

Much Activity At Dunn's Rock Center, Equipment Purchased

Bulb Show Is Planned Next Wednesday. Plans For Year's Work Discussed

By MRS. J. E. CISON
DUNN'S ROCK — The regular monthly meeting of the Dunn's Rock community center was held Friday evening, March 11th. The feature of the meeting was an interesting talk by Miss Anne Benson Priest on home improvements, which was illustrated by colored slides. She stated that her services were always available for those desiring suggestions for the improvement of their homes.

Equipment Purchased
Miss Elizabeth Davis reported that the new kitchen equipment, which includes plastic dishes and stainless steel utensils, had been received and is now on display in the center kitchen. Plans are already underway to hold a supper in the near future.

Spring Bulb Show
A spring bulb show, sponsored by the Connettee Home Demonstration club of Dunn's Rock, will be held at the center on Wednesday, March 23rd, from 3 to 6 p. m. The purpose is to exhibit the great variety of bulbs grown in this area. Exhibits are most welcome and should be at the center by 11 a. m. Wednesday. A cordial invitation is extended to all. Tea will be served.

Discussion Held
A round-the-stove discussion was held by the committee chairmen at the center last Monday evening. Plans were talked over for the year's work, and there was a fine crop of ideas, which should bring forth good fruit.

Singing Well Attended
A singing was held at the center Sunday afternoon at 2:30 o'clock with a good crowd present for the occasion. A host of visitors came from East Fork and several numbers were sung by the East Fork trio, which were greatly enjoyed. The next singing will be held at the center Friday evening, March 25th. All singers are invited and a cordial invitation is extended to

Little River Community News

Improvements Are Made On Homes, Valley Residents Continue Progress

Setting Up Goals To Be Voted On April 7th. HD Club To Meet Wednesday

By MRS. JOHN T. NEAL
LITTLE RIVER — It was indeed a thrilling experience last November to be the winning community of Western North Carolina, and many of us wondered with a little sick feeling: Would we keep on working or would we be satisfied to sit back with our laurels? The truth of the situation is that there is more work going on now than there was last year at this time. If you don't believe this take a look at the work Albert Merrill has been doing to the yard and grounds of the Townsends with his bulldozer, and the Neal Hamilton's yard and driveway. The Caldwell's have also built a quarter of a mile of new road to their lovely remodeled home. T. J. McCall has worked more than six weeks in improving his grounds and yard. Mr. and Mrs. Overton Mull have finished remodeling their home and have moved into it.

Mr. and Mrs. Spencer Mull have built two new rooms on to their home and are using them. Mr. and Mrs. Claud MacMahon have started building their home on the Island Cove road. There is also a new house going up on Shipman drive belonging to the son of Will Owenby. The improvements having been done to Mr. and Mrs. Roscoe McCall's home are too numerous to mention. Mr. and Mrs. Gillard Merrill have painted inside and out in their home. These are just a few of the many things going on.

There is a rumor that sometime during the month of May the Little River community will be toured by some of the business men of Asheville who sponsored or paid for the contest last year. We will be happy to see them I'm sure and show them our beautiful valley and happy people.

Goals In The Planning
A meeting of the officers and leaders was held last week by Otis Merrill, president of the Little River Community club, and a list of goals were planned for 1955. These goals will be voted on at the next meeting of the club April 7th. Don't miss this meeting — these goals will simply knock your eye out and, if reached at the end of the year, will surpass anything we have ever done. Remember, "There is no limit to what a community can do, if it wants to."

Youth Choir To Sing
The young people of the Little

anyone who is interested in good hymn singing.

When It Rains . . .
The saying, "When it rains it pours," certainly applies to the H. B. Glazener family. Mr. Glazener's mother has been very ill for some time, and their little grandson Benny is critically ill after undergoing a major operation recently. Then last Monday Mr. Glazener's sister had the misfortune to break her hip in a fall. Our heart goes out to the entire family in their time of trouble.

Revival To Be Held
The Rev. Jake Taylor announced Sunday that a revival meeting would be held at the Dunn's Rock Baptist church April 4th through 9th, with the Rev. Marlow Durham as guest minister. Mr. Durham has helped with several revivals in the county and has been well received by the people of Dunn's Rock and other parts of the county. A cordial invitation is extended to all to attend these services.

Study Course In Progress
Due to so much sickness in Dunn's Rock community, the study course for the church had to be postponed in January and is now in progress. The book for the course is the Book of Hebrews.

Personal Items
Avery Cison, of Pickens, S. C., was a visitor Sunday of Mr. and Mrs. J. E. Cison and Mr. Harrison Cison.

Mr. and Mrs. Houston Glazener and daughters visited Mr. and Mrs. James Glazener and family of the Turkey Creek section.

Mr. G. W. Whitmire was a dinner guest Sunday of Mr. and Mrs. Porter Tinsley of the East Fork section. He attended services at East Fork Baptist church, of which Rev. Kermit Reese is pastor.

We are sorry to report Mrs. George Lance is on the sick list this week.

Mr. and Mrs. Billy Hogsed are the proud parents of a baby daughter born Feb. 28th. Mrs. Hogsed is the former Miss Janie Nicholson.

We were happy to see a nice crowd at church Sunday and invite everyone to come Sunday.

Much Building Is Now Going On In The Selica Community

By MRS. WARD BREEDLOVE
SELICA — Much building is now going on in this community. The Anders family recently moved into their new home on the Hannah Ford road. Work recently began on

the new residence of Mr. and Mrs. Clyde Summey, Whitmire road. Mrs. Devore, Ellis Galloway, Avery Whitmire, VOLLIE SHOOK and L. C. Carter are among those who have been confined to their homes

with mumps. Mrs. Mandy Eubanks is now able to be out again after suffering injuries due to a fall. Mr. and Mrs. Russell Eubanks have returned after spending the

winter in Florida. Mr. and Mrs. Dan Shuler, of Sylva, visited Mrs. Shuler's parents, Mr. and Mrs. Frank Broome here Saturday. Rev. Freeman Galloway preach-

ed at the Mount Underwood Baptist church last Sunday night. Leroy Rice and sons, of Cashiers, visited relatives in this section last week end.
