

DEAN'S LIST AT COLLEGE GIVEN

Six Transylvanians Included. Total Of 33 Makes High Marks

There were 33 students on the dean's list at Brevard college at the end of the first semester, Mrs. Brona Roy, the recorder, announces today.

Six of these were from Transylvania county, and they are as follows: Imogene Dickson, Brevard and Horse Shoe, Neil Grey, Mal Johnson, Doris Ferguson McGaha and Edna Waldrop, all of Brevard, Kathleen Henson, of Pisgah Forest.

Rotary Principles Stressed In Talk

Four principles of Rotary, classification, attendance, fellowship and community service, were stressed in a talk by Gordon Sprott, past president of the Brevard club, at the last regular meeting in Gaither's Rhododendron room. President Dan Hawkins, presided, and John Anderson was program chairman for the meeting.

Following his inspirational remarks, Mr. Sprott inducted two new members into the club. They were Charles Pickelsimer, Jr., manager of the Citizens Telephone company, and John W. Bailey, administrator of the Transylvania Community hospital.

Dr. H. E. Whitmire, native Transylvanian and an outstanding research chemist at St. Louis, Mo., was a visitor at the meeting and spoke briefly prior to the business session.

Board Expresses Appreciation To The Times, Resolutions Adopted

Sincere appreciation on behalf of the board of trustees of the Transylvania Community hospital was expressed by the chairman, Ralph H. Ramsey, Jr., at the last meeting to the staff of The Transylvania Times for the special edition marking the formal dedication of the new Harry H. Straus wing.

"We think the special edition was all that we could have asked for, and I'm sure the excellent crowd at the ceremony was due in most part to the publicity given in The Times and over WPNF," Mr. Ramsey declared.

Transylvania Community hospital, he continued, has only one purpose—to serve the people of this community. It is a success only as it meets that purpose. "It can't fulfill its objective unless our people know about it and what it has to offer in the way of services," Mr. Ramsey said in a statement to this newspaper.

"Throughout the years The Times has done its part to inform the people about the hospital, and this last special edition was so full that it even told me facts about the hospital with which I was not acquainted, and I thought I was pretty well posted on the hospital and its activities," he said.

In conclusion, he wrote: "We thank you for all that you have done. We hope that we shall deserve your continued support of the hospital."

LIFE'S MYSTERY

One of the mysteries of life to a school-age youngster will always be why he has to go to bed when he isn't sleepy and get up when he is.

Two resolutions of appreciation were adopted at the recent meeting of the board of trustees of the Transylvania Community hospital.

One was to the North Carolina Medical Care Commission for the grant which made possible the construction of the Harry H. Straus wing and the other was to Olin Industries, Inc., Charitable Trust, for the recent contribution of \$20,000.

The resolutions in their entirety are as follows:

Whereas, Transylvania Community Hospital, Inc., has recently received from Olin Industries, Inc. Charitable Trust the sum of Twenty Thousand Dollars (\$20,000), and

Whereas, such gift was most timely and welcome and will enable the hospital to provide and pave a parking lot which is badly needed to relieve the congested traffic on the street in front of the hospital and will leave a sufficient amount to retire all of the indebtedness incurred by the hospital for the erection of the Harry H. Straus wing but the sum of Three Thousand Dollars (\$3,000), and

Whereas, Transylvania Community Hospital, Inc., desires to express its thanks for this generous gift:

Now, therefore, be it resolved by the board of trustees of Transylvania Community Hospital, Inc., that we do hereby extend to Olin Industries, Inc., Charitable Trust our heartfelt thanks and deep appreciation, not only for the gift of Twenty Thousands Dollars (\$20,000), which is of such material benefit, but also for the interest in the welfare of this community which this gift evidences.

And be it further resolved that a copy of these resolutions be spread upon the minutes of this board, a copy sent to the Olin Industries, Inc., Charitable Trust, and a copy delivered to the Transylvania Times for publication.

Whereas, Transylvania Community hospital has recently completed, dedicated and is now using the Harry H. Straus Memorial wing addition to its hospital, increasing its capacity to forty-five beds, and greatly enlarging and improving its other facilities for supplying the hospital needs of Transylvania county, and

Whereas, the construction and equipment of this new addition was made possible by a grant from the North Carolina Medical Care Commission, and

Whereas, in addition to such grant, the officials and staff of said commission, rendered invaluable aid to Transylvania Community hospital by their advice and assistance in the planning and construction of such addition, and

Whereas, Transylvania Community hospital desires to express its thanks for such grant and services:

Now, Therefore, Be it Resolved by the Board of Trustees of Transylvania Community hospital that we do hereby extend to the North Carolina Medical Care Commission, its officials and staff, our heartfelt thanks and deep appreciation for the grant which made possible the construction of the Harry H. Straus Memorial wing addition to our hospital and for the many services rendered by the officials and staff of the commission in the planning and supervision of the construction of such addition, and

Be It Further Resolved, that a copy of these resolutions be spread upon the minutes of this board, a copy sent to the North Carolina Medical Care Commission, and a copy delivered to the Transylvania Times for publication.

Colored Groups Help At Hospital

Several colored groups are assisting with cleaning and other chores each Sunday morning at the Transylvania Community hospital. This project is under the guidance and sponsorship of the hospital auxiliary.

Persons who have been designated to be in charge of the colored groups from the churches are as follows:

Bethel "A" church: Jessie Hunt, Beulah Whiteside and Margie Moore.

Bethel church: Bonita Owens, Agnes Hunt and Ethel Duncan. Glade Creek church: Ella Gash and Harriet Chapman.

According to The New York Times, the following is a note a milkman found in a bottle: "Dear milkman, we don't want milk every day. We want milk like this: Today we want milk. Tomorrow we don't. And the next day will be just like the day before and the day after tomorrow."

Dignity is something you think you have until the boss comes in and says: "What's the meaning of this?"
