Jaycees Want Jeep To Boost Sale Of Bonds

speaking to the local chapter of Jaycees last Tuesday night, Ed H. McMahan, county chairman of the Third War Loan drive, predicted that the county would again reach or surpass the quota assigned to it. He did not, however, underestimate the magnitude of the task assigned and recited the various steps, including rallies all over the county, that were being taken to inform the people with regard to the urgency of the undertaking. Members of the Jaycees were urged as individuals to buy bonds as freely as they could.

A motion was passed to get a jeep to come to Brevard some week end during September to stimulate the sale of bonds and the chapter voted to donate \$25 toward the expense of the bond drive.

Howard Schmidt was appointed chairman of a post-war planning committee, which will work in concert with similar groups representing other chapters in the state. Other members of the committee are W. E. Turner, Ashby Johnson and William Bangs.

Fred Taylor was renamed chairman of the projects committee, whose function it is to foster projects to raise funds for various club activities. Other members of the group are Paul Pipkin, John Pickelsimer and George Page.

It was revealed at the meeting that the series of street dances which ended Monday night after continuing over a period of nine weeks was a pronounced success as shown by the interest manifested, both by local citizens and visitors. The decision was made to resume the dances next summer.

The next meeting of the chapter will be held Sept. 14 in the W.O.W. hall.

teachers to co-operate to the fullest extent in promoting the sale of bonds this month. Among other things, he requested the principal of each school to select a person in each school area to serve as chairman and suggested that each principal also serve as co-chairman.

Mr. McMahan commended the schools for their fine co-operation with the war bond drives last year and said he was sure that full co-operation would be obtained again this school year.

Rev. W. A. Jenkins conducted devotional exercises and during the business session, Supt. Jones explained the teacher retirement system, methods for distribution of textbooks and supplies and urged the teachers to stress the importance of sanitation and health and the development of habits of cleanliness.

MRS. DAVES, CHILDREN ACQUITTED OF CHARGE

A preliminary hearing was held in Sylva Tuesday afternoon for Mrs. Elsie Daves and her three children, James, Jane and Buddy, who were charged with murder as a result of the death on August 10 of Harley McCall, which occurred following a shooting scrape in the Pinhook section of Jackson county. No probable cause was found and the accused were released. They were represented by E. H. McMahan of this city. Ira Daves suffered fatal injuries in the same imbroglio and died in the local hospital a few days later.
