BREVARD COLLEGE SPORTS ROUND-UP
BY DON GENTRY

BASKETBALL . . . Has ended. But it ended good. The Tornadoes came through regular conference play with a record of six-six and went on to capture second place in the annual tournament at Spruce Pine, where Bruce Guy and Jim Ingle were picked for the All-Star team.

GOLF . . . continues to occupy the time of local collegiate hopefuls. Ed Ficker, who has won many amateur tournaments throughout the south who was the recipient of a golfing scholarship at Florida State university last year, may be seen most any day out at the country club hitting the ball. Along with William Rutledge, Vance Link and Bobby Kilpatrick, he is confident of burning the fairways up this spring.

BASEBALL . . . Says goodbye to big Munsey Milloway—at least Brevard College does. Considered by many as being the hottest thing in junior college baseball last year, "Munsey" is now property of the Cincinnati "Reds". However, going on the presumption that Roger Pearson, Brevard's ball-playing preacher, has time to play this year, we should have a mighty fine record.

TRACK . . . Is looking up on campus. If enough of the boys, who have asserted their desire to participate, follow through Brevard will certainly get into the competition.

BROKEN ARMS . . . SPRAINED ANKLES were the result of a girls basketball game recently down our way as the gals donned shorts and clashed in an intramural game. I don't think there has been a similar game since, but they were sure nice while they lasted.

Local Coaches To Meet The "All-Stars" Friday Evening

Event Is Slated Thursday At College Gym. Sock Hop Slated Saturday

BY DON GENTRY

If you are a supporter of the theory that advanced age brings puffed middles, squeaky creaks, low groans and slow . . . slow movement, you better journey on down to the college gym tomorrow night about 8:00 p. m. and watch an experiment.

You might see the coaches of Transylvania county endeavor to keep up with some of our younger talent on the basketball floor. I say might — it all depends on whether or not the oldsters can make it onto the floor or not. At any rate they will be there.

Some of the stars for the "grandpa team" are: Don McCloud,

Wayne Bradburn, Marshall Teague, Bill Millner and Guy Burchfield.

Members of the younger team, who are officially known as the Brevard "All-Stars" and who have been playing in regular competition all year, include: Guy Phillips, Larry Turner, Ed Garrett, Bill Suttles, Carl Chastain, Jim Phillips and Marty Osborne.

Sock Hop

The price is fifty cents. The place is the American Legion hall. The time is 8:00 p. m. The date is March 9. The event is a "sock hop", sponsored by the senior class of Brevard high. You are invited.

The money goes to a good cause. Since we don't want ignorant graduates running around on the streets here in Brevard, it seems

MEMBERS OF TWO NEW DENS of Cub Scout Pack No. 1 are pictured above. These groups were formally organized last Thursday night, and they are pictured with Cubmaster Ned Medford. The pack is sponsored by the Lions club, and den mothers are: Mrs. Robert Korstain and Mrs. Alfred Perkins, and Mrs.

Leon Irby and Mrs. Francis Plummer. Boys in the dens are: Billy Scott, Charles Allison, Michael Johnson, David Cantrell, Larry Nelson, Robert Korstain, John Perkins, Daniel and Donald Mims, Leon Irby, Tinker Plummer, Jim Alderman, Danny Peavy and John Garren. (Photo by Garmon)

ROY REYNOLDS, playing manager of the "A" Shift Clowns softball team, is shown with the trophies awarded to members of the 1956 championship team. Members of the team who will receive trophies are: Tom Cooper, Tom Bryson, Bob Miller, Harold Austin, Jack Mackey, Dick McKenney, Clarence West, Don Potect, Henry Whitmire, Bobby Roberts, Leon Lyda, Carl Holden, Newell McDevitt and Roy Reynolds.

Cemetery Group Meets Thursday

There will be a meeting of the Oak Grove Cemetery association, Thursday evening at 7:00 o'clock at the Oak Grove Methodist church. All interested persons are urged to be present.

logical to send them off to Washington, where everyone gets educated sooner or later. Even Harry S.

This is exactly what the money is for. Isn't it worth fifty cents to get illiterate youngsters off the streets?

The cost of going to college today is a heavy drain on the average family's resources. Insure your child's education by putting aside regular sums in U. S. Savings Bonds.
