## Sale of Christmas Seals Falls Short Of Goal In County

The annual sale of Christmas seals in Transylvania county has exceeded \$200 and when all reports are in it is believed that

the sale may reach the \$300 mark. The county quota was \$500 and one reason for not reaching this goal was attributed to the fact that a sufficient quantity of seals for the schools did not arrive. Mrs. C. Y. Patton stated. Mrs. E. F. Tilson is treasurer. The Boy and Girl Scouts aided in the sale.

# New Year Greetings!

EACH YEAR as we observe the holiday season, we are reminded of the many things for which we should be thankful. We remember innumerable instances of your good faith and good will and we recall the countless courtesies and favors with which we have been blessed and of the friendships, tried and proven, that have been ours to enjoy.

MINDFUL of these fine tokens of friendship, and of the thoughtfulness back of them, we desire to express sincere New Year wishes to each of you. While it is true that our business is of nation-wide scope and few of our customers reside in the county, still we appreciate the business Transylvania county people have given us during the past year, and it is among them that we have formed close business and personal relationships.
