MARINES HAMMER AWAY AT THE ENEMY IN KOREA

THERE HAS BEEN no slackening in the U.N. offensive in Korea, despite the fact that truce negotiation prospects have been brighter than usual in the last few days. These U.S. Marines are launching a 4.5 rocket barrage against Communist positions in the Korean hills. (Defense Department Photo from International)

Latest available figures show, I'd whittle out a board in the shape of a coon hide stretcher, just to show him the size of the one I wantered where ready have applied for vocational ed, then I'd set it outside where

College To Get New Telephone System By December, Doyle Says If You Have-

Wants New School **Building In Upper** Part Of The County

By MRS. H. D. LEE

LAKE TOXAWAY - During the past few weeks we have seen many through Lake Toxaway, passing within a few feet of the site staked off for our new school building.

We have learned that the brick is being taken just over the line into Jackson county to build a new school house at Wolf Mountain.

While we do congratulate these people over there at Wolf Mountain, we cannot understand why upper Transylvania must put up with such aged, non-standard schools. Many tourists who visit here each summer have asked why tuch a deplorable condition exists. We could not answer but we do know that children are being denied opportunities that they

should have.

(Editor's Note: The next new school building for Transylvania will be erected in the upper part of the county.)

MARRIAGE ANNOUNCED Miss Lola Owen and Curtis Banther were married in Pickens, S. C.,

Mrs. Banther is the daughter of our operation at Mission hospital Mrs. Ethel Kilpatrick, of Brevard, in Asheville three weeks ago. Dock Banther, of Lake Toxaway. They are making their home in Cct. 15th. Mrs. Phillips was before

COMMUNITY CLUB

Brevard, where he has employ-

The regular meeting of the Lake Toxaway Community club will be held at the Lake Toxaway school house next Tuesday night, November 6th, beginning at 7:30. The meetings have been changed from the first Monday night in each month to the first Tuesday night. Everyone is cordially invited to

OTHER ITEMS

Exchange Will Be Put Into Operation In Dunham Hall. Will Improve Service

Installation of a new telephone system at Brevard college has been in progress for some time. However, according to R. O. Doyle arge truckloads of brick rolling of the Citizens Telephone company, who is in charge of the installation, the new system may not be put into operation before December. The cause of the delay is twofold—scarcity of materials and the larger process, also currently in progress, of changing the telephone service of the city of Breverd to the dial system.

The exchange, to be in room 204 in Dunham Hall, will be operated by Dot Dellinger, a former student at Brevard. Miss Dellinger will be responsible also for records of long distance calls.

distance calls.

There will be a telephone in all the offices, in the library, the infirmary, the cafeteria and in all of the dormitories. To limit delay in placing a call there will be three outside lines which can be used

simultaneously.

Mr. Doyle and the men working with him have assured the college that everything possible will be done to expedite putting the new telephone system into service.
