TWO COUNTY PRIMARY CONTESTS

Circulation Of Library Tripled Since February

MANY NEW BOOKS PURCHASED AND LIBRARY PAINTED

Harry Straus Contributes \$1,000. Other Contributions Are Made
MISS BEAL PLEASED

Circulation of the library here has more than tripled since it was converted into a free county-wide public library the first of February, Mrs. Lehman Kapp, librarian, announced today.

A large number of new books have already been purchased and many others will be added in the near future, she stated.

Mrs. Oliver Orr, chairman of the library board, also announced that Harry Straus has contributed \$1,000 to the new institution, bringing the total local subscription up to nearly \$1,700. Previously the town and county had each given \$160; the women's clubs of Brevard had contributed around \$160 and over \$200 had been raised from local business and industrial firms.

"This money, together with what we are receiving from state-aid will enable us to buy a good many more books and to improve the services of the library," Mrs. Orr stated.

"As the library continues to grow, we hope to expand its services and to establish book stations at Rosman and perhaps other points in the county."

Mrs. Orr also pointed out that the interior of the library building has been painted and beautified and that the library is now open three nights a week.

At the present time, the library hours are: open every day except Thursday and Sunday from 10:30 to 12:30 in the mornings and 2:30 to 5:30 in the afternoons; open Monday, Wednesday and Friday nights from 7 until 9 o'clock.

PUBLIC URGED TO BUY WAR BONDS

County Is Running Behind On Quota. Finance Committee To Meet Mon.

For the first time since the sale of war bonds was started, Transylvania county failed to reach its quota during the month of March and sales this month are running behind, Chairman Ed McMahan stated today.

The March quota was approximately \$36,000 and sales amounted to only about \$22,000. The April quota is \$35,000 and some extra work is badly needed to reach it, McMahan said.

"We made such an outstanding record during the Fourth War Loan drive that I'm not surprised at running a little behind on the March quota, but this month we must go over the top and I am now appealing to every man, woman and child in the county to buy."

Mr. Jones sent approximately 100 of the books to the two high schools and the remaining 150 books will be used as a circulation library in the smaller schools.

QUOTA PASSED IN BOY SCOUT FINANCE DRIVE

Further Contributions Will Swell Total For District McMahan Says

Reports made Monday night revealed that Transylvania district, Daniel Boone council of the Boy Scouts had exceeded its quota of \$935 in the annual adult membership enrollment campaign and further donations have been assured, Ed H. "As chairman of the Transylvania county district of the Daniel Boone council, Boy Scout of America, I wish to thank all those who enrolled as adult members and contributed to the reaching of the quota assigned to our district during the recent adult membership drive," Mr. McMahan said. "Scouting in this district has profited by the increased interest and we look forward to the best year yet in this program for training in future citizenship."
