NEW FOOD PRICE ADJUSTMENTS

To allow food processors upward adjustments of their maximum prices because of wage increases, the Office of Price Administration has amended food regulations covering canned fruits and vegetables, frozen fruits, berries, and vegetables, preserves, jams, jellies, pickles, pickled products, and apple products. OPA estimated that increases at retail will run not more than one cent a can or, in the case of frozen fruits, one cent a pound. There will be no increases in prices civilians pay for tomatoes, peas, snap beans, corn, peaches, and pears.

TIGHTENS RATIONING REGULATIONS

As a further move to stamp out the black market in gasoline, OPA has ruled that any local board or special hearing officer, after a proper hearing and a finding that the tire or gasoline regulations have been violated, may not only revoke a gasoline ration, but also may prohibit the use of gasoline in the violator's possession which was obtained as part of the ration.

CIVILIAN MEAT SUPPLY

About two-thirds (67 percent) of the United States supplies of meat available for all needs in 1944 has been allocated to U. S. civilians, according to the War Food Administration. This allocation will allow about the same per capita civilian meat consumption

in 1944 as in 1943. On a dressed weight basis, it is equivalent to approximately 132 pounds per capita for the year compared with the pre-war 1935-1939 average of about 126 pounds.

PRICE RISE IN '43 WAS SMALL

At the end of 1943, the general level of prices in wholesale markets was two percent higher than at the close of 1942, and the prices of staples that families buy in retail markets for everyday living were up by about three and one-half percent. This price rise was smaller than in any year since 1940, according to Frances Perkins, Secretary of Labor.

OPPORTUNITY FOR VETERANS

Returning war veterans may enter virtually any of the 30,207 apprentice training programs in the United States. Age restrictions and other limitations have been especially lifted for veterans in many apprenticeship standards so they may obtain training for skilled work, according to the War Manpower Commission.

LEND-LEASE FARM MACHINERY

Less than 3 percent of the United States production of farm machinery went for Lend-Lease between March 11, 1941, and November 1, 1943, according to the President's thirteenth report to Congress on Lend-Lease operations. Allied need for farm machinery was increased because of military demands. American Flying Fortresses now use airfields which four years ago were among Britain's best farms thus necessitating reclamation of marshes and rough hill land for farm acreages. When Australia was threatened by Japanese invasion in 1942, thousands of Australian farm tractors were conscripted for construction of military roads and airfields. Moreover, British and Australian farm machinery manufacturing facilities early in the war had been converted to ordnance production.

CONTINUE HOG PRICE ADJUSTMENTS

Adjustments in hog support prices, which have been in effect in numerous markets during December, will be continued until further notice, with minor exceptions. At any markets where no adjustment of the support level has been announced, the support price shall be one dollar per hundredweight below the maximum price in effect at such markets on November 29, 1943, under regulation of OPA.

CARD OF THANKS

We wish to thank our many friends and neighbors for their many acts of kindness and sympathy shown us during the illness and at the death of our son and brother, Hanford Landreth, and for the many lovely flowers. Mrs. A. C. Landreth and Family.

Transferred To Fla.

JESSE C. GILLESPIE, seaman second class, who recently completed his boot training at U. S. Naval training station at Bainbridge, Md., has been transferred to Fort Lauderdale, Fla., to attend Fire Controlman's school. Before entering service he was employed as a printer with the Champagne Paper corporation. He is the son of Mr. and Mrs. Ed Gillespie, Brevard.

JUSTUS BABY PASSES

Funeral service for Charles Richard Justus, 3-month-old grandson of Mr. and Mrs. W. L. Justus, of Brevard, was held Dec. 27 at Pleasant Grove, Henderson county. The baby died the previous day, following a brief illness of double pneumonia. Rev. W. S. Price conducted the service, and burial was in the church cemetery.

Oakland Boy Drinks Oil Instead Of Water

By **MRS. LEE NORTON**
Billie, small son of Mr. and Mrs. Jerry Moore, drank by mistake a cup of kerosene oil for a cup of water, which made him quite ill temporarily. No serious results followed, however, since he immediately became nauseated, which proved to be to his benefit. Here's our first aid advice: Never leave anything around that a child should not handle, as all children are inquisitive.

Among the New Year's gifts we received was a beautiful homemade cake presented by Mr. and Mrs. Dan Reid and was greatly appreciated. All who sampled it pronounced it excellent.

With fighting going on all around them, two overseas service men, Lane Sanders and C. W. Fisher, remembered to send season's greeting to their Grandmother Norton, which she greatly appreciated.

Mrs. Belzie Nicholson is spending some time at Sapphire with her daughter, Mrs. James T. Harrison, and Mr. Harrison.

Mr. and Mrs. Ray Sanders and Mr. Bumgarner, of Dandridge, Tenn., were week-end guests of the former's parents, Mr. and Mrs. I. S. Sanders.

Mrs. Mary Burgess and Gus Galloway were recent visitors of their sisters, Mrs. Fowler and Mrs. Foster, in Brevard.

A number of our people remain on the sick list and a few more were added last week, among whom were Mrs. Vess Chandler and Mrs. Lee Norton.

CARD OF THANKS

We wish to thank our many friends and neighbors for their floral offerings, kindness and help during the illness and death of our beloved wife and mother. J. E. Greer and Family.

College Cagers Lost To Army Air Corps Team Sat.

The strong Weather Wing cagers, who finished second in the first half in the Asheville City cage league, walloped Brevard college here Saturday night 53 to 39, but had to put on a second half spurt to win.

At the half the score was knotted 25-25 and looked like anybody's game. However in the third period Weather Wing drew ahead 35 to 32, then never relinquished the lead.

Brand sparked the victory for Weather Wing, collecting 21

points, with Singer getting 13. Brannon bucketed 16 points for Brevard and was a scoring threat throughout.

The lineup: Brevard (39) Weather Wing (53) F—Brannon (16) Brand (21) F—Phillips (6) Rominger (3) C—Warrick (6) Snizer (13) G—Crowell (4) Kelly (6) G—Tweed (5) Burkhalter (3) Subs: Weather Wing, Arnold, Rogers (3), Schwarckett, Seelenbinder (2), Jones, Rhodes (2), Lowry, Brevard, McCall, Kappers, Hunter (2). Referee: Crenshaw.

LEASING OF BUS LINE IS OPPOSED

Kiwanis Club Joins Others In Fighting Lease Of Hendersonville Line

Brevard Kiwanians, in their meeting here last week, unanimously went on record as opposing the lease of Greyhound franchise Brevard to Hendersonville to an individual operator.

A resolution was passed during the business session of the club deprecating the move which would allow the City Bus company of Hendersonville to take over operations of the highly important line.

It was pointed out by members of the club that the small operator who is seeking the franchise lease had small and inadequate equipment, and that to permit such operations would be a distinct backward step to the county and town, not only from a tourist standpoint but for comfort to home people as well.

Members of the club also promised to attend the hearing which will be held before the Utilities Commission at a date to be announced next week.
