Home Demonstration Women Report Much Canning This Year

The home demonstration club women of Transylvania county have canned over 1,800 quarts of fruits and vegetables during July, according to recent report from Miss E. Annabel Teague, home agent.

In addition to the canning they have also made 135 clothing articles, purchased \$1426.80 worth of war stamps and bonds, and remodeled a number of rooms in their homes.

The club women made sandwiches which were sold at a recent Farmers Federation picnic, and turned the proceeds, \$25.07, over to the local Red Cross chapter.

The 4-H club girls are also doing good work according to Miss Teague. They have helped with the canning of 694 quarts of produce, put \$82 into war stamps, prepared 268 meals, and spent 398 hours in their Victory gardens.

DIET OFTEN CAUSE OF THIN SHELLED EGGS

The production of thin shelled eggs during the summer can not be corrected by causing hens to consume more oyster shell or some other form of lime, says Roy S. Dearstyne, head of the poultry department at N. C. State College. He points out that, in most

cases, the birds have been laying for a long period of time and have exhausted their body reserves. Thin shelled eggs may usually be regarded as an index that the bird is about to complete her laying period and this fact should be valuable as a culling guide.

Dearstyne says that egg shells are chiefly calcium but are formed when calcium, phosphorous and

possibly other minerals are broken down in the process of digestion. Research study also reveals that certain levels of vitamin D are necessary in preparing the minerals for bone and egg shell formation.

Stockmen are warned to be on the watch for screwworm flies since several outbreaks occurred in the Southeast during July.

TWIGGS KILLS LARGE RATTLE SNAKE MON.

On the Mill hill road near Rockbrook Earl Twiggs ran over and killed a large rattlesnake Monday night that had 14 rattlers, and a short distance away he also killed a copperhead snake.

"That was the largest rattler I ever saw," he declared.

BACK TO GOD, AMERICA!

VICTORY IS OF GOD

God alone can give us victory over our enemies, bring our boys home, and give us a righteous enduring peace.

Let us, as a nation turn back to the God of our fathers and seek His forgiveness for profaning the Name of God, for our neglect of the Word of God, the House of God, and the Day of God; and for our failure to believe in and receive the Son of God, the Lord Jesus Christ, as our own personal Savior and Lord, and for not telling others who do not know Him. God has said: "Seek ye the Lord while He may be found, call ye upon Him while He is near." Isaiah 55:6.

WASHINGTON'S General Order

Issued in New York, July 1776

The General is sorry to be informed that the foolish and wicked practice of profane cursing and swearing, a vice heretofore little known in an American army is growing into fashion. He hopes the officers will, by example as well as influence endeavor to check it, and that both they and the men will reflect that we can have little hope of the blessing of Heaven on our arms, if we insult it by our impiety and folly. Added to this, it is a vice so mean and low, without any temptation, that every man of sense and character detests and despises it.
