### Brevard's School Publications Win Awards At Meet

The Brevard high school newspaper, the "Broadcaster", was awarded second place honors at the annual Western district editors' roundtable on October 10-11. The two-day session was again held at Western Carolina college.

The Broadcaster was outclassed in the AA printed newspaper division only by Hendersonville's "Red and White". The paper was entered in the most competitive division, which is an important fact when evaluating its merit, school officials point out.

The Brevardier, Brevard's annual, also received an award, capturing one of the honorable mention ribbons. Rutherfordton - Spindale received the cup carrying highest honors in the year-book division.

Last year the "Broadcaster" was rated first and the "Brevardier" was close in the race, ending up in the number two position. 1957 was the only year in history such honors had been won by Brevard, and this year's awards are much above the average annual high school literary awards received locally.

## Good Response Reported As Campaign Of United Fund Gets In Full Swing

### Drive Began With Breakfast For All Workers Last Thursday Morning

Although only a few of the division chairmen and solicitors have reported in, good response is noted in the '59 United Fund campaign in Transylvania county. Frank Yarbrough, the campaign chairman, announced at noon Wednesday.

Actually, some 14 per cent of the goal of \$26,500 has been reached, and Mr. Yarbrough urges all workers to make their reports as soon as possible to James M. Wulpi, the executive director, at the UF headquarters on West Main street.

The drive began last Thursday morning with a breakfast for some 60 solicitors and division chairmen at Gaither's. Mr. Yarbrough and Mr. Wulpi were high in their praise of the fine turnout, and they predicted that Transylvania would go over the top in "short order".

Outstanding among the donors at this point was the Du Pont Co. With only four days of campaigning by the solicitors over 75 per cent of the employees pledged an average of over \$13.00 each.

"We are certain to be in the 100 percent column" said Don Blankenship, Du Pont campaign chairman. "A number of our employees are on vacation and will return in a week or so," he continued.
