

Mrs. Finck Elected Chairman Children's Federation

CLOTHING ROOM OPENED HERE IN BREVARD SCHOOL

Chapter Has Large Quantity Of Clothing For Distribution And Sale

Mrs. Herbert Finck was elected chairman of the Transylvania county chapter of Save the Children's Federation at a meeting on Tuesday night at the home of Mrs. Ashby Johnson here.

Mrs. E. W. James was chosen as vice chairman and Mrs. James Sledge as secretary. Rev. Harry Perry is treasurer.

The committee extended thanks to Mrs. E. F. Tilson and Mrs. Ashby Johnson for the fine work they have done as officers during the past year.

The federation's clothing room has been moved from Rosman into the basement of the Brevard elementary school and this room will be open every Tuesday morning from 9:30 until 12 o'clock for distribution of clothing to needy school children.

Sale Every Saturday
Sale of old clothing will be conducted every Saturday morning and the public is invited to take advantage of the many values offered. The first sale will be held December 4.

Money received from this sale is used to purchase new clothing for needy school children.

At the present time the local chapter has a large supply of all kinds of clothing. Requisitions for children's clothes must be sent in by teachers before they can be filled. Schools should apply to the office if their supply of requisition blanks is exhausted. Last year school bus drivers co-operated in making deliveries and it is believed that similar cooperation will be given again this year.

During the past year thousands of articles of clothing have been distributed. A report given by Mr. Perry at the meeting Tuesday night revealed that the chapter has \$292.53 in the bank with which to buy new clothing and shoes. A total of \$236 was spent during the last year. Only the chapter chairman is authorized

STRONG PROTEST

FROM PAGE ONE

lison, chairman of the county board of commissioners, have written letters of protest.

The complaints contend that the future tourist business of Brevard will be damaged if Greyhound leases the line and that the town and county can be better served by an accredited system like the Greyhound than it would or could be served by an individual or small independent operator.

"Passenger service on our railroad was abandoned nearly three years ago and we certainly do not want to lose Greyhound now," one member of the committee pointed out.

The proposed lease is for a period of five years with the privilege of renewal and the transportation committee thinks that a continued tie-up of the Greyhound lines would mean a loss of prestige with the traveling public and that Greyhound is better able to provide adequate and more approved riding equipment.

"We want to stay on the map and don't want anything done that will affect our tourist business," members of the transportation committee declare. "The future outlook for our community is bright and we believe that it will pay the Greyhound people to continue operation."

Hundreds of persons have signed petitions protesting the proposed lease.

Truthfulness at All Times

HIGHLIGHTS ON THE SUNDAY SCHOOL LESSON

By NEWMAN CAMPBELL

The International Uniform Lesson on the above topic for Nov. 28 is Exodus 20:16; 23:1, 7; Matt. 5:33-37; John 8:42-45, the Golden Text being Ephesians 4:25, "Wherefore, putting away falsehood, speak ye truth each one with his neighbor; for we are members one of another.")

"THOU SHALT not bear false witness against thy neighbor." This is the ninth commandment, and today we are studying about what the Bible says of lies and liars.

"Thou shalt not bear false witness." When we read those words we picture a court of law, a prisoner at the dock; a man or woman testifying for or against him. When one takes the witness stand, as it is called, one takes an oath upon the Bible to tell the truth, the whole truth and nothing but the truth, "so help me, God." It is a solemn moment, and we must be very careful to do just that. We must not guess or think something may be so. We must tell only what we really know.

A lie may send a man to prison when he is innocent. It may take away another's good name and make him a social outcast. It may cause all sorts of misery and unhappiness.

Truth Most Important

Truthfulness is one of the most important virtues we can possess. Not only will a lie hurt others, but it hurts the liar even more. They say of some man that "his word is as good as his bond," which means that such a person does not need to take an oath that he is telling the truth. Everyone believes what he says because he is known to always be truthful. Such a person is to be envied and imitated.

On the contrary, to be known as a liar is a dreadful thing for a man, a woman or a child. "I can believe my child," a mother should be able to say, "for he always tells me the truth." Lives have been ruined financially and homes broken up by lies.

False Swearing

Verses 1 and 7 of the 23d chapter of Exodus read: "Thou shalt not raise a false report; put not thine hand with the wicked to be an unrighteous witness." And "Keep thee far from a false matter; and the innocent and righteous slay thou not; for I will not justify the wicked." The ninth

commandment is expanded and developed in these words.

Our Lord said, "Ye have heard that it hath been said by them of old time, Thou shalt not forswear thyself, but shalt perform unto the Lord thine oaths. The word 'perform' has been interpreted to mean pay, or recompense, or render to the Lord thine oaths. This means the oath becomes a debt to the Lord, which must be surely paid when we take an oath which must be kept because it is a vow to the Lord.

The Jews of the time were very fond of swearing in the name of Jehovah, by the law, by the temple, by the altar, by the lamb, etc., much as children nowadays insist they are telling the truth by the statement, "cross my heart."

Jesus said, "Swear not at all; neither by heaven; for it is God's throne; Nor by earth; for it is His footstool; neither by Jerusalem; for it is the city of the great King. But let your communication be Yea, yea; Nay, nay; for whatsoever is more than these cometh of evil."

Tell Truth Without Oath

Quakers and Moravians will not take an oath because they think Jesus meant this literally that they should not swear under any circumstances, and the law allows them to testify without taking the oath. With us it is a mere form, however, as if we live as we should, we always tell the truth without swearing to do it. If we don't we are not true Christians.

The Jews claimed that they were children of God, but when He sent Jesus to them, they refused to listen to Him and hated and tried to kill Him. So Jesus told them they could not really be children of God or they would do His bidding.

"If God were your Father, ye would love Me: for I proceeded forth and came from God; neither came I of Myself, but He sent Me."

"Why do ye not understand My speech?" Their rejection and persecution of Him, He told them, proved that far from being sons of God, they must come from the devil, the evil one. "When he speaketh a lie, he speaketh of his own, for he is a liar, and he father of it."

"And because I tell you the truth, ye believe Me not." Isn't it a terrible tragedy that these people had Jesus in their midst, and they "knew Him not?" They were told the truth, but refused to believe.
