\$12,800 PLEDGED OF THE GOAL OF \$25,000 FOR 1957

Director Sprott Makes Final Plea. Appreciation Also Expressed

MANY ON PAYROLL PLAN

Transylvania's second annual Appeal fund has reached the halfway mark, Campaign Director Gordon Sprott announced at noon Wednesday.

Of the goal of \$25,000, a total of \$12,800 has been pledged, and Mr. Sprott feels that the drive will "go over the top" if the many volunteer workers will double their efforts.

He was high in his praise of the fine cooperation being received in the industries of the county, where the employees are contributing through the payroll plan.

Brevard merchants are going to exceed their quota, he said, along with the residential area of the town, which is being handled by a large group of ladies, under the direction of Mrs. Ralph H. Ramsey.

Mr. Sprott reminds all citizens that pledges are being accepted now for 1957, and payments can be spread out over 12 months of next year.

About the drive Mr. Sprott says: "The great majority of our people are intensely interested in the work of the United Fund and take very seriously their moral obligation to contribute a fair share to it. At this point we and our many fine solicitors are highly pleased. We sincerely believe our final report will be a credit to ourselves and our United Fund area."

BARNHARDT IS HEARD BY DEMOS

Over 200 Persons Attend Funds Raising Banquet On Monday Evening

A Democratic victory at the polls on November 6th was predicted by Luther E. Barnhardt, candidate for lieutenant governor, as he delivered the principal address at funds raising banquet of Transylvania Democrats Monday night in the Brevard college cafeteria.

An overflowing crowd of more than 200 persons attended the dinner, which was presided over by Thomas R. Eller, chairman of the Transylvania Democratic executive committee.

Mr. Barnhardt based his prediction on the facts that Democrats are electing more Democratic governors than ever before; the Republicans are losing normally Republican states; and, the polls indicate the popularity of the Republican candidate for president is declining substantially and rapidly.

The speaker said the 1956 vote would be far different from the one in 1952, "when many Democrats forgot the fact that the con—" —Turn to Page Nine

Music Foundation Directors Get Full Report, Will Try To Make Up Deficit

The Brevard Music Center had a deficit for the past year of approximately \$10,000.00. Treasurer John Eversman reported at the annual meeting of the board of trustees of the Brevard Music Foundation held in Charlotte last week.

The regular operating income amounted to \$76,736.93 and operation expenses were \$96,420.02, leaving an operation deficit of \$19,684.02.

Other revenue and contributions amounted to \$13,905.99. Payments on debts and capital expenditures

brought the actual cash deficit to \$9,864.27.

By applying a capital gift of \$7,500.00 or rather borrowing that money from the capital account to the operating account, the Foundation can meet nearly all of its current obligations, it was stated.

"However, this money will have to be returned to be used for building," it was stated.
