

Women Are Asked To Make Surgical Dressings, To Honor Fallen Heroes

Jerry Jerome, chairman of the Transylvania county Red Cross chapter, has designated the month of February as a month for honoring Transylvania county boys who have died in service in World War 2 and has requested the surgical dressing rooms to pay tribute to these fallen heroes by making and shipping on or before the 29th 17,500 surgical dressings which are so badly needed.

There are six who have paid the supreme price and they are Richard Enloe, Chas. A. Mull, Hinton McLeod, Lewis Earl Jackson, K. I. Smith and Lewis Sims, Jr.

"Making this large number of surgical dressings seems to be very appropriate way of honoring these boys and I urge the women of Brevard and the county to cooperate to the fullest possible extent," Mr. Jerome said.

When the quota of 17,500 bandages is reached, a flag will be raised at the courthouse as a salute to the boys.

"We are going to do this in order

that every one will know that our memory of these young men is a living one and that we are commemorating their memory and service by doing all we can to prevent a shortage of surgical dressings.

"Perhaps this quota of 17,500 seems a little high, but in what greater way could we commemorate the memory of these Transylvania sons than to assure protection from infection for wounded on the front today?"

"With earnest, though sad thoughts, we take up their quarrel with the foe and as we hold close about us the memory of these boys we are inspired by their sacrifice and are urged onward by the immortal words of John McRae:

Take up our quarrel with the foe:
To you from failing hands we throw
The torch; be yours to hold it high.
If ye break faith with us who die
We shall not sleep.

CONNESTEE NEWS

BY JEANETTE CISON

All who can are invited to join the bandage making, which is held at the home of Mrs. Henry Carrier each Friday night, Sunday afternoon and every first Tuesday of each month from 9 until 4 o'clock. Just stop a minute and count how many boys you know in the army, navy and marines. Stop a minute and think how these boys are, or will soon be, in bloody battle for our own sake. Every bandage you make covers one more wound some boy has received battling to defend his country. Can't we all be a little help?

There are a few boys from Conneestee who are serving Uncle Sam. Pvt. Arthur Gravely is now a prisoner in Germany. Pvt. Paul Gravely is in New Zealand. Sgt. Roscoe W. Mull, who has been in service about four years, is somewhere in foreign service. Others are: Teddy Jennings, Pfc. John C. Masters, Seaman Harold Myers, Sgt. Marvin Whitmore. If you consider yourself a friend to these boys, why not be a better one by helping out all you can?

Mr. and Mrs. G. W. Whitmore and son, Shipman, and grandson, Merl Miles, are reported ill at their home here.

Mr. Jake Baker, of Cherryfield, is visiting Mr. and Mrs. F. P. Tinsley.

Mr. and Mrs. H. B. Glazener and son, Roland, attended the fifth Sunday singing convention at Brevard Sunday.

Bond Selling Rally Starts Campaign At High School Here

Over \$2,000 worth of bonds and stamps were sold at the bond rally held during the regular high school assembly period at Brevard high school yesterday afternoon. This rally marked the opening of the school's bond selling campaign.

R. T. Kimzey, school principal, presided at the meeting and introduced E. H. McMahan, who in turn introduced Charlie Douglas, Ed M. Anderson and Jerry Jerome, the special guests for the assembly.

Mr. McMahan, county bond drive chairman, thanked the student body for their wholehearted and enthusiastic backing of the bond drive, and Charlie Douglas stressed the fact that the members of the bond selling committee were thinking of the futures of school students and ones their ages when they made an effort to sell bonds.

Mr. Jerome opened the bond selling with the thought that if 1944 were to be the victory year it would be the hardest year of the war.

LET'S WIN THE WAR
and
Make it a War Worth Winning

Think you're doing enough to help our boys win this war? Remember, you're at home . . . safe! Alright . . . you ARE active in salvage drives, civilian defense, coping with rationing and shortages. But our fighting men are far from peaceful shores, face to face with all that war means. And that's more than an ugly sneer from the enemy. It's his vicious bombs, zooming torpedoes, deathly anti-aircraft. A tranquil, hometown sunny street can be only a dream to our men in uniform.
