King Calls Second Primary In Tax Collector Race

REID RECEIVED HIGHEST VOTE IN FOUR-MAN RACE

Galloway Chosen As Legislative Candidate. Cherry Led The Ticket

HOEY GOT BIG VOTE

Frank C. King, who was second high in a four-cornered race for tax collector in the Democratic primary election last Saturday, has called for a second primary. Fred Johnson, chairman of the Transylvania county board of elections, has announced.

T. E. Reid, present tax collector who was appointed some time ago to fill out the unexpired term of Edwin Morgan, who entered military service, received the highest number of votes in the race. Elmer Gillespie ranked third and Lem Brooks fourth.

This will be the only second primary contest in the county. Last Saturday Wallace Galloway got the Democratic nomination over Carl Allison for house of representatives, and there will be no state office second primaries.

In the tax collector's race, Reid led King by 166 votes. He received 667 votes, King 501, Gillespie 387 and Brooks 189.

The largest number of votes were cast in this contest, with the total being 1,744, which was just a little short of the estimated 1,800 votes predicted.

Galloway led Allison by 236 votes, getting 957 as compared with 721 for Allison.

Gregg Cherry led the entire ticket in Transylvania. The Gastonia lawyer and veteran legislator who received the Democratic nomination for governor received 1402 votes in this county, or 82 per cent of the total cast in the governor's contest. Dr. Ralph McDonald got 291 votes and Boyd 10.

For the U. S. Senate nomination, Transylvania gave Clyde Hoey a landslide vote of 1,353. Cam Morrison received 195 votes, Simmons

BIBLE SCHOOLS IN COUNTY STARTED

Schools Are Being Conducted By Miss Evelyn Stewart, Of Windsor

Daily Vacation Bible schools of the Baptist churches got underway this week and will continue in the different churches of Transylvania county throughout the summer.

Miss Evelyn Stewart, of Windsor, director of the Bible schools in the Transylvania association of the Baptist churches, opened the vacation schools this week with the one at Carr's Hill, which will continue every week-day morning from 9 to 11 o'clock through June 9. Beginning June 11, she will conduct a Bible school at Rocky Hill church at Cedar Mountain for one week, through the 16th.

Miss Stewart conducted vacation Bible schools in this county last summer, and is well known throughout the community.

Miss Lorena Merrill, of Penrose, is director of a Bible school at the Little River church, which began last Sunday. She will assist Miss Stewart in the work this summer.

Ralph Monaghan Is Promoted In Italy

HEADQUARTERS, 13th AAF, SOUTH PACIFIC—Ralph F. Monaghan, 210 East Main Street, Brevard, radio operator and gunner in a 13th AAF 5-25 medium bomber, has been promoted to technical sergeant. Sergeant Monaghan has participated in many low altitude strafing attacks against Japanese supply and troop concentrations and in several bombing missions over Rabaul, key Jap base in the South Pacific.

Sergeant Troy McCrary Is Given Distinguished Flying Cross In Presentation Made At Penrose

Delivers Address

DR. FRANK C. FOSTER, former president of Asheville college, delivered the commencement address at Brevard high school Tuesday night. Dr. Foster is now a representative of Save the Children's Federation, an organization that is doing fine work in this county.

CHERRY AND HOEY WON IMPRESSIVE VICTORIES ON SAT.

Hoey Defeated Morrison By Around 125,000 Votes. Cherry Lead, 50,000

With Transylvania county voters going exceptionally strong for both of them, Gregg Cherry received an impressive majority vote to become the Democratic nominee for governor and Clyde Hoey was winner by a landslide in the U. S. senate race in the primary election held last Saturday.

Final and official returns were not available last night, but unofficial returns showed that Cherry led McDonald by over 50,000 votes and that Hoey received around 125,000 votes more than were cast for former governor, Cam Morrison.

A total of over 300,000 votes were cast in the state and all of the incumbent state officers were re-elected.

Within less than eight hours after the counting was started, McDonald admitted his defeat and congratulated Cherry.

Cherry's vote in this county was 82 per cent of the total cast in the governor's race, and the Gastonia lawyer led the county ticket.

This was the second time that McDonald had run for governor and lost. The first time he was defeated by Hoey. The 1944 campaign began listlessly, but became heated toward the end.

Penicillin Drug Is Given In Brevard For First Time With Good Results

Penicillin was administered to a Brevard patient with successful results the past week, when this powerful new drug was used in combatting disease for the first time in Transylvania county.

Orville Simpson has been critically ill in Transylvania community hospital for several weeks with a malignant growth on his back. Sulfa drugs and other treatments failed to improve his condition, until the past week when his physician, Dr. J. B. Wilkerson, was able to secure some penicillin from Mission hospital, in Asheville, which is the distribution point of the medicine for this district. He ob-

Is Prisoner Of War In Germany. Award Presented At His Home

Staff Sgt. Troy O. McCrary, son of Mr. and Mrs. C. A. McCrary, of Route 1, Penrose, and who is now a prisoner of war of the German government, has been awarded the Distinguished Flying Cross by order of the President.

The medal was presented Mrs. McCrary recently at ceremonies held at their home by Col. Oliver H. Stout, commanding officer of the Greenville, S. C., Army Air Base, and other army officers.

Staff Sgt. McCrary received the Distinguished Flying Cross "for distinguished and meritorious achievement while participating in aerial flight against the enemy in operations against the Ploesti refineries of Roumania on August 1, 1943." The citation further states that the sergeant was instrumental in making possible one of the most destructive raids launched against the enemy in this war.

A letter was just recently received from Sergeant McCrary, now interned in Germany, stating that he was doing fine and looking forward to the day that he might return home.

McCrary was gunner and assistant radio operator aboard a B-24 Liberator bomber, "Chattanooga Choo-Choo," by name, when the plane was forced down over enemy territory on August 1, 1943. He was captured by the Germans on August 3rd, and has been a prisoner of war since that time. His family hears from him frequently through the International Red Cross. He was attached to the Ninth Air Force, which at that time was based in the Middle East.

Price Panel Drive Is Underway Here

A nation-wide drive for price panel assistants is underway this week and will continue in progress until June 10, it has been announced by Dr. J. F. Zachary, of the local war price and rationing board. The campaign here is a part of the OPA nation-wide drive to increase the number of price panel assistants throughout the country. Each one of the Transylvania board members will be asked to recruit one price panel assistant.

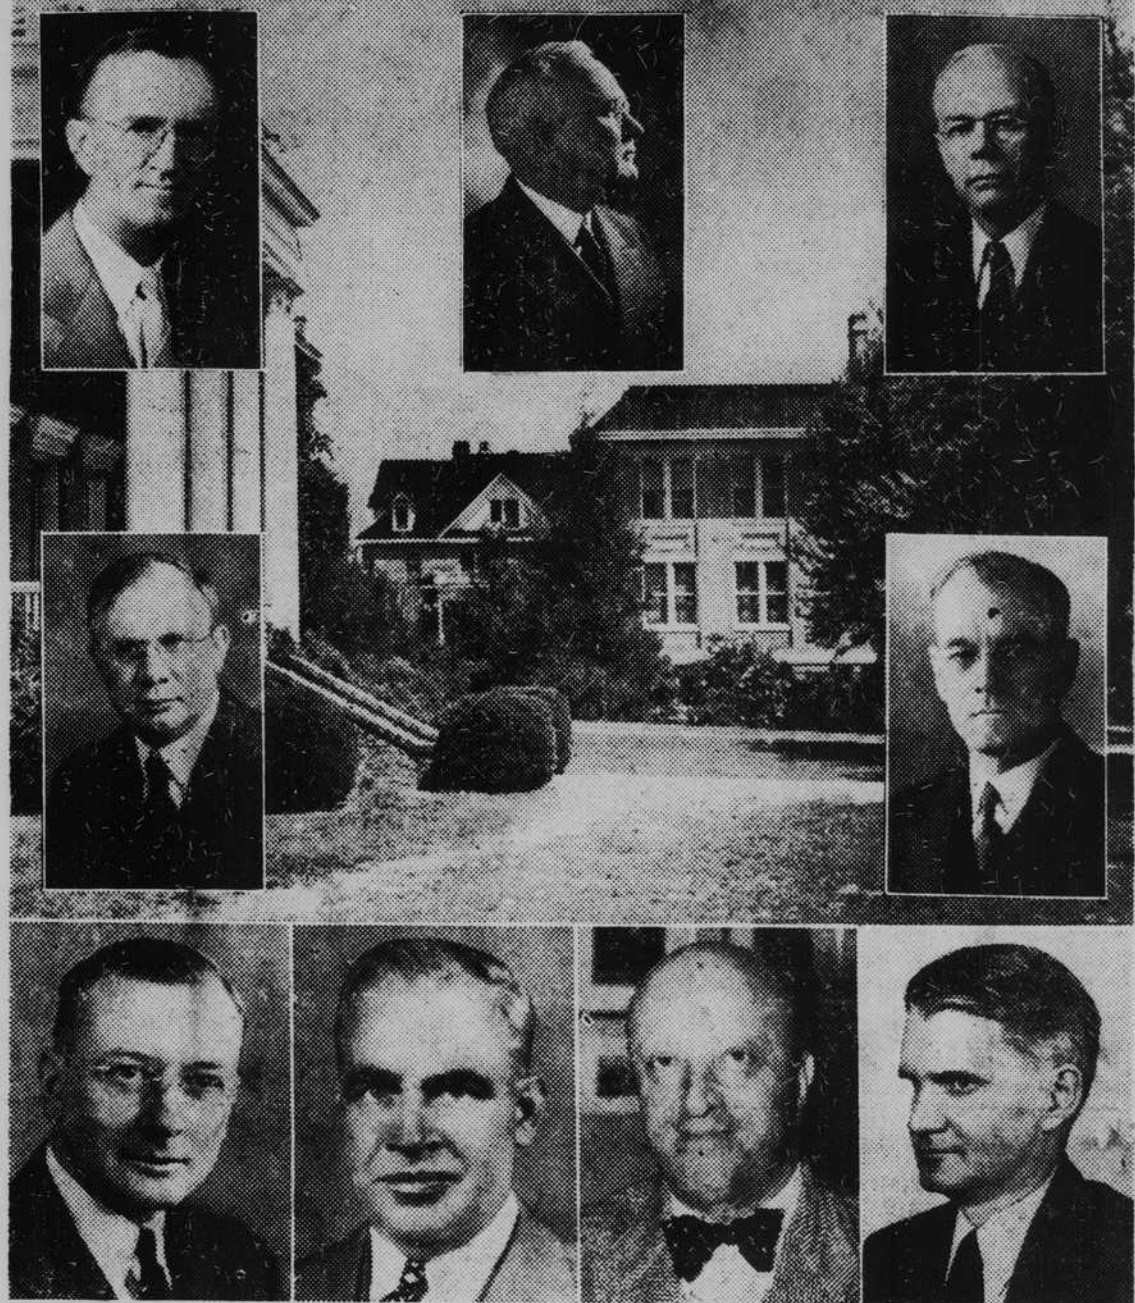

Dr. Zachary said that volunteers checked 41 food stores and helped storekeepers understand regulations during the check survey in March. He added, "We urgently need volunteers who will give retailers the information necessary for them to keep their stores in line, but we cannot hope to accomplish our local price control program unless we have more volunteers. We need enough price panel assistants to provide effective help for all of our merchants."

SEVERAL PROMINENT SPEAKERS ON COLLEGE PROGRAM

Nine outstanding educators, church leaders, manufacturers and business men will participate on Brevard college's four-day tenth anniversary celebration program. These men, shown above, are: At the top left, Edwin Jones, chairman of the board of trustees; Bishop Clare Purcell, President E. J. Coltrane. In the middle row, left, is Dr. John O. Gross, of Nashville, Tenn., and right, Dr. W. A. Smart, Emory University. On the bottom row, left to right, Dr. John R. Cunningham, president, Davidson college; Luther Hodges, vice president Marshall Field and company; Harry Straus, president of Ecusta and D. Hiden Ramsey, general manager, Asheville Citizen-Times.

PLAN TO OPEN A CANNERY HERE IN THE NEAR FUTURE

Some Equipment Has Already Arrived. Series Of Meetings Held

Plans are now being made to open a community cannery at the Brevard high school sometime in June, it was learned today.

The cannery is being established here through the co-operation of the federal government and its facilities will be available to every one in the county.

C. L. Simmons, Brevard agriculture instructor and R. E. Lawrence, vocational agriculture teacher at Rosman, will have charge of supervision of the cannery.

Some equipment has already arrived and the rest is expected to be received within the next few days.

Both teachers have been holding a series of canning meetings with farmers throughout the county, discussing planning, production, canning and storage of vegetables, fruits and meats.

Mr. Lawrence has held 14 meetings in the Rosman, Quebec, Lake Toxaway and Calvert communities.

Next week these men will attend a canning school.

GOLF COURSE OF COUNTRY CLUB IN GOOD CONDITION

The golf course at the Country club is in excellent condition and a number of persons are playing on it now, E. E. Fraser announced yesterday. The tennis courts are also in fine shape, he said. Tomorrow night a square dance will be held at the club.

67 High School Graduates Received Diplomas In County Tuesday Night

3 Stills Destroyed In Raids This Week

Three stills were destroyed by Transylvania county officers Monday and Tuesday.

One of the illicit outfits was a large 100-gallon steam still located on the Toxaway river. Over 600 gallons of beer were also captured. South Carolina officers assisted Sheriff Freeman Hayes and Deputy Brown in the raid.

In the same vicinity, a 70-gallon copper still was destroyed.

Tuesday a 60-gallon outfit and 100 gallons of beer were captured by Deputy Brown, Officer Arch Rogers and Roy Reece, federal officer, near the mouth of Flat creek on the French Broad.

Special Awards Presented Students. Foster Spoke On "Tolerance"

Diplomas were awarded to 67 Transylvania high school graduates at commencement exercises held at Brevard and Rosman high school Tuesday night.

Principal R. T. Kimzey presented diplomas to the 50 graduates at Brevard and Principal E. F. Tilson made the presentation to the 17 grads at Rosman.

Dr. Frank C. Foster, former president of Asheville college and now field representative of Save the Children's Federation, delivered the commencement address at Brevard. He was introduced by Ed M. Anderson and the invocation was given by Rev. Ashby

Three Brothers Were Valedictorians Of Their Classes At Brevard School

What is believed to be a rare occurrence in family circles was recalled this week by R. T. Kimzey, principal of Brevard high school, in connection with Bruce Glazener winning highest honor as valedictorian of the high school senior class of 1944.

The unusual feature of this honor, it was pointed out, is the fact that Bruce's two older brothers, Edward and Fred Glazener, three sons and only children of County Agent and Mrs. Julian A. Glazener were also valedictorian of their respective senior classes of Brevard high school. A further similarity in the case of the three brothers is that the 4-year average

of the two older brothers was exactly the same, and that of the youngest brother varied by only a small fraction of a point higher. The average of Edward, of the class of 1939, and Fred, 1941, was 96.5, and that of Bruce, 1944, was 96.6.

All three brothers were members of the student council and all received a major share of scholastic and extra-curricular honors. Edward, in deferred military service, now holds a responsible position in vocational agriculture work in the central part of the state, and Fred is in military service, which Bruce will also soon join, it is presumed.

10TH ANNIVERSARY OBSERVANCE WILL START SATURDAY

Elaborate Four-Day Program Planned. Bishop Speaks Sunday

ADDRESS BY HODGES

Starting Saturday and continuing for four days, Brevard college will celebrate its tenth anniversary.

An elaborate four-day program has been arranged featuring special commencement exercises, alumni activities, a luncheon of church leaders and business men and a historical pageant, "The Bells of Brevard: The Drama of a Decade", in which students, faculty and alumni will take part.

Several outstanding leaders in the Methodist church, prominent manufacturers and business men will speak during the observance.

Hundreds of people from various sections of North Carolina and adjoining states are expected to attend this big four-day celebration. Formal invitations have been sent to over 500 persons and all former students and the public generally are invited to attend.

The celebration will open on Saturday, June 3, with "alumni day". The college has over 2,000 alumni and alumnae and the highlight of this occasion will be a picnic supper and music recital in the evening, starting at 8 o'clock. The business meeting will be held at 5 o'clock.

Sunday morning, June 4, at 11 o'clock, Bishop Clare Purcell, of Charlotte, head of the Methodist church in North Carolina and part of South Carolina, will deliver the commencement sermon to the graduating classes at the Brevard Methodist church. That evening at

TEACHING BIBLE IN SCHOOL ENDORSED

Baptist And Presbyterian Vote. Favorable Action Is Expected

Two of the six churches in Brevard have unanimously given endorsement and pledged financial assistance to the proposal of the local ministerial association that courses in Bible be taught in the Brevard high school next year, it was announced at a meeting in the First Baptist church Monday night.

The other four churches are expected to take similar action in the near future so that plans may be carried out immediately to employ a teacher and map out a course of study.

It is proposed that a part-time instructor be employed and Brevard college has agreed to cooperate in the program.

The annual cost of such instruction, it is estimated, will run around \$500 per year. The First Baptist church has voted to pay \$200 and the Presbyterian church \$100.

Rev. Harry Perry, president of the ministerial association, presided at the meeting, which was attended by representatives from all local churches.

To Hold Two Farm Meetings Next Week

Two TVA area demonstration meetings will be held in the county next week, County Agent J. A. Glazener announces.

Tuesday night at 8 o'clock a meeting will be held at the Conestee school and at Silversteen school Wednesday night at the same hour.

Special music will be rendered and George Farley, assistant county agent at large, will give an illustrated lecture, showing the results and accomplishments of TVA demonstration work in Western North Carolina. All farm families are invited to attend.
