The public is urged to make contributions to the library fund so that as many new books as possible may be added. There are now around 3,000 volumes in the library, but many of them are old.

The establishment of the public library is due in a large measure to the work of Mrs. Orr. As president of the Women's Civic club she sponsored this project.

One hundred and twenty years ago Clement Clarke Moore's jolly poem, "A Visit from St. Nicholas," first appeared. Each year since then it has contributed to the joy of Christmas. We want to say that if we were able to gather up all this joy and wrap it up in one big package it would hardly represent our wishes for your Christmas happiness this season of 1943.

The Spirit Of Saint Nicholas Is Still With Us!

HAPPY CHILDHOOD is now reveling in the magic world of reindeer, huge sleighs laden with wonderful gifts and St. Nick, the jovial white-bearded man who measures his own happiness by the amount of joy he can bring to others. They somehow draw the older ones into the cheer of the gay holiday season. May the spell of happiness reach you all at this Christmas time.

We measure our success by our ability to serve you satisfactorily. May we have the privilege of serving you in the future?
