OLIN MATHIESON GIVEN AWARD BY RESERVE FORCES

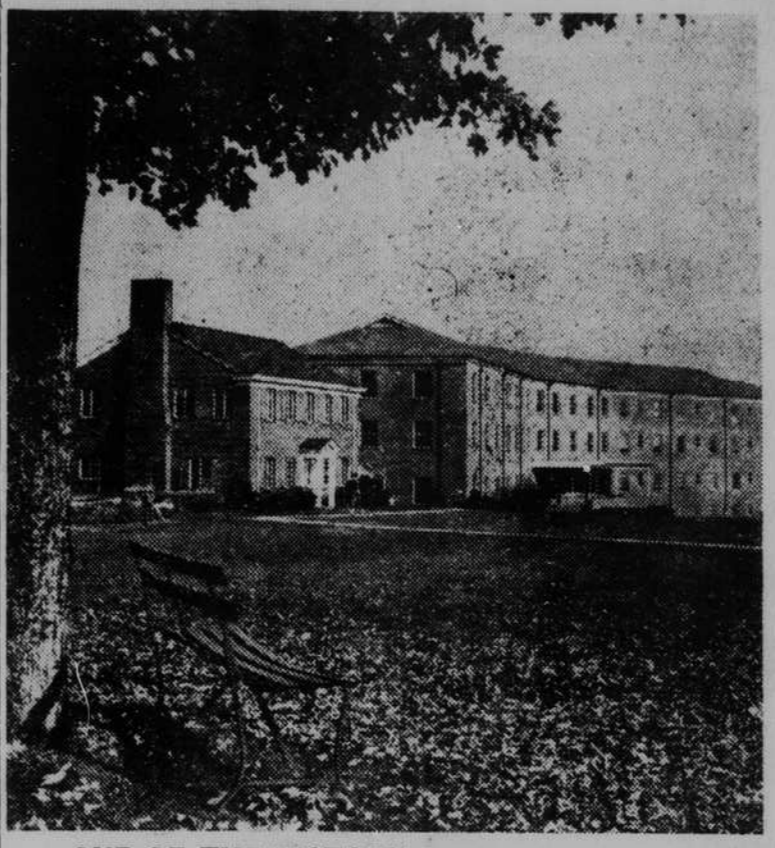

Colonel James Reilly Praises Company For Outstanding Cooperation

Colonel James E. Reilly, commanding officer of the Air Reserve center in Charlotte, presented the Department of Defense Reserve award to the two general managers of Olin Mathieson Chemical corporation divisions in a ceremony at Pisgah Forest on Tuesday.

Philip C. Brownell, general manager of the Ecusta Paper division, and M. L. Herzog, general manager of the Film division, jointly accepted the certificate and pennant.

The award was presented to Olin Mathieson to express the appreciation of the Department of Defense for the outstanding cooperation to reservists and reserve activities through the personnel policies established by the two divisions. The company's policy has provided considerable assistance to the success of the defense effort, and has encouraged and assisted reservists to fulfill their military obligations.

Secondary Road Paving Priorities For Transylvania Announced, Officials Met

Total Cost For 13 Projects Said \$360,190. Traffic Count Made

Transylvania county commissioners and district highway officials have approved 13 secondary roads for paving during the next two years at a cost of \$360,190.

Meeting with the commissioners and county attorney Ralph Ramsey on Tuesday were F. L. Hutchison, division engineer; Paul J. Dupre, assistant division engineer; T. M. Austell, acting district engineer, District 1; and Webb Pittilo, local engineer.

Paving priority on the roads was given on the basis of traffic count, and the work is expected to get underway in early summer. The number of roads paved this year will depend on money allocated to the division and county.

Having Number one priority is the Sawmill-Turnpike road above Rosman for a distance of 1.05 miles. The cost of paving this road is \$20,743.

Road No. 27, which is the Nicholson road, has second priority. The length is .95 and the cost is \$17,812. Having third priority is Road No. 38-A, which is the Capps road, off highway 280 to the new Highway 64. The distance is 8 of a mile and the cost is \$14,999.

Morningside Drive is given fourth priority. It runs for a distance of .53 miles and the cost of paving is \$2,925.

The following roads, their priority, length and cost, constitute the remainder of the list:

Balsam Grove road from river bridge to the community, fifth, 1.9 miles, \$37,523.

The road off Connestee mountain, sixth priority, .6 of a mile, \$11,250.

Former Officer

Gene Wilson Is Fourth Man To Enter Race For Sheriff

Eugene G. Wilson, owner of Brevard Amoco station, announces this week that he will be a candidate for sheriff of Transylvania, subject to the Democratic primary on May 31st.

Mr. Wilson becomes the fourth person to enter the sheriff's race. The incumbent, "Scott" Dillingham, has announced that he will be a candidate to succeed himself and others in the race are Claude Melton and Lloyd Wood.

In his announcement statement, Mr. Wilson says he is running for sheriff at the insistence of many friends. He cites his years of service as a law enforcement officer, and while a policeman in Brevard, he took special training at the Institute of Government, Chapel Hill.

Mr. Wilson also served for some two years as a deputy sheriff in Transylvania, and for more than a year, he was superintendent of the prison camp at Calvert.

For the past five years he has been in business for himself, operating a law office.

Fletcher Speaks At Meet Of World War I Vets Sunday

Charles H. Fletcher, prominent Hendersonville attorney, will be the principal speaker at the meeting of the Transylvania Barracks, No. 893, Veterans of World War I, on Sunday afternoon in the Brevard court house.

Commander F. Brown Carr says that Mr. Fletcher is an excellent speaker, and he urges all World War I veterans to attend.

Meeting time is 2:30 p. m.

Parallel Parking Work Is Slowed By Bad Weather

The streets in the business section of Brevard are being marked off for parallel parking, and weather permitting, the work should be completed during the next few days, John Kilpatrick, the street superintendent, states.

Parallel parking spaces are being marked off on Broad from Probert to Morgan, and on Main from Johnson to England avenue.

The street superintendent explains that with parallel parking the streets will be considerably wider. In fact, wide enough for four lanes of traffic, each nine feet wide.

The parking spaces themselves are 18 feet and with approaches and drives marked off in each block, the motorist has 24 ft. in which to back his car into.

Approximately one third of the parking meters in the business area have been eliminated with parallel parking, and these are being extended out Broad and Main.

Parallel parking in Brevard is one of the recommendations in the traffic survey, which was made by the North Carolina Traffic Engineering department at Raleigh under the direction of W. F. Babcock.

Gaither To Seek Re-Election In House Of Representatives From Transylvania

James C. Gaither, Transylvania county's representative in the 1957 General Assembly, announces that he will be a candidate for re-election to the House of Representatives, subject to the Democratic Primary on May 31st.

Mr. Gaither owns and operates Gaither's restaurant in Brevard with his brother, Berry.

In the 1957 General Assembly, his first term, Mr. Gaither, popularly known as "Jimmy", was instrumental in obtaining an entrance on U. S. Highway No. 276 for the DuPont plant road over strong competition from Henderson county.

He also introduced and obtained enactment of a bill appropriating \$15,000.00 in State funds for development of Transylvania music.

Announcement Follows Conference With Secretary Seaton And Sen. Ervin

Congressman George Shuford informed The Times Wednesday morning that there would be no tolls charged on the Blue Ridge Parkway this year.

The announcement was made following a conference with Secretary of the Interior Seaton and Senator Ervin.

Congressman Shuford said that he is continuing with his efforts to enact permanent legislation that would ban tolls on the Parkway forever.

Secretary Seaton announced recently that a toll-charge would go in effect on June 1st, and immediately a storm of protests was heard. It was the same announcement that was made in 1955 prior to the opening of the season, and vigorous protests from Western North Carolina postponed the toll plan then.

Last Wednesday Congressman Shuford announced that he had secured the necessary approval from the Interior Department to postpone the toll plan until after the next session of Congress.

Bloodmobile At Brevard College On April The 1st

Don Wilson, Jr., chairman of the American Red Cross blood program in Transylvania county, announces that the bloodmobile will be at Brevard college on April 1st.

Since the county fell short of its quota by 200 pints during 1957, Mr. Wilson says he hopes there will be a large turnout of donors on the first of the month.

Hours will be from 10:00-12:00 in the morning and from 2:00-6:00 p. m. Pledge cards are now being distributed.

WPNF, The Times Raising Funds To Send Brevard Band To State Finals

The Transylvania Times and Radio Station WPNF are conducting a campaign to raise \$500 to send the Brevard high school band to the state finals at Greensboro in mid-April.

Last week the band was awarded a superior rating at the district contest at Western North Carolina college, Cullowhee. This was the highest rating given, and it entitled the Brevard band to compete in the state finals.

"We want to show the rest of the state of North Carolina what a fine band Brevard has," Publisher Ed M. Anderson stated this week in urging citizens to send in contributions of \$1.00 or more to The Times, the radio station or to Principal Robert T. Kimzey at the high school. Checks can be made out to the "Brevard High School Band".

Olin Mathieson Chemical corporation kicked off the campaign on Monday by contributing \$100. Each of the two sponsors put up \$25.

"Whenever the town or the school requests the band to play, the members and their directors will be glad to do so," said Ed M. Anderson.
