#### College Will Play Christ School Here Saturday Afternoon

The Brevard college football team, having won a thrilling 6 to 0 victory over W. C. T. C. here last Saturday afternoon, will play Christ school here this Saturday afternoon at 3:00 o'clock.

Coach Wilkie said he was delighted with the brilliant game played by his team last Saturday in winning over a superior eleven.

Both offensively and defensively the tornadoes played a superb game. On two occasions in the first half they held the strong W. C. T. C. boys in the shadow of the goal and in the last half they opened an offensive attack that resulted in a touchdown when Henry McDonald threw a beautiful pass to T. C. McCall who went over the goal.

Much credit goes to every member of the team. Over 1000 spectators were thrilled throughout the battle.

#### Township & County Ticket Given. Much Interest In Presidential Contest

##### ALSO CONGRESS RACE

Transylvania county voters seem to be more interested in the local races than they are in the state and national campaigns, although the presidential race between President Roosevelt and Gov. #### Schools Will Be Closed All Day. Voting Lasts From 6:30 to 6:30

##### MAKE PREDICTIONS

Transylvania county voters will go to the polls next Tuesday and vote for township, county, state and national officers and they will ballot for or against five proposed state constitutional amendments.

Because of wartime conditions, it is expected that the county's total vote will be slightly less than it was four years ago, but considerably higher than the total vote cast in 1942.

Leaders of both parties estimated yesterday that approximately 5,000 votes would be cast this year. Fred Shuford, election board chairman, estimated that there are around 6000 persons registered to vote. In 1942, which was not a presidential election year, the total vote was approximately 3,900, with the Democrats having a majority of over 1,200.

##### Predictions Are Made

Local party leader predictions on the outcome of Tuesday's election were, as usual, at variance. The Democrats claimed they would win by 800 to 1,000 majority, while the Republican leaders contended that their party would win in the county this time by at least 200 majority.

The polls will open at 6:30 o'clock and close at 6:30 in the afternoon. A list of judges was not available in time for publication. Mr. Shuford said that most of the judges who served during the primary last spring would probably serve again Tuesday.

##### Schools To Be Closed

All of the schools in the county will be closed all day Tuesday because many of the school buildings will be used as voting places, Supt. J. B. Jones announced.

#### HAMLIN TO MAKE RADIO SPEECH FRI.

Republican Candidate For Congress To Speak Over WWNC Tomorrow Night

Lewis P. Hamlin will conclude his campaign for Congress with an address over radio station WWNC Friday night from 7:00 until 7:15 o'clock and with a speech at the Henderson county Republican rally in Hendersonville Saturday afternoon at 2 o'clock, it was announced.

In his radio address tomorrow night, Mr. Hamlin is expected to review many of the national and district issues and to speak plainly and frankly about them.

Wednesday night he spoke at Sand Hill school in Buncombe county and on Monday night over WWNC Halsey B. Leavitt gave an address in behalf of Mr. Hamlin's candidacy.

He said that since the Republican party will no doubt have a majority of the members of Congress after November 7, that this district would be very wise in electing Mr. Hamlin, whom he described as being ably qualified to fill the position.

#### Democratic Rally To Be Held Here Friday Night At 8 O'Clock

A county-wide Democratic rally will be held in the courthouse here Friday night at 8 o'clock with R. R. Williams, of Asheville, as the principal speaker.

Mr. Williams is chairman of the Buncombe county Democratic executive committee and is regarded as being an outstanding speaker, John E. Rufty, chairman of the county committee, stated.

Mr. Rufty will preside and all local candidates are expected to be present and make a few remarks. A rally was held Monday night at Rosman, with McKinley Edwards, of Bryson City, as speaker.
