard College baseball team will play the Asheville School for boys at Asheville Saturday afternoon.

Since Nevin Rice left for the Navy air corps, Odell Buckner has taken over the player-coach duties and has whipped together a formidable outfit which will be in top shape for the opening game.

Four regulars will be in the starting line-up, but the bulk of the team will be made up of freshmen.

Starting in the box Saturday will be Rupert Norfleet, a sophomore who is playing his first year of baseball. Coach Buckner will be behind the plate. Others in the probable starting line-up are Charles Coleman, center field; Andy Barker, third base; Lonnie Bishop, short stop; Ernest Banner, left field; Albert Hand, first base; Doug Jones, right field; Bob Hauss, second base.

Freitus Dawsey and Doug Jones will be the relief pitchers. Bill Swan, Andy Wyatt, James Crowell, Bill Morris, B. D. Rodgers and John Vassey will go to Asheville with the team as subs.

The Saturday game is the first of a 2-game series with the Asheville team. Next Wednesday the Blues will come to Brevard for a return game. Manning Gardner is manager of the team this year.

## CHANGES IN SHOE RATIONING MADE

Six Changes Announced That Are Of Vital Interest To All Dealers

Amendment number 9 to the shoe rationing regulation makes several important changes regarding dealers' operation during the next few weeks, Mrs. Ernestine Davis, of the rationing board here, announces.

These changes are: 1. Regardless of the size of business, shoe establishments with a regular bank account must open a ration bank account. Others are not eligible for this service.

2. Inventory is to be taken as of the close of business Saturday, April 10, and must be filed no later than April 17. Dealers eligible for bank accounts file at the bank; others send their inventory to this office.

3. Shoes in transit to a dealer are not included in this inventory. 4. Dealers may not buy or sell rationed footwear after April 17, unless they have filed the inventory.

5. Dealers may ship shoes to other dealers through April 24, without collecting currency in advance. After that date, no shipment may be made except after collecting ration currency.

6. After May 6, 1943, no dealer may buy shoes until he has paid all of his ration debts.
