

THE FOURTH WAR LOAN DRIVE IS NOW ON!

\$346,000 plus

Is Our Goal In TRANSYLVANIA

This is Your "Battle Flag." HERE AT HOME

Every patriotic American will want to display this emblem at home—on his front door or in his window. It is the red, white and blue sticker that says you have done your part in the 4th War Loan.

Display your colors now!

DURING this 4th War Loan Drive you are again asked to do something *extra* to help smash the Axis. *Your* part is to invest in at least one extra hundred dollar Bond. But don't stop there if you can do more. For remember—no matter how many Bonds you buy—no matter what denominations they are—you get back on maturity \$4 for every \$3 you invest. And that's on the word of Uncle

Sam, creator of the safest investment the world has ever known.

So before you look into your wallet—LOOK INTO YOUR HEART. Your company, the place where you work, has been given a quota to meet in this 4th War Loan Drive. Do *your* part to help meet this quota. And remember, millions of America's fighters are waiting for your answer, your pledge that you are backing them to the limit.

Let's All BACK THE ATTACK!

PLAY SQUARE... DO YOUR SHARE

HE DID!

Display your colors now!

Do you remember that soldier you saw on the bus with his arm in a cast? Do you recall that sailor you saw hobbling down the street on a cane? Have you noticed the list of casualties printed from time to time in this newspaper?

What you are asked to do, compared to the boys who are really *in* it, is easy. But *your* job is mighty important, too. Once

again you are asked to BUY AT LEAST ONE EXTRA HUNDRED DOLLAR WAR BOND. A Series E War Savings Bond will cost you only \$75 and you get back at maturity in ten years \$4 for every \$3 invested; this is the least you can do. Invest more if you possibly can—\$200, \$300, \$400. Remember, it all comes back with interest.

So play square—do your share. HE DID!

Transylvania county's war bond selling organization is now engaged in an intensive effort to sell \$346,000 worth of bonds—and more—between now and Feb. 15. The sum looks large, although it is smaller than our quota is September . . . and it will be raised easily if our citizens do their part willingly and courageously as our more than 1,200 men in the service. How many more bond drives we will have we do not know, but this we do know: There will be as many more as are needed to provide the money needed to prosecute this war and their number will be determined in part by the success of the present drive. 1944 has been called the Victory year . . . let's make it surer by buying bonds freely!
