Elk's "Little League" Will Open Here Saturday Morning

Panthers Meet Wildcats In First Game On The College Diamond

The Elks' "Little League", represented by four teams from all sections of the community will have its opening game Saturday morning at 10 o'clock on the Brevard college diamond.

Eddie Varner, grand exalted ruler of the local Elks, will toss the opening pitch, and Mayor J. A. Ford will be on hand to wish all teams the best of luck.

The opening game will pit the Pisgah Forest "Panthers" against the Gallamore Hill "Wildcats".

Court Of Honor Slated June 15th

The regular June court of honor will be held on Friday night, June 15th, instead of this Friday night as previously announced, Alex H. Kizer, chairman of advancement, states.

The court on Friday week will be held at the Brevard Methodist church, and it is understood that a number of Scouts will receive promotions and will be awarded merit badges at the honor court.

The Panthers are managed by Hugh Bradburn, while the Wildcats are

CARDS LEADING IN ECUSTA LOOP

First Round Is Completed. Yanks Are Now In Second Place

By defeating the Yanks 11-6 during the last week of play, the Cardinals are leading the Ecusta Interdepartmental league with three victories and no losses. The Yanks are in second place with a record of 2 and 1, and the rest of the standing is as follows. Indians, 1 and 2, and Tigers, 0 and 3.

According to Fritz Merrell, athletic director at Ecusta, the first of the four rounds has been completed, and the schedule for the coming week of play is as follows:

Monday, June 11 — Indians vs. Tigers.
Wednesday, June 13 — Yanks vs. Cards.

managed by Arthur Lindley. Shortly following the first game, the second game of the doubleheader will get underway between the Maple Street "Warriors" and the Main Street "Eagles." The Warriors will be guided by Billy Coxe while L. C. Poor will lead the Eagles.

The names of business firms sponsoring the various teams will be announced in the near future. The sponsoring of these teams should add a lot of interest to the league, since most of the sponsors will outfit their teams with "T" shirts and caps.

The public is invited to witness any or all of these games. The Times will carry an up-to-date standing of the league from week to week.

Alice: What are those men doing up those telephone poles?
Grace: I think they're telephone linemen.
Alice: Oh, all right. I thought maybe they knew I never drove a car before.

Ecusta Ends Losing Streak By Taking Doubleheader Sat.

Grover Suttles Racks Up Teams First Victory. Kilpatrick Also Wins

With Grover Suttles pitching 5-hit ball and Playing Manager Fritz Merrell collecting three hits in 4 trips to the plate, Ecusta snapped a 12-game losing streak Saturday afternoon at Sylva and they went on to win the second game of the doubleheader.

Ecusta nosed out the first game by the score of 6 to 5, and Jim Kilpatrick, tossing a neat 3-hitter, was credited with the victory in the second encounter of the twin bill.

Ronald Rogers had a pair of doubles and a homer, and Philip York slammed out three hits, while Fred Mills homered. Kilpatrick also aided his own cause

with a beautiful four bagger. On Saturday, Ecusta takes on Clearwater here on the beautiful Camp Harry H. Straus diamond at 3:00 o'clock, and next Tuesday, Beacon comes here for a regular league game.

Manager Merrill urges the public to come out and witness the games.

"We're hitting our stride now, and we hope to be winning our share of the games from now on," he declared yesterday.

Suttles will probably take over the mound duties on Saturday, and a large crowd is expected to turn out to witness the performance of Ecusta's dropball artist.

New! General Purpose Disinfectant

Purina Disinfectant kills germs and deodorizes, safely! Not too weak to kill bacteria... not too strong to be harsh on hands and corrosive to metals... that's new Purina Disinfectant. Ideal for dairy use because it's odorless. Great for cleaning up hog houses, floors and anywhere around the home or farm. Try powerful, stable, odorless Purina Disinfectant. It's easy on the hands and economical, too.
