Good Tourist Season For Brevard And W. N. C. Is Predicted

INQUIRIES ARE GOOD AS USUAL PLANS GIVEN

Florida Travel Officials Also Predict Good Season In Mountains

In spite of war conditions, officials of the Brevard chamber of commerce, as well as similar officials in neighboring towns are of the opinion that the tourist business in Transylvania county and in western North Carolina will be good this season.

"From information that we have obtained to date, the outlook is bright," C. M. Douglas, president of the chamber of commerce, said this week.

"So far we have received as many inquiries as we have ever gotten in previous years up to this time," Mrs. Ralph Fisher, secretary, stated.

"Almost everyone who has written me said they planned to spend two or three months here," she declared.

Chamber of commerce officials in Florida also make optimistic predictions concerning the tourist possibilities in the mountains this season.

A good deal of literature on Brevard and the county has been mailed out already and the chamber of commerce plans to send a letter, together with a folder, to every person who has been here during the past two years.

All hotels, inns and boarding houses are requested to get up their lists and turn them over to commerce officials at once.

The literature will stress the fact that there are no defense plants or army camps located in this section.

Printed below are brief quotations from replies received from nine officials in Florida by the

Hoey Will Offer For Senate Seat Held By Reynolds

Former Governor Clyde R. Hoey told reporters in Raleigh Tuesday that he would be a candidate next year for the U. S. senate seat now held by Robert R. Reynolds of Asheville.

His announcement was phrased in 19 words, as follows: "I will be a candidate for the United States senate from North Carolina in the Democratic primary next year."

Mr. Hoey said it was too early to make a more elaborate statement but he promised to wage a statewide campaign when the contest gets under way.

Another development of interest on the political front was the withdrawal from the race for governor of Judge Wilson Warlick of Newton, which left two avowed Democratic aspirants for the position—state Senator Gregg Cherry of Gaston and Dr. Ralph MacDonald of Chapel Hill.

The announcement of Mr. Hoey followed by a few days the withdrawal from the senate race of O. Max Gardner of Shelby, a former governor and brother-in-law of Hoey.

Mr. Hoey was governor of the state from 1936 to 1940 and is 65 years old.

\$89,219 RAISED AT RALLY HERE TUESDAY NIGHT

Total Purchases Ample to Buy Bomber For Allied Use

WAR VETERANS HEARD

Purchases of War Bonds pledged at the Victory Rally at the local high school building last Tuesday evening swelled Transylvania's total to \$339,715, or more than three times the assigned quota of \$107,300. Each purchase made during the evening was matched by Harry H. Straus and the balance required to buy a bomber was raised in about ten minutes amid frequent outbursts of applause. The evening's total subscriptions amounted to \$89,219.

Edward H. McMahan, chairman of the bond drive in Transylvania county, presided. After a number of selections by the Ecusta band and invocation by Rev. B. W. Thomason, Mr. McMahan stated the purposes of the meeting, one of which was to boost the county's pledges to \$300,000. Mr. McMahan presented R. F. Bennett, superintendent of Ecusta Paper corporation, who introduced the president, Mr. Harry H. Straus.

Quota Too Small

Mr. Straus said he felt that the Transylvania quota was too small and declared that government bonds were a gilt-edged investment. It is imperative, he stated, that the people buy bonds to keep our soldiers supplied with the implements of war. Mr. Straus said that Ecusta had already made a "substantial subscription," but that he would augment it by matching all purchases made that night.

Material Late In Arriving. Request Is Made For All Reports

Because of the late arrival of material, the sale of Easter seals in Brevard and Transylvania is still under way, Chairman Jerry Jerome announces.

Stamps have been mailed out to 500 persons, with the request that the seals be used on outgoing mail and that \$1.00 be mailed to Treasurer Donald Lee Moore.

"If you wish to make a larger investment in this humanitarian work, shares of happiness certificates are available in \$5, \$10, \$25 and \$50 denominations," the letter from Mr. Jerome stated.

Money raised from the sale is used for the care and treatment of crippled children. The county's goal this year is \$300.

Everyone is urged to contribute.
