

THE TIME OF DECISION IS HERE!

VOTE DEMOCRATIC!

BECAUSE- During Sixteen Years of the National Democratic Administration
PLUS
Fifty Years of State Democratic Administration
PLUS
Eighteen Years of County Democratic Administration

WE HAVE DONE THE FOLLOWING:

1. Whipped the depression.
2. Provided old-age assistance.
3. Established Social Security.
4. Guaranteed safety for your bank deposits.
5. Provided full employment instead of long bread lines.
6. Increased the national income from \$38 billions to \$200 billions.
7. Built a vast network of highways and farm market roads linking every part of North Carolina together.
8. Provided state-wide support of entire public school system and furnished free lunches for the children, relieving local taxpayers.
9. Adopted and working on plan to improve and make Transylvania county schools the equal of any in North Carolina, with four new buildings completed, improvements to all others, and three new ones planned.
10. Reduced Transylvania county tax rate from \$2.75 in 1928 to \$1.55 in 1948.
11. Fought and won the greatest war of all time and made our country the greatest power on the face of the earth.
12. Provided best G. I. and veterans' benefits in history.

The Democratic party is definitely the party of progress. It is the party which has served the interests of all and not the few. It is the party which has always championed the rights and freedom of the average man.

If you return our party to office for another term, we pledge our hearty support to the record of progress which the Democratic party has built up through the years, including an active and helpful interest in the veterans' welfare. We believe that this record is such that you will want to vote for the state Democratic ticket at the right and the county ticket on the left to insure a continuation of the good government which you have been enjoying.
