room. The teachers and workers will be delighted to see that your packages are properly distributed. "Remember, send an outfit along to school, as clean and mended as your own child's. This will be tried in place of the clothing drive pick-up day previously held. Clothes will be accepted at any date, of course, but many need your thoughts on opening day. And if your own children are grown and you're only wishing at this time that you did have a little one to get ready for school, please join us!"

Barbecue Grill At Ye Ole Chatterbox

The management of Ye Ole Chatterbox has recently had built in the shack on the rear adjoining the cafe a barbecue grill, which is being used both to barbecue and smoke meats.

The grill was built by W. A. Jones, of Hendersonville, who has had 49 years' experience in the barbecue business. The enclosure containing the grill has been thoroughly screened and has been approved by W. A. Hart, sanitarian, Mrs. Hugh Bramlett, co-owner of the Chatterbox says. She said there was no other grill of its kind in adjacent counties.

The Chatterbox, Mrs. Bramlett stated, is now prepared to do catering and could prepare meals for any number of persons on 24 hours notice.
