This movie will be free to school children and the date will be announced later. Talks on fire prevention will be made by members of the Brevard junior chamber of commerce in all the schools in Brevard and Transylvania county during the week October 3-9.

CLOSE SHAVE

An Alabama farmer, after imbibing a prodigious quantity of moonshine whiskey, attempted to blow out a candle, whereupon his alcohol saturated breath burst into flame. Horribly shaken by the experience the man begged his wife to bring him the family Bible, muttering, "Sarah, this has been a terrible lesson to me. I gotta swear off."

Rejoicing that her boozing mate had at last seen the error of his ways, the woman produced the desired volume. Placing his hand upon it, the farmer intoned: "Before heaven, I swear that never again will I blow on a lighted candle."
