GOVERNOR'S TALK FEATURED FRIDAY AT INAUGURATION

Inaugural Address Of Dr. McLarty Well Received By Large Audience

North Carolina has come a long way in a relatively short time in meeting the educational needs of its people, and much of the credit for the state's progress belongs to the church-related school of the earlier days.

PRINCIPAL FIGURES at the inauguration of Dr. Emmett K. McLarty as president of Brevard college last Friday morning are pictured above prior to the impressive ceremony, which was well attended.

right, include North Carolina's governor, Luther Hodges, the principal speaker; Bishop Nolan B. Harmon, of Charlotte, who presented the formal charge to the new president; Dr. McLarty; and, Rev. Embree H. Blackard, of Asheville, who served as chairman of the inaugural committee.

Light Vote Is Expected In General Election In Transylvania On Tuesday

Interest Keen In County Races. Both Parties Are Busy With Campaigns

Although interest in next Tuesday's General Election is keen in Transylvania county, a light vote has been predicted here in this "off-year" election.

The polls will open at 6:30 o'clock next Tuesday morning and they will close at 6:30 o'clock that evening.

George Shuford, chairman of the board of elections, says he will complete distribution of all necessary ballots and materials this week, and he reminds citizens that Saturday is challenge day, and also the last day to secure absentee ballots.

All schools in the town and county will be closed next Tuesday, since many of the school buildings are used as polling places.

Chief interest in Transylvania centers in the local races, and both parties are busy carrying their campaigns into every section of the county.

In all probability, the "hottest" race in Transylvania is for the House of Representatives in which the incumbent, James C. Gaither, Democrat, is being opposed by Lewis P. Hamlin, Brevard attorney, Republican.

Also attracting much attention is the race for sheriff, in which E. V. "Scott" Dillingham, Democrat, has Riley A. Merrill as his opponent.

Clerk of Court Marvin McCall, Democrat, has Walter W. McNeely, Jr., as his opponent, and Rev. E. W. Thomason and William Medford are running for State Senate on the Democratic ticket, while the Republican nominees are Eugene S. King, Sr., and H. E. Sherrill.

NEARING GOAL IN CAMPAIGN OF U.F.

Thermometer On The Court House Lawn Takes Big Jump. Olin Praised

Local citizens, who have been watching the progress of the United Fund campaign in Transylvania on the huge thermometer on the court house lawn, were surprised this week when a "big jump" was noted.

As of Wednesday morning, total pledges and cash receipts amount to \$22,409.00.

The goal this year has been set again at \$26,500, and Frank Yarbrough, the campaign director, had this to say yesterday:

"While we still have a long way to go, the response to date has been very gratifying. The present position indicates that the people of this county recognize that responsibilities along this line must be met and the United way is the best way."

Again, Olin Mathieson Chemical corporation and the employees at the Pisgah Forest plants came through with flying colors, he declared.
