

# Provisions Of New Pay-As-You-Go Tax Measure Announced; Deductions Will Be Made Starting July First

First \$12 Per Week For Single Persons Exempted And \$24 For Married

The compromised pay-as-you-go tax bill that has been heatedly debated in Congress for the past four months is now a law and starting July 1, deductions will be made from wages and salaries to pay individual income taxes.

- 1. Puts into effect July 1, a 20 per cent withholding levy on wages and salaries, above basic exemptions of \$12 weekly for single persons and \$24 weekly for married, plus dependent allowances.
- 2. Abates a full year's tax (the lesser of 1942 or 1943) for all persons owing \$50 or less in that year. A "notch" provision gives everyone owing up to \$66.67 a \$50 cancellation.
- 3. Cancels 75 per cent of the lesser of either 1942 or 1943 taxes for other persons, with provision that they pay the remaining 25 per cent in two equal installments in March, 1944 and March 1945.
- 4. Requires persons with more
