## Bride-Elect

MISS EDNA EARLE NANNEY, above, whose engagement to Erwin Schranz, of Brevard, has been announced. The wedding will take place on Easter Sunday. Miss Nanney is the daughter of Rev. and Mrs. B. T. Nanney, of Brevard.

## METHODISTS WILL HAVE FELLOWSHIP SUPPER IN CHURCH DINING ROOM

A fellowship supper for members of the Methodist church will be held in the church basement next Tuesday night at 7 o'clock. A covered dish supper will be served, and each person or family group in attendance is asked to bring something for the meal. Some form of entertainment will be provided. It is pointed out that plenty of time will be allowed afterward for those who desire to attend the war bond rally auction at the Co-Ed at 9:15.

## D. A. R. CHAPTER HAS FEBRUARY MEETING

The February meeting of the D. A. R. chapter was held last Monday afternoon, with only a few members present due to the snow and icy condition.

The members met first at the Red Cross work room at 2 o'clock, where they worked on the surgical dressings until 4 o'clock. From there they went to the home of Mrs. J. H. West for the regular business meeting. It was reported that \$30 had been donated toward the blood plasma fund.

## McNEELY FAMILY HAS AN UNUSUAL WAR RECORD NOW

### Have Three Sons In Foreign Service And Son-In-Law Is German Prisoner

Of the eleven or twelve parents in Transylvania county who have four or more sons and daughters in service, Mr. and Mrs. Walter McNeely, of Lake Toxaway, have a unique record.

Their three sons are serving in three different branches of service, in three theatres of war and a son-in-law is a prisoner in Germany.

Cpl. Walter McNeely, Jr., who is in the army signal corps, is now in Italy and was in the North African and Sicily campaigns.

Harold is a seaman second class and is on a carrier somewhere in the Pacific. He was on the Wasp when it was sunk.

Bill, seaman second class, is in the Seabees and is thought to be in the fight in the Marshall Islands. Jimmy Alderman has been a prisoner in Germany for some time.

## One Half Quota Red Cross Bandages Made

(By a Monitor)

One-half of the month of February is gone and we are happy to report that one-half of our quota of 17,500 surgical dressings is made. This is a short month, and in order to complete the quota on scheduled time, we must continue the good work.

Our effort is on trial. We must not fail to meet the challenge. Our boys are over there preparing to give their all for us if necessary. The least we can do is to do our very best for them.

The surgical dressing room was opened for work last Sunday afternoon from 2 to 5. We had a fair attendance, and 1,341 dressings were made. Every one agreed it was a pleasant afternoon well spent. We will continue to be open on Sunday afternoons throughout this month.

## Await War Saga

THE FAMILY of war correspondent Lowell Bennett, shown in their South Orange, N. J., home, will hear one of the great stories of the war when he returns to this country. Representing International News Service, he failed to return from a Flying Fortress raid on Berlin. Word came through that he was a prisoner in Germany. Then came the most startling news — he had escaped and was wandering around in Nazi Europe, as revealed in an I.N.S. copyrighted story smuggled out to the U. S. (International)

## Good Church Record In Army Reported

Atlanta, Ga., Feb. 16—There are three Army outfits in the south-eastern states with a total of more than 13,000 soldiers and not a "heathen" in the entire lot, according to chaplains' reports reaching the office of the Fourth Service Command chaplain here.

The Protestant, Catholic and Jewish faiths are represented and the reports state that every man is a member of one of the three. Chaplain Eugene W. Philgrim, of Fort Jackson, S. C., reports that a Special Training Unit there, with approximately 2,500 men all are church members. Chaplain J. C. Richardson, Camp Blanding, Fla., states that the station hospital personnel numbering some 3,200, registers 100 per cent church members. An amphibious group at Camp Gordon Johnston, Fla., numbering about 6,000 men with every man a church member is the report of Chaplain Roger D. Winger.

Not only are they all church members, but they attend services. It is shown by the combined reports that from the three units, 6,753 attended church services last month, it being explained that often the duties of a soldier may make it impossible for him to attend services.

Osborne-Simpson funeral directors had charge of arrangements. Recent research by the Southern Regional Federal laboratory in New Orleans has pointed the way to reducing the loss of oil in damp cotton seed. More of this oil means more food for the table, the research men say.

## FINAL RITES HELD

FROM PAGE ONE

Mrs. Mamie Dale, all of Brevard; one son, Sheriff Freeman Hayes, of Brevard; two brothers, George F. Hayes, of Brevard, and Ed Hayes, of Los Angeles, Calif. His wife, Mrs. Lula Morgan Hayes, died about 30 years ago. Seventeen grandchildren, six of whom are in the armed forces, and four great-grandchildren also survive.

Pallbearers were grandsons, including, Alvin Hubbard, Buren Huggins, Bruce and Thern Cassell, Frank and Fred Israel.

Those in charge of flowers were granddaughters, as follows: Mabel Israel, Gladys, Lula and Pauline Cassell, Sylvia Mitchell, Beatrice Hubbard and Helen Huggins.

Mr. Hayes was a native of Transylvania county and had lived here all of his life. He was a member of the Calvert Baptist church. He was a prominent farmer in the county before failing health caused his retirement from active life.

Osborne-Simpson funeral directors had charge of arrangements.

# GOOD HEALTH IS ESSENTIAL

Here's one "campaign" that will reap rewards in healthful energy for you and your family now and in the future. See to it that your children drink at least a quart a day, and that each adult drinks his daily pint or more. Serve milk as a delicious beverage, use it to enrich other dishes, but never waste a drop! Remember milk is a valuable wartime ally . . . essential to building a strong America!

• Calcium is the chief builder of strong bones and teeth. A half pint of milk contains 38% of your daily calcium requirements.

• Vitamins are more abundant in milk than in any other food! . . . insuring healthy body functions.

• The phosphorous contained in milk helps assure healthful growth of body tissues . . . resistance to illness.

• Proteins are found chiefly in milk . . . the building-blocks of muscle, skin, and hair, necessary to replace day-to-day wear and tear on the body.

• Iron is the principal mineral necessary for healthful blood and bodily processes. Milk is rich in iron.

In our plant we produce only Grade A pasteurized milk. This milk is produced by herds which are under constant supervision and undergo periodic inspection by health authorities. Housing, utensils and the health of workers attending these herds are also checked to avoid tainting the milk. Thus at the source, as well as in our plant, the utmost care is exercised to see that the milk is clean, for on this one factor of absolute cleanliness depends in large measure its value as a food-beverage.

We will give a case (32 lbs) of butter at the Bond Auction Tuesday night (points required.)
