

North Carolina Federation Of Music Clubs To Acknowledge Gifts Of Scores To The Transylvania Camp

A unique plan for securing music scores as gifts to the Transylvania Music camp evolved at the recent steering and planning committee meeting of the North Carolina Federation of Music clubs at Raleigh.

Gift acknowledgements will be printed on the program each time

the score is used, whether it is this year or 40-odd years hence.

The eleventh annual Federation Week-End of the 14-state South-eastern Region of the National Federation of Music Clubs is scheduled for July 17, 18, and 19, with Brevard College as headquarters. Plans for the events of the

Week-End were made, as well as plans for gifts of the Region's music clubs and individuals to the Transylvania Camp.

Gifts of orchestral scores, records, furnishings for the Hinda Honigman Music Library (given to the Camp by the Region in 1958), and money for scholarships

and practise cabins may be sent to Dr. James Christian Pfohl, Director, Transylvania Music Camp, The Brevard Music Center, Box 9035, Charlotte, N. C.

Mrs. David B. Sutton, Raleigh, chairman, presided. Among committee members present were Mrs. C. B. Jefferson, Chapel Hill,

NCFMC president; Mrs. V. W. Roscoe, Wyoming, Del., president of the Delaware Federation of Music Clubs; and Mrs. Maurice Honigman, Gastonia, North Carolina National Board Member.

National Federation of Music Clubs chaplain Mrs. J. Kenneth Pfohl was selected last week as

Winston-Salem Woman's Clubs nominee for Mother of the Year. She will compete for the State candidacy with nominees of other of the state's Woman's Clubs. The General Federation of Women's Clubs annually selects American Mother of the Year from state candidates.

"Son," said the irate boss to the office boy, late again, "do you know what time we start work around here?"

"Frankly sir," the lad replied, "I don't. By the time I get here everybody's working."
