Registration For Town Elections Will Continue Saturday, Primary April 27

No One Has Filed For Mayor Or Alderman, Closing Date April 17

Registration for the town election—the primary on April 27 and the general election on May 5—will be continued on Saturday.

George Justice, the registrar, will be in the court room, upstairs, at the court house from 9:00 until 11:00 on Saturday morning, and from 1:00 to 5:00 on Sunday afternoon for the purpose of registering all persons who have never registered in a city election before.

Justice explained that if a person has never voted in a town of Brevard election, he or she must register in order to vote on April 27 and May 5th. The law further states that a citizen must be a resident of the town for one year and in Brevard for the past four months in order to qualify for the election.

There are approximately 2,000 names on the town books. At noon Wednesday no one has announced for mayor or the board of aldermen, and N. A. Miller, clerk of the board of elections, says that candidates must file notice of their candidacy 10 days prior to the primary election, Saturday, April 25th, is challenge day.

Organization Of A High School P-TA Is Being Planned

Persons interested in organizing a Parent-Teacher association at Brevard high school are being asked by District Principal Robert T. Kimzey to meet in the high school auditorium next Tuesday night, April 14, at 8:00 o'clock.

Mr. Kimzey explains that with the expanding school system in Transylvania, Brevard high school has grown to a point where it seems advisable to form a high school P-TA to deal with those problems directly concerning high school students.

"If the attendance is sufficient and the group feels that the move is justified, we expect to form a high school organization and elect officers next Tuesday," Mr. Kimzey commented.

In urging interested persons to attend, the district principal said he felt the organization of a high school P-TA would be a progressive move and if organized, it would be functioning with the beginning of the 1953-'54 year.

Transylvania Goes "Over The Top" In Boy Scout Drive, Quota Of \$2,250 Reached, Dunlop Says

With Mutual Of NY Chairman Thanks All For Contributions, Kiwanis Club Sponsored

GEORGE WHEELER, former president of the A. W. Wheeler and Son hosiery plant here, is now associated with the Mutual Life Insurance company of New York of the capacity of field underwriter for this area. Mr. Wheeler has long been prominent here in industrial and civic affairs.

The 1953 adult enrollment campaign here in the Daniel Boone council of Boy Scouts of America has gone "over the top," Charles Dunlop, chairman of the Transylvania district, announces.

The quota for this year for the district was set at \$2,000.00 plus an additional \$250.00 for the Daniel Boone council "Take Fund," totaling \$2,250.00.

"This is the first time in many years the Transylvania district has gone over its quota," Chairman Dunlop stated.

"This is very gratifying, because this year funds are needed more than ever before. We are not closing our drive yet as there are a good many more promises that have not been collected," he continued.

"The Transylvania district received wonderful support from the Brevard Kiwanis club which sponsored the drive for adult memberships, and we wish to thank them for their fine cooperation. Others deserve much praise in their work." —Turn to Page Twelve
