## ENROLLMENT TO REACH 300 MARK

### Brevard Junior College Is A Unique Institution

#### GIRLS OUTNUMBER BOYS 4 TO 1; 11 STATES INCLUDED

Large Number In Freshman Class. Around 30 Students Taking Pre-College Work.

Enrollment at Brevard college this year now totals around 260 and it is expected to reach 300, President Eugene J. Coltrane announces.

Boarding and day students for the fall semester today number 227 and 40 students were enrolled during the summer term. At least 40 more are expected during the rest of this fiscal school year.

Enrollment in the freshman class is approximately 150. In the sophomore class there are 46 students and in pre-college around 30.

Students at the college this year come from 11 different states, extending from New Jersey to Florida and Mississippi. A majority of the students, however, are from North Carolina. There are 15 from South Carolina.

The eleven states are North and South Carolina, Virginia and West Virginia, New Jersey, Mississippi, Florida, Ohio, Maryland, and Georgia.

A large number of students are enrolled from Brevard, numbering 27 in all. Nineteen of them are either freshmen or sophomores and 8 are taking pre-college work.

This enrollment is as good if not better than last year. Girls far outnumber the boys.

#### EQUIPS STUDENTS FOR LIVING MORE ABUNDANT LIVES

#### Attention Is Given To Mind, Body and Soul. Has Three-fold Program.

Brevard College is a unique institution that not only prepares young men and women to pursue higher education, but also it equips those who are unable to continue their educational careers with a well-rounded, well-balanced education so that they can find their places in the world and live more abundant lives.

Students are trained to think for themselves, to get along with others, to like to work, to be reverent, and to have strong healthy bodies. In other words, attention is given to body, mind and soul.

The educational program of the college freshman and sophomore years has been developed over a period of years by careful study of student needs and consultation with numerous experts in the field of education. In carrying out this program, three definite functions are performed by the college.

By offering the work of the freshman and sophomore years, Brevard college performs a preparatory function, thus making it possible for the student to transfer to the junior year of the four-
