

YULE SHOPPING SEASON TO OPEN

Total Of 109 Deer And 6 Bear Killed In Forest

HUNTS DURING FIRST 10 DAYS REPORTED GOOD

Several Local Hunters Make Nice Kills Since Last Wednesday

SEASON ENDS DEC. 4

A total of 109 deer and six bear have been killed in the Pisgah National forest by noon Wednesday since the hunts began 10 days ago, according to a report by Ranger Bill Duncan.

Considering the unfavorable hunting weather, the kill has been as good as can be expected, it was pointed out. During the first two weeks last year there were 129 deer killed.

"Unquestionably the rain, fog and wet weather have hampered the hunts," the forest officials declare. With cold and clearer weather predicted, a large number of deer and bear is expected to be bagged by the end of the season on December 4.

Fullbright Gets Buck

At noontime Wednesday Vernon "Red" Fullbright, assistant postmaster here, had brought in the largest kill for the past few days.

Local hunters have been having exceptionally good luck, assistant ranger John Eller stated, and in addition to Mr. Fullbright, other Brevard men and the size of their deer in the past week are as follows:

- Carl C. Langley, 116 lb. buck. Harold Cox, 100 lb. buck. A. E. Tinsley, 140 lb. buck. C. E. Tinsley, 75 lb. buck. Charley Tinsley, 120 lb. buck.

Hunts in the Pisgah preserve will be held in the Mills River section over the week end, and again next Monday, hunters from all over Eastern America will be checked in here at the Davidson River

GOOD RESPONSE TO SEALS SALE

Chairman Says \$250 Contributed To Date In Lions Club Campaign

Alex Patterson, chairman of the sight conservation committee of the Brevard Lions club, said yesterday that receipts from the blind aid seals recently mailed out were coming in at a satisfactory rate.

Approximately \$250.00 has been received, Mr. Patterson said, and he urged that those who have not remitted to do so at once. All the money received from this sale, the chairman said, is used in the club's program to help those who are unable to buy glasses or to pay for needed treatments and operations.

Sight conservation is the major activity of Lions clubs throughout the nation. The annual sale of seals is only one method used to raise the money necessary to carry on the work continuously.

Thanksgiving Will Be Quietly Observed In Town And County, Stores And Schools To Close

Special Service To Be Held At First Baptist Church. Other Events Listed

Thanksgiving day will be quietly observed in Brevard and Transylvania county in the traditional manner with the stores, county and town offices, post office, public schools and bank being closed. The only planned entertainment during the day is a football game Thursday afternoon, 2:30 o'clock, when the Brevard Midgents battle the Canton YMCA Midget team.

The public schools, as usual, will have a two-day holiday, but Brevard college will not close for the observance. However, afternoon classes will not be held in order to permit students to travel to Mars Hill to see the Tornadoes meet the Lions. Several buses have been chartered, and the college observance of the day will be climaxed with a dance in the gym Thursday evening.

Brevard High Blue Devils will meet Swannanoa on their field at 2:30 o'clock in a Homecoming observance for the Swannanoa school. The locals are slightly favored.

A special Thanksgiving service will be held at the First Baptist church Thursday morning at 10:00 a.m., and a brief message will be given at this time by Rev. W. G. McFarland, pastor of the Brevard Methodist church. All persons are invited to the service.

Practically all of the industrial plants in the county will operate on more or less of a regular schedule. At the Ecusta Paper corporation, only the Main office will

The classifications will include the best outdoor Christmas tree, the most original doorway decoration and the most attractive outdoor Christmas scene.

Judging will take place on the night of December 23, and judges will be chosen from out-of-town, it was announced.

Mrs. Samuel A. Bullock is general chairman of the club's contest committee, and serving with

SEVEN FFA BOYS AT BREVARD MAKE 100 BUSHEL CLUB

Six More Than Last Year At School Make Outstanding Achievement

Seven members of the Brevard chapter of the Future Farmers of America have successfully produced 100 bushel of corn per acre this year and are now eligible to become members of the North Carolina 100 bushel club. This is an increase of six over last year, Randall Lyday, the instructor reports.

Improved practices are recommended by Experiments Stations and Scientific Methods were used by all these Future Farmers in making these high yields.

Soil from every field was tested and fertilization programs carried according to recommendations from the North Carolina Department of Agriculture based on results of these soil tests. The average fertilization program was 500 pounds of a balanced fertilizer such as a 5-10-5 at planting time and 400 pounds of nitrate of soda with 100 pounds of muriate of potash as a side dressing. Lime was applied before planting in every case where soil test called for it.

These young farmers used U. S. 232 Hybrid corn seed in every

ODD ROBBERY IS REPORTED MON.

Cash Box With Important Papers Taken From Hogged Concern At Rosman

A freakish and unusual robbery occurred at Hogged Auto company, in Rosman, about 6:15 p.m. Monday evening, according to the owner, Austin Hogged.

Mr. Hogged reported going down into the basement to see about the furnace, leaving the station unattended. The station was still open and lights were on. While he was downstairs, he heard someone come in, then walk out again. Since this was not an unusual occurrence for someone to enter the station, he was not alarmed, and finished his work with the furnace before returning upstairs.

Upon his return he noticed immediately that a green cash box was missing. The box contained no money, but some papers which are valuable only to the owner. Persons having any information regarding the disappearance of the cash box are asked to notify Mr. Hogged.

He reported nothing else missing from his station.

SANTA TO ARRIVE FRIDAY AT SEVEN ATOP FIRE ENGINE

Ecusta Band To Play For Event On Court House Lawn

STREETS DECORATED

All is in readiness for the arrival of Santa Claus here Friday night at 7:00 o'clock and the launching of the Christmas shopping season this week end in Brevard.

Santa will be brought here on the large city fire truck. For a half hour preceding his arrival, the Ecusta band under the direction of John Eversman will play Christmas airs on the square.

Mayor S. E. Varner and Alex Patterson of the Brevard Merchants association, will extend greetings to Santa Claus. Given good weather, C. M. Douglas, who is in charge of arrangements, says he expects throngs of young and old to gather for the occasion. Santa will greet his little friends and give them candy. He will return to Brevard the following afternoon.

Trees Decorated

Two of the large trees on the court house lawn will be decorated with colored lights and tinsel, it is reported. Colored lights have also been installed on the square and at the corners in the business area of town. These lights will officially be turned on for the shopping season when Santa arrives Friday night.

All stores in Brevard will remain open until 9:00 o'clock in order that the people may see the spectacular display of Christmas gifts in the Brevard stores. From December 17 through the 21, the stores here will remain open until 8:00 o'clock in the evenings, and the three nights preceding

B & PW Club To Again Sponsor Toy Repair Shop Here, Appeal Is Made

The Christmas toy project, which furnishes gifts to children of needy families during the Yule season, will again be sponsored by the local Business and Professional Women's club and members plan to get the work underway this week, according to Dot Poole, chairman of the event.

The shop will this year be held at the old Martin's taxi building next to the post office on Broad street. Members of the club's various committees will begin work on the old toys Monday.

"We would appreciate contributions from persons having old toys that can be repaired, and they may be left at the city hall, Ward's

news stand or at Whiteway cleaners," the chairman said today. She further pointed out that anyone having toys to be contributed should contact any member of the club and they would be picked up.

School children and members of local Cub and Boy Scout troops will also collect the toys in Brevard and Pisgah Forest. Persons having toys should have them ready so that they can be picked up this Saturday and on December 4 and 11, she added.

Miss Frankie Moore, a member of the club and Home economics teacher at Rosman high school, has announced that members of
