# Our Holiday Message To You

THIS CHRISTMAS will lack the joyousness of others that we have known. We are engaged in a war that has broken many home ties and fundamentally altered the normal course of our lives. The future holds for us many trials and hardships.

YET ALL of these things do not rob the occasion of its true significance nor deprives us of celebrating it in a worthy manner. Quite the contrary. Christmas, after all, is not a time for levity, for vain display or for harmful indulgence. Its real purpose is to commemorate the birth of Christ and to acknowledge our debt to Him for His compassion on us. Christ confronted a hostile world, even as the forces of righteousness today confront a hostile combine bent on our subjection. Our armed forces, wherever they may be engaged, are continuing in a worthy manner the battle for justice, freedom and enlightenment begun nearly 2,000 years ago when a great light shone at

Bethlehem and glad tidings went out to the world to proclaim the greatest event indeed in the annals of mankind. Puny indeed is the strength that any combination of men can bring to bear against this ageless message and the unconquerable hope it implants in the minds of men.

IN THIS SPIRIT we should observe the approaching holiday season . . . it should inspire us with a new hope, renew our courage and fortifying us against adversity. More than any other occasion it should impress upon us the exalted objectives to which we have pledged our utmost efforts . . . a world rid of the menace of evil-minded dictators who would deprive free men of their God-given right to order their lives as they see fit.

WE EXTEND sincere Christmas greetings to our many customers and friends and thank them for their liberal patronage during the year 1943.

## TO EACH AND ALL

May your Christmas of 1943 approach in joyousness the carefree Christmases of early years when you dreamed of the coming of St. Nicholas.
