Glazener Says Local Farmers Are Profiting With Famed Apparatus

NICHOLSON ON TOP

More than 20 Transylvania county farmers have already qualified for the 100 bushel corn club for the 1948 season, and according to Julian A. Glazener, county agent, several others are expected to make more than 100 bushels of hybrid on one acre of land when all farms have been measured.

Heading the list of corn production on one acre in the county at the present time is Freeman Nicholson, part-time farmer in the Little River community, who has a record of 131 bushels. On five acre tracts, Ralph Ramsey, prominent lawyer and farmer of Transylvania had 558 bushels; Pat Allison had 521 bushels; and Marvin Whitmire produced 521.5 bushels on five acres. County Agent Glazener says there are five other five-track plots to be measured in the county and results will be published when all tabulations are completed.

Among the other high producers in the 100 bushel club to date are: J. B. Lance, veteran farmer, 127.4 bushels in the Rosman community on land rented from R. F. Glazener; C. H. Bales, vocational agriculture teacher at Rosman, 126.9 bushels on land rented from Jack Fisher; and Shipman Whitmire, FFA Brevard high school student, 124.9. He is the son of Mr. and Mrs. G. W. Whitmire.

"These are but a few of the twenty some that have already placed in the 100 bushel club," Mr. Glazener declares. All yields are based upon the moisture content of the corn the day the field was measured and the corn weighed. As an example, a sample of

Blind Aid Seals To Be Mailed Out Next Week By Lions Club Committee

Blind aid seals will be mailed out to 1,000 citizens of the town and county next week, Alex Patterson, chairman of the sight conservation committee of the Brevard Lions club, stated yesterday. With the sheets of seals will go a letter urging the recipient to donate to the work the club is doing to conserve and restore vision among the citizens of the county.

Mr. Patterson said that no goal had been set, but that the club could use all the money citizens may contribute. He recalled that last year the club gave \$2,500 out of their blind aid fund to install

Jack Schulman Says Structure Should Be Completed By Early Spring

Foundation work was started on a building to contain five stores on East Main street just below the court house, Jack Schulman, the owner, announces today.

To be a one story building, the structure will be built of brick and will have modern fronts on individual stores.

Mr. Schulman reports that his store, now located on West Main, will occupy one of the stores and the other four will be rented.

The overall dimensions of the building will be 145 feet by 100 feet, with four of the stores having fronts of 28 feet and the fifth, 33 feet. Each store will be 100 feet deep.

R. P. Kilpatrick will supervise the work. Mr. Schulman states, and the stores are expected to be ready for occupancy by early spring.

Mr. Schulman has operated department stores here and in Hendersonville for the past several years.

ADOPTION OF MEAT ORDINANCE URGED AT BOARD MEETING

Aldermen Dispense With Much Routine Business On Monday Night

Walter F. Hart, county sanitation, and Dr. Verne C. Hill, veterinarian, appeared before the regular meeting of the town board of aldermen Monday night and asked that the town adopt a proposed meat ordinance which would more adequately meet present conditions than the ordinance now in effect.

Mayor S. E. Varner appointed a committee to investigate the proposed ordinance and the present ordinance now in effect. This committee is composed of Aldermen W. M. Melton, Ashe Macfie and Charlie Russell.

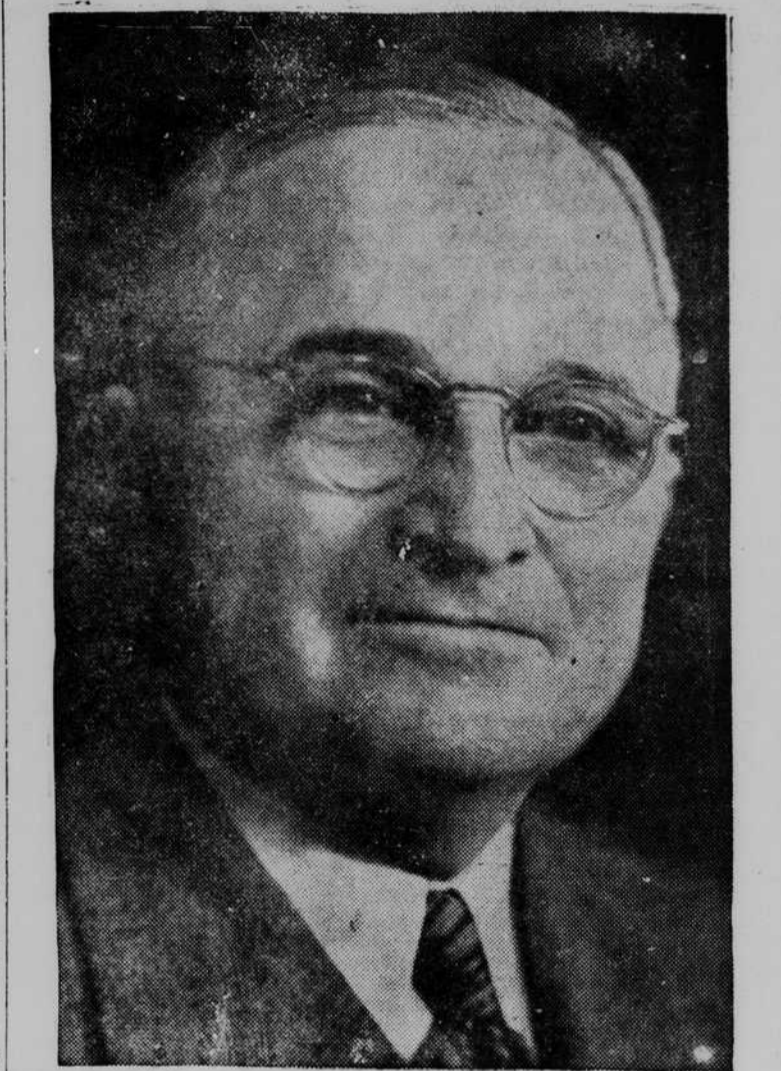

A report from the Zoning Commission was read of their last meeting on October 6. This report recommended that the town designate as a business area the strip of land 150 feet deep from Brevard college line on the southeast side of North Broad street to the Ralph Fisher lot, northeast boundary. The board agreed to adopt and amend the zoning ordinance as suggested by the commission.

Routine business was featured throughout the remainder of the meeting. The board agreed to have an aerial survey made of the town, providing the cost of such a survey does not exceed \$150.

Clyde Tipton requested that the town put in a new water line on his property in the Brevard Park development. The board agreed

Wins Over Dewey In Presidential Election

PRESIDENT HARRY S. TRUMAN, Democratic candidate, was elected Tuesday over Gov. Thomas E. Dewey, Republican, to serve as President of the United States for the next four years. Mr. Truman leads in 27 states winning 279 electoral votes to 17 states for Dewey and 214 electoral votes. Mr. Dewey conceded the election to Truman shortly after 11:00 a.m. Wednesday morning, when it became apparent that Truman had the majority of the popular and electoral vote.

Jaycettes, Other Civic Clubs Aiding In Drive For Colored Center

House to house canvassing and collection booths in stores will be used for raising funds on "Dollar Day" Friday, November 5, for the completion of the colored community center here, according to Mrs. S. A. Bullock, general chairman of the civic project.

According to a proclamation issued last week by Mayor S. E. Varner, "Dollar Day is being set aside for the solicitation for funds to finish this much needed project. Every citizen is asked to contribute a small amount."

Jaycettes, under the supervision of Mrs. Doyle Wells, will be organized into groups which will work each section of the residential area.

Groups of women from each Brevard church are in charge of the collection booths which will be placed in the bank, at Varner's

More Than 200 Former Students At Brevard College Homecoming Saturday

More than 200 former students and friends of Brevard college registered at the annual Homecoming observance at the institution last Saturday, according to Ray F. Swink, alumnus and faculty member who was in charge of arrangements for the event.

Registration began in the administration building at 10:00 o'clock, and alumni were introduced to the plans for the new Coltrane Hall at a booth set up for this purpose. The proposed building will honor Dr. E. J. Coltrane, president of the institution, and funds will be raised from alumni and friends of the

Fisher Is Only GOP Candidate Chosen In Transylvania, Record Vote Is Cast Despite Weather

King, Whitmire Are Victorious. Brittain And Osborne Re-elected

BURTON ON BOARD

All Democratic candidates for county offices were victors in the general election here Tuesday, except E. Carl Allison, who lost to his Republican opponent, Ralph R. Fisher, by a vote of 2,728 to 3,328, with 18 out of 19 precincts reporting late Wednesday.

More than 6,000 votes were cast in the voting places in the town and county, which is a record for Brevard and Transylvania. In the 1944 general election a total of 5,202 votes were reported, while in the Fisher-Allison race this year the count was 6,056. It is unofficially reported that the GOP candidate carried seven of the eight townships in the county and is the first Republican candidate to carry Brevard township in the past 90 years.

With only one precinct not reporting, Mrs. E. L. McKee, of Sylva, and William B. Hodges, of Hendersonville, received 3,123 and 3,264 votes respectively in the county for the state senate. Their Republican opponents T. N. Davis and Wilshire Griffith received 2,609 and 2,514 respectively.

In spite of the cold rain all day, considerable interest in the election was reported at all of the polling places, and a large number of interested citizens awaited the returns in the Brevard court house Tuesday night until after midnight. However, several precincts were not received until Wednesday afternoon.

Frank King was re-elected tax collector of Transylvania county by the largest vote cast for any candidate. Unofficially, he received 3,401 ballots, and his GOP opponent was Avery Neil.

Paul M. Whitmire, Democrat, received 3,318 votes, 18 out of 19 precincts, while his opponent, William L. McNeely, polled 2,583.

Willis Brittain and Lewis Osborne, members of the county board of commissioners, were re-elected, and Dewey Burton was chosen to serve with them. Mr. Burton was the high man of the three with a total of 3,311. Their Republican opponents were Claud Stroup, Otis Shipman and Lynch Moore.

Native Of Java To Speak At College

Joseph Ellis, a native of Java, will give a demonstrated lecture on Javanese natives and their customs at Brevard college Friday night at 8:00 p.m. The public is invited to hear Mr. Ellis.

A native of Java, the lecturer was educated at Duke university, returned to his country where he spent several years before coming back to the United States to lecture. He will show native costumes, several stuffed animals and curios peculiar to his country.

A small admission will be charged.

Dewey Concedes Defeat Wed. Morning In Close Race. Urges Support

STATE DEMOS WIN

Led by President Harry S. Truman, whose victory was conceded by his Republican opponent, Thomas E. Dewey, Wednesday morning, Democrats swept to a landslide victory in the general election Tuesday and won control of both houses of congress.

The voters—in a startling upset—unseated 50 or more GOP house members, and gave the Democrats a majority in the senate, as seemingly they decided to revamp the legislative body that President Truman called "do-nothing," history's second worst—even "idiot."

The new house will probably contain 242 Democrats and 192 Republicans, while in the Senate the Democrats will have 54 seats, or 12 more than the Republicans.

In his congratulatory message to President Truman, Mr. Dewey said: "I urge all Americans to unite behind you in support of every effort to keep our nation strong and free and to establish peace in the world."

President Truman received 18,296,719 popular votes and Dewey 17,743,378. This gave the president the lead in 27 states with 279 electoral votes and Mr. Dewey a lead in 17 states with 214 electoral votes. These returns are not complete.

Former Governor J. Melville Broughton was an easy victor over his Republican opponent, John A. Wilkinson, in the senate race, polling 383,131, while the latter received 148,173.

W. Kerr Scott rode safely into the governor's office and with him went 10 other Democratic candidates for state offices.

Running to succeed himself, Monroe Redden was re-elected congressman for the 12th district

INSPECTION LANE RETURNS SAT'DAY

Owners Of Vehicles Minus Blue Stickers Urged To Have Examination

The mechanical inspection lane will return to Brevard on Saturday, Nov. 6, and will remain here until next Friday, it is announced today.

The lane will again be located on French Broad street and will be in operation daily from 8:00 a.m. to 5:00 in the afternoon, with an hour off for lunch.

All model cars should be inspected by the last day of November and owners of autos and trucks are urged by the men in charge to have their vehicles checked at a garage prior to examination as a means of saving time.

Owners are also reminded that the registration card is required before the car or truck can be inspected and the cost of the test is \$1.00.

There are many cars and trucks yet to be inspected in Brevard and
