Money Raised By MYF Groups Goes In Scholarships

The Blue Ridge Sub-District of the Methodist Youth Fellowship, in which Transylvania county churches are included, is now engaged in an extensive scholarship program to aid boys and girls desiring to go to college.

At the most recent meeting held at East Flat Rock Methodist church, the results of the "Harvest Program" for the scholarships was revealed.

Three months earlier 13 ten-dol-

lar bills were given to the individual churches of the sub-district. From the original \$130 the result turned in at the last meeting amounted to \$598.36.

The largest amount made came from the Oak Grove Methodist church in North Brevard. From their original \$10 the Oak Grove MYF made \$120.00.

Several students will receive \$100 scholarships this fall.

The pledge service at the last sub-district meeting was conducted by the Balfour Methodist church of which Rev. James Elliott is the pastor.

4-H DELEGATES ENJOY WEEK AT SWANNANOVA CAMP

By BOB LOVE, Assistant County Agent

Transylvania's 4-H club delegates returned home Saturday from a very inspiring and wonderful week at Swannanoa 4-H camp, Swannanoa. This was the first 4-H leadership conference to be held for the 15 western counties. Those attending from Transylvania county were: Villa Holland, Barbara Lyda, Floyd McCall and Charles Taylor. The conference was planned to provide the club members a big opportunity to secure a broader vision of the many opportunities in 4-H club work and to secure training that will enable 4-H'ers to be more effective leaders in their county, club and community 4-H club activities.

Mr. Harrill, state 4-H club leader who for more than 30 years has directed his efforts toward providing greater opportunities for 4-H club members, inspired the club members with his philosophy that opportunities are as great as one's

imagination and willingness to put that imagination into action. In addition to the inspirational and spiritual training, the club members had classes in leadership, recreation, crafts, photography, record keeping, puppetry, nature, spatter painting, corsage making and other interesting classes. The club members learned that we must first understand ourselves to be able to understand others and lead them in the accepted direction.

The club members were accompanied to camp by the writer.

Animal disease specialists report that during the past fiscal year, sheep scabies was diagnosed in around 400 flocks, including 40,000 sheep in 21 states.
