## Rambling With The Sports Editor

**MAKING IMPROVEMENTS . . .** C. F. Misenheimer, city street superintendent, gets the bouquet of the week for the work he is doing and having done at the Brevard country club. Mr. Red didn't like the looks of the "roughs," so he set to work immediately after the town took over the maintenance of the course and is doing a marvelous job cleaning the creek banks, the marshes adjacent to the links and the other rough spots. Yesterday he stated that he will make other improvements with a little time. Incidentally, the golf course is a mighty popular place, and during the past week, a goodly number of women and children have been playing.

**NICE JOB . . .** While we are congratulating, we'll keep our bouquets in the same family and toss one to Weldon Misenheimer, better known as "Micy," for all the work he has done in keeping the Brevard Municipal pool open. Of course, many other legionnaires and others have been instrumental in the successful operation of the pool, which closed this week, so we'll say "nice going" everybody and hope that again next year the town and the legion can operate the pool free to the public.

**FREE PASSES . . .** Some of the Brevard Blue Devils asked us to publicly thank the management of the Co-Ed and Clemson for the free passes to the shows that the team members get each week end during the fall season. So it's thanks to Managers Carter and Shiflet, and we can truthfully say that the boys are most appreciative for what you do for them each fall. These gentlemen also make it possible for readers of this column to get—or win—a number of tickets each week in our annual fall football contest, which will be started pretty soon now. So, it is thanks, Dick, Bryan and Ben, all the way round.

**SPEAKING OF FOOTBALL . . .** The 1951 season is just around the corner. All this week the Blue Devils are working out during the morning and evening hours down at Brevard high school and the squad looks mighty good to us. There are a few new faces on the gridiron, and we're happy to see Marshall Teague assisting Coach Dail. Marshall did a swell job of coaching at Waynesville last year, and we're happy to have him back in the Ole Hometown fold.

### DEPENDS ON THE WATER

"Now," said the demonstrator of an electric egg cooker, "you put in one teaspoon of water for each minute you wish the egg to cook. Does everyone understand?"

Mrs. Newlywed spoke up: "Is that level or heaping?"

## Brevard Swimming Pool Popular During The Summer

As the photo above indicates, hundreds of boys and girls enjoyed the refreshing waters of the Brevard Municipal swimming pool. With school opening next week, the pool is now closed, after a highly successful season. Through cooperation with the town board of aldermen, the pool was operated by the Monroe Post of the American Legion. As pointed out on the sign on the right, no charge was made for swimming. WELDON MISENHEIMER, finance officer of the legion, is shown taking the sign down. (Times Staff Photos.)

### ECUSTA WINS AS LEAGUE ENDING

Will Play Away On Saturday. Tryon Comes To Plant Field Tuesday

With four more games on the 1951 schedule, the Ecusta baseballers in the WNC Industrial league have been pulling one upset right after another as the teams enter the home stretch.

Probably the biggest surprise of the season was Ecusta's upset win over Beacon last Friday on the losers' diamond by the score of 12-9.

The local Papermakers came right back on Saturday and trounced Clearwater 7-2 here on the beautiful Camp Harry H. Straus field.

This Saturday Ecusta goes to Berkeley for an important league game, and Tryon comes to the Ecusta plant field next Tuesday.

Ecusta's third baseman, Ronnie Rogers, is burning up the league with an average bordering on .500. Against Beacon he had four for five and on Saturday he had two run-producing hits.

Grover Suttles kept Clearwater's 10 hits well scattered in Saturday's game, while his teammates gave him good support in the field and at bat.

The box score of the Clearwater game is as follows:

|               |    |   |    |
|---------------|----|---|----|
| Clearwater    | ab | r | h  |
| Thomason lf   | 4  | 2 | 2  |
| Ayers lb      | 3  | 0 | 1  |
| Cordell rf    | 4  | 0 | 0  |
| Daniels cf    | 4  | 0 | 4  |
| Lowdermilk 3b | 3  | 0 | 1  |
| Burgin 2b     | 4  | 0 | 2  |
| Bryson c      | 4  | 0 | 0  |
| McPherson ss  | 3  | 0 | 0  |
| Robinson p    | 2  | 0 | 0  |
| Dobson p      | 2  | 0 | 0  |
| Totals        | 33 | 2 | 10 |

## "All-Stars" Of Little League Are Chosen By Team Managers

**Well-Balanced Aggregation Selected. Complete List Given**

By STAFF WRITER

The 1951 "All Star" team of the Elks "Little League" would be a pleasant sight for any prospective American Junior Legion team manager.

The Brevard team of this, the first season, is well balanced with pitching, fielding and catching ability. Just as in the case of most "All Star" selection, there is always room for plenty of speculation and second guessing on the part of various individuals. But over-all, it would be difficult to improve on this year's team here.

The youngsters chosen should feel proud of their achievement and it should serve as an incentive for them to intensify their efforts to improve themselves as the season goes by.

The team, chosen by the managers of the teams, is as follows:

First base—Doyle Enloe, Pisgah Forest.  
Second base—Jimmy Hubbard, Gallamore Hill.  
Shortstop—Weldon English, Pisgah Forest.  
Third base—Charles English, East Main.  
Shortfield—Harry Byrd, Pisgah Forest.  
Leftfield—Burrell Cline, Gallamore Hill.  
Centerfield — Bobby Stewart, East Main.  
Rightfield—Jackie Thomas, Pisgah Forest.  
Pitcher—Leon Gravley, Main Street.  
Catcher — Tommy Cabe, Main Street.  
Manager—Hugh Bradburn, Pisgah Forest.  
Utility—Johnny Merrell, East Main.

### Sets Age Record

"SNOOKY", a white Persian cat celebrating its 25th birthday in Albany, N. Y., is believed by local veterinarians to be the oldest cat in the world. The pet has been owned by Miss Mary C. Ellis since 1926. Experts say that "Snooky" could be compared to a human being 175-years old, since the average cat lives 8 years. (International)

### IDLE CONVERSATION

Seated next to each other on the train, the two strangers remained silent as the train traveled mile after mile. Suddenly one of them, an old codger, turned to the fellow at his side and shouted, "Blast it, I know I'm getting deaf. You've been talking to me for half an hour, and I haven't heard a single word you've said in all that time!"

"Take it easy, mister," said the other fellow. "I'm chewing gum."

## Father Of Robert Andrews Succumbs

Funeral services for R. F. Andrews, 64, father of Robert F. Andrews, former coach at Brevard college, were held Tuesday afternoon at the Landrum Methodist church, Landrum, S. C.

A well-known retired Southern Railway agent, Mr. Andrews died Monday following a long illness.

In addition to the son here, other survivors include the widow, three other sons, three daughters, a sister and a number of grandchildren.

## MANY OUT FOR SQUAD, TEAGUE ASSISTING DAIL

**Total Of 10 Games Are On Schedule. List Of Players Given**

The Blue Devils of Brevard high school have opened practice sessions for the 1951 football season and for the remainder of the week, practice will be held both in the mornings and at night.

Already some 33 men have turned out for the drills, and Coach D. G. Dail invites all other prospective players to come out for the squad. He expects the squad to double in size between now and the opening of school next week.

Marshall Teague, former football star at Brevard high school and at WCTC, is assisting Coach Dail and is working with the backfield. Mr. Teague was assistant coach at Waynesville last year, where he made a good record.

Beginning next Monday, Coach Dail says practice sessions will be held in the afternoon or at night.

At the present time there are 10 games on the 1951 Blue Devil schedule with the opening encounter slated for Sept. 14 at Sand Hill.

Coach Dail is sending out a no-

## YANKS CAN TIE CARDS IN LOOP

**Second Place Team At Ecusta Two Games Out Of First Position**

The Yankees have a chance to tie the Cards for first place in the Ecusta Interdepartmental baseball race, Fritz Merrell, athletic director at Ecusta, reports today.

The Cards have ended the season with a record of eight wins and two losses, while the Yanks are in second place, with two games to play and have a record of six and two.

Ending the season this week, the Cards defeated the Tigers by
