each group will be inducted before men are selected from the next group. These groups are as follows:

"1—Men with dependents.  
"2—Men with collateral dependents, provided such status was acquired prior to December 9, 1941.  
"3—Men who have wives with whom they maintain bona fide family relationships in their homes, provided such relationships were acquired prior to December 8, 1941.  
"4—Men who have children with whom they maintain bona fide family relationships in their homes, provided such relationships were acquired prior to December 8, 1941. (A child born on or before September 14, 1942, should be considered as having been conceived prior to December 8, 1941, and a child born on or after September 15, 1942, should be considered as having been conceived on or after December 8, 1941, unless there is affirmative evidence of a medical character which clearly established that birth was delayed.)

Sub-Groups  
"Group 4 is divided into two sub-groups. The first sub-group will be exhausted before any men are called from the second sub-group. These sub-groups are as follows:

"A—Registrants classified in 1-A because they left an agricultural occupation or because they are engaged in a non-deferrable activity.  
"B—Other registrants who are reclassified from 3-A to 1-A as a result of the current directive.

"This means that Pre-Pearl Harbor fathers who continue to engage in non-deferrable activities will find themselves subject to induction prior to registrants who are engaged in other employment. The list of non-deferrable activities contains 118 separate occupations and is on file in every local board office in the state. It is available for inspection by every registrant. It is considered that fair warning has been given to fathers who have dependent children to remove themselves from non-deferrable activities or face the possibility of early induction."

EFFECTIVE SEPTEMBER 1ST  
All Deliveries Will Be Strictly COLLECT ON DELIVERY

Money must be collected at place of delivery. Please do not ask us to make any exceptions. Routeman's orders are: NO exceptions made.

This change is made necessary due to our shortage of help, and our new labor saving, record keeping system for our route salesmen. It eliminates the necessity of keeping daily records of unpaid tickets or spending hours on Saturday making collections or reports on same. The existing government orders prohibit call backs. Therefore we are making every effort possible to cooperate with our government in saving labor, tires, gas, etc. We sincerely hope that our new system will not cause any inconvenience to anyone. We ask for your full cooperation PLEASE! We are doing our utmost to give a better and more efficient service. In order to do this, we ask that you always send itemized list with each bundle of laundry, and when possible, place phone orders the day before. Be sure that money is ready at place of delivery on day work is expected.
